

2023-24 Academic Catalog

9.21.2023

In the event of errors or changes of policy, Ohio Christian University reserves the right to change the terms and conditions of this publication.

A Message from the President

We are pleased to offer you our academic catalogue which we believe is more than merely a register. Rather it is an investment in your future, an expression of the best in the thought life of our faith community.

In terms of hours and time of research it would be difficult to measure the 'slow cooked' offerings of love represented here. Of one thing I am thoroughly convinced—represented here is a tremendous step forward for the person pursuing intellectual excellence. Hence these pursuits are a profound step forward for a thinking person's future.

Moreover, I have found that thoughtful people are the best kind because they represent the "mind of Christ" to His world, and those are the thoughts that change the world. So, I believe the substantive thoughts offered here are the best steps forward in a "faith that is the victory that overcomes the world."

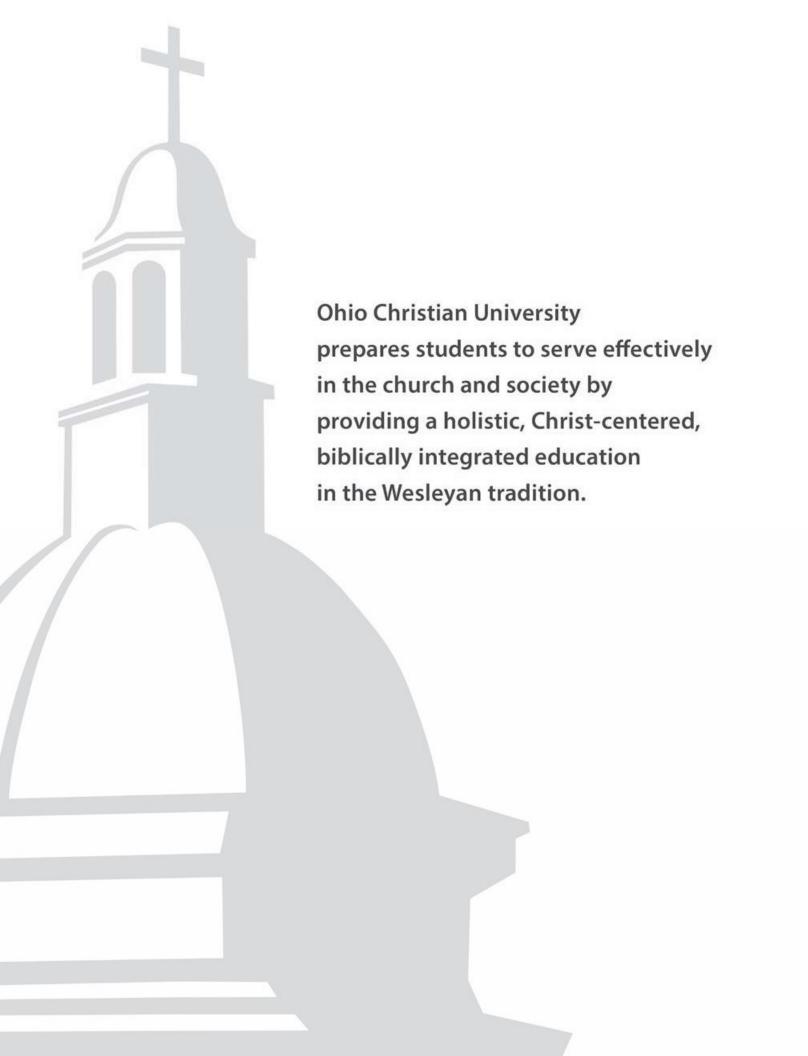

Blessings as you pursue the "high call of God in Christ Jesus!"

