

## Church Matching Grant

The Church Matching Grant allows the church of which the student is a member, to help in the education of its students. Ohio Christian University will match up to \$500.00 each semester to be applied directly to the student's account.

In an effort to insure that the contribution comes from a church scholarship fund, please enclose the lower portion of this form with the church contribution and send it to the above address.

Sincerely,  
The Office of Financial Aid