Sincerely,

Dr. Ronald E. Smith

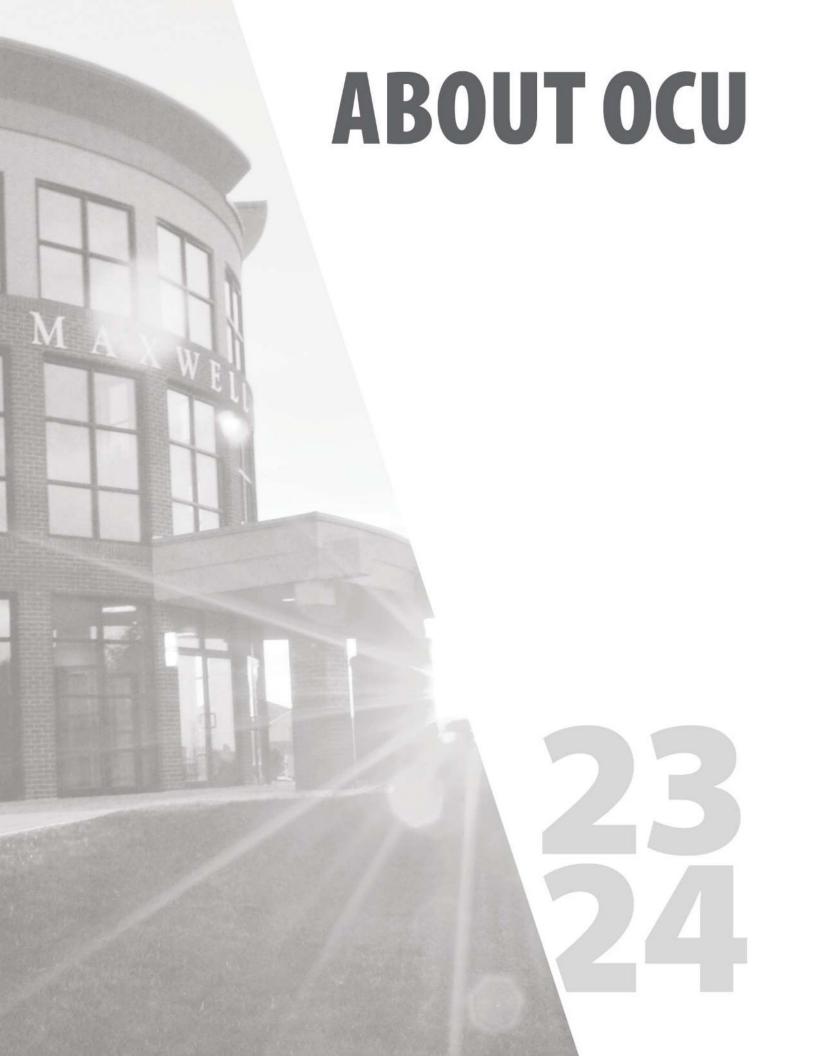

Rondd E. Smith

President

About OCU

Vision

Preparing world-impacting Christian servant leaders.

Mission

Ohio Christian University prepares students to serve effectively in the church and society by providing a holistic, Christ-centered, biblically integrated education in the Wesleyan tradition.

Student Goals

Upon graduation from Ohio Christian University the student should:

- Influence the culture and community through Christlike character, Biblical Christian faith, and a transformed heart.
- Lead by serving and equipping others to leverage their highest God-given potential.
- Demonstrate discipline-specific competencies and an understanding of the broad fields of knowledge necessary for life-long learning and fulfilling one's calling.
- Exhibit love and respect while engaging and communicating with all people groups.

Core Values

Christ Centered

Our community of interdependent students, faculty, and staff seeks to honor and obey Jesus Christ, who is present in Spirit and speaks in Scripture, and to advance God's purposes in the lives of every member.

Biblically Based

Our academic and student development programs cultivate a deep and enduring faith that affirms the authority of Scripture and embraces Christ as the authentic center of life.

Student Oriented

Our curriculum integrates faith and learning in a scholarly environment that fosters critical and creative thinking, academic excellence, and professional competence.

Ministry Motivated

Our emphasis on ministry and missions extends beyond the classroom into real-world experiences that prepare students for a lifetime of service in ministry.

Leadership Focused

Our students experience and engage the world in ways that prepare leaders to serve and transform their professions, churches, and communities.

Academically Excellent

We seek to provide an excellent academic environment for the acquisition of both knowledge and wisdom.

Doctrine

- We believe the Holy Spirit is a Divine Person who reveals Christ, both in a ministry to the world by restraining evil and by convicting of sin, and in a ministry to the Church by indwelling, empowering, guiding, and teaching all Christians.
- We believe in the deity of Jesus Christ, who became man, being conceived of the Holy Spirit and born of a virgin. He lived a sinless life and died a substitutionary death as a complete sacrifice for the sins of all mankind. He arose bodily from the dead and ascended to the right hand of the Father where He is now our interceding High Priest.
- We believe in the Bible, God's infallible Word, fully inspired by the Holy Spirit, the supreme authority for faith and practice.
- We believe in one God; self-existent in three Persons, coequal and coeternal; Father, Son and Holy Spirit.
- We believe that man was made in the image and likeness of God and by transgression incurred guilt before God, depravity of soul, and spiritual death.
- We believe in the universal atonement Christ provided for all mankind and that they who do repent and believe on Him are justified and regenerated from the guilt and practice of sin.
- We believe in entire sanctification as a definite crisis experience subsequent to regeneration. It is wrought on the basis of faith and consecration through the infilling of the Holy Spirit by which the believer is cleansed from all sin and to which the Spirit testifies.
- We believe in the progressive growth in grace toward Christian maturity through a consistent Christian life of good works which springs from faith in God and obedience to His Word. This growth we believe to be a necessary complement to the above-mentioned crisis experience.
- We believe in the true universal Church as the Body of Christ and Temple of the Holy Spirit. It is composed of all true believers in Christ. It was created by Him for worship and fellowship and is commissioned by Him to publish the Gospel to all the world.
- We believe in the personal return of Christ who shall come with power and great glory to gather the Church

- to Himself, to establish His millennial kingdom, and to judge the quick and the dead.
- We believe in the resurrection of the just, who shall enter into an actual eternal heaven, and the resurrection of the unjust, who shall go away into an actual and eternal hell.

History

Ohio Christian University was founded in 1948 to educate clergy for its sponsoring organization, the Churches of Christ in Christian Union. In 1958 a Board of Trustees was established, and in 1961 the institution was incorporated by the State of Ohio. By the mid-1960s the school had reached an enrollment of 150 and moved to forty acres on Route 22 east of Circleville.

In 1976 the institution received authorization from the Ohio Board of Regents and accreditation through the Association for Biblical Higher Education. Other programs were added such as counseling and music. In 1983 teacher education was offered for students interested in Christian school teaching. Later, the program was expanded through articulation agreements with other institutions to enable students to receive state licensure on completion. In the late 1990s the institution added a business program. The first nontraditional adult degree completion programs accepted students in January 1999. In 1998 the institution began pursuing institutional accreditation with the Higher Learning Commission and was granted HLC accreditation in 2005.

Ohio Christian University has remained true to its founders' vision. Since its first graduating class of five in 1952, the institution has continued to produce leaders for the church and society. Although the mission, structures, and processes have developed and expanded throughout six decades, the founding goal has remained—that men and women be taught "to value souls more than money and eternity more than time," producing Christian servant leaders to impact the world.

Facilities

Classroom, Administrative, and Common Space

Conley Ministry Center

Class and office areas for the School of Education Department and the Music Department, including a state-of-the-art piano teaching lab. This 6,000 square-foot building is adjoined to Johnson Hall.

Dean and Diana Hickman Student Center

At the east end of the Maxwell Center, the 43,000-square-foot Student Center was completed in 2012. It houses the cafeteria, coffee shop, bookstore, post office, auxiliary gym, Student Development Department, Psychology Department, Security office, and classrooms.

Detty Chapel

Provides space for University Church and campus events. Built in 1968.

Graham Administration Building

Business, Financial Aid, and Human Resource offices. Originally constructed in 1966, the building underwent a complete renovation in 2005.

Johnson Hall

Classrooms, offices, and lounge areas. Originally constructed in 1969, a \$500,000 addition was completed in January 2007, bringing the building to 15,500 square feet. It currently houses Traditional Program Admissions, University Registrar, Trailblazer Academy, and other offices.

Maxwell Center

Completed in 2007, this 28,000-square-foot facility houses a gymnasium, athletic offices, and the Dowler Conference Room.

Maxwell Library

Built in 1969, with an addition in 1999, the Maxwell Library is home to more than 79,000 volumes. This 11,000-square-foot facility which is open to the public, also provides faculty offices, classrooms, computer labs, and a walk-up IT Help Desk.

Ministry and Performing Arts Center

With its beautiful dome, the Ministry and Performing Arts Center is the new face of the University. Completed in 2017, this 24,000-square-foot building features theater seating for 700 guests. With acoustically designed sound and state-of-the-art audio, visual, and lighting, the auditorium is the home for OCU chapel services, community events, annual Festival of Carols, and much more. This facility includes office and classroom space for the Religion and Music departments.

Robert W. Plaster Free Enterprise Center

The Robert W. Plaster Free Enterprise Center, completed in 2017, includes 22,000 square feet of office, conference, and collaboration space. This building is a unique combination of business start-ups, internships, and community development. It is OCU's gift to the community to spur regional economic development and provide students with new opportunities. This facility includes office and classroom space for the School of Business and Government.

Smith Executive Center

At the west end of the Maxwell Center, and completed in 2010, the Smith Executive Center provides 12,000 square feet of educational and administrative space, including the Offices of the President, Provost, University Advancement, and Campus Operations, along with classrooms, conference rooms, and a computer lab.

Residence Halls

The University maintains residence halls and townhouses centrally located for easy campus access. An attractive variety of living arrangements are available, including suites and triple-, double-, or single-occupancy rooms.

- Moats Hall, renovated in 2009, is a men's hall with 19 beds in a home-like setting.
- Moore Hall, completed in 1972, and renovated in 2006 and 2015, is a women's hall with 66 beds.
- New Hall, completed in 2007, is a women's hall with 48 beds in suite living arrangements.
- New Hall 2 is a women's hall with 27 beds and was renovated in 2013.
- Six-person **townhouses** offer a community of residential units for upper-level students.
- York Hall, completed in 1967, and renovated in 2011, is a men's hall with 79 beds.

Admissions

Admission Requirements

Students are admitted to OCU based on prior academic performance, a personal statement, and potential for Christian Service as determined by the University.

Application

Admission information and the application may be accessed at www.ohiochristian.edu/apply.

Academic History

Admission to OCU requires proof of previous academic achievement.

- <u>Associate and Circleville Bachelor Programs:</u> Submit either of these:
 - A transcript verifying high school graduation or its equivalent.
 - 12 or more semester hours of transferable collegelevel credit from an accredited college or university.
- Online Campus Bachelor Programs: 30 or more semester hours of transferable college-level credit from an accredited college or university.
- **Graduate Programs:** A baccalaureate degree or higher from an accredited college or university.
- <u>Trailblazer Academy:</u> Students in grades 7-12 may participate in Ohio's College Credit Plus (CCP) dual credit program.

Transferable Credit

See Transfer Credit in the Academic Policies section of this catalog for a description of transferable hours and the types of accreditation recognized by OCU. Courses must meet these guidelines to count as transferable credit, but do not have to meet a specific requirement in the student's new program.

Unaccredited Schools

Students relying on coursework from an unaccredited college or university must submit a transcript verifying high school graduation or its equivalent.

Academic Transcripts

Applicants must submit official transcripts from each high school or college attended. Transcripts must show all course work and final grades.

Official Transcripts

Transcripts must be mailed directly from each school to the OCU Admissions Office or delivered through an online transcript delivery service, such as Parchment or Clearinghouse.

Online Campus: In addition, faxed transcripts are considered official for Online Campus admission if they are sent from the recording institution to 877-242-3637.

Required GPA

These minimum grade point averages are required for admission to the university:

Undergraduate Programs

- Regular Admission: 2.50 or higher high school or undergraduate GPA.
- <u>Probational Admission, Online Campus:</u> 2.00 to 2.49 high school or undergraduate GPA.
- <u>Provisional Admission, Circleville Campus:</u>
 Applicants with a 2.00 to 2.49 high school or college GPA may be admitted provisionally, pending review by the Admissions Committee.

Graduate Programs

- Regular Admission: 2.50 or higher baccalaureate GPA.
- <u>Probational Admission:</u> 2.00 to 2.49 baccalaureate GPA.

Admission Status

- Students admitted with the required GPA enter with regular status and may enroll under the normal course load guidelines.
- Provisionally- or probationally-admitted students gain full status as a member of the OCU community, with an opportunity to overcome past academic challenges.
- Requirements for students on provisional or probational admission are in the Academic Policies section of this catalog. See the GPA Requirements heading under the Undergraduate Student Policies or the Graduate Student Policies header.

College Admission Exams

Circleville Campus

For provisionally admitted students the Admissions Committee may require a standardized test score such as the ACT or SAT.

Test scores should be sent directly from the testing agency or included on the high school transcript. Results from each test attempt should be reported. When reporting SAT scores, use school code 1091 and for ACT scores use school code 3249.

Information about placement exams is available from a high school counselor or the testing organization websites. Students who have not completed one of these exams may attend a free ACT session at OCU. Results of these free exams are available only to OCU.

Health and Immunization Records

Online Program Exemption

The Online Program does not require the submission of health or immunization records. Students are encouraged to maintain the vaccinations recommended by the American College Health Association (ACHA) with assistance from the Centers for Disease Control and Prevention (CDC).

Deposit

Circleville Campus

On acceptance, Circleville Campus students must pay a \$200 non-refundable tuition deposit to confirm intention to enroll. Students desiring campus housing must submit a \$100 housing deposit. These amounts are credited toward the student's charges.

Non-Discrimination

Ohio Christian University admits students of any race, color, nationality, ethnic origin, handicap, or disability to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, sex, nationality, and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In conformity with the pertinent requirements of Title IX of the Education Amendment of 1972 enacted by the Congress of the United States, Ohio Christian University does not, within the context of its religious principles, heritage, mission, or goals, discriminate based on sex in employment, admission, educational programs, or other activities. Ohio Christian University complies with all federal and state non-discrimination laws and is an equal opportunity institution.

For the full policy and process, visit www.ohiochristian.edu/compliance. Questions regarding Title IX may be referred to OCU's Title IX Coordinator:

Michelle Blanton, Title IX Coordinator Ohio Christian University, Johnson Hall 1476 Lancaster Pike, Circleville, OH 43113

Phone: 740.414.4551

Email: titleix@ohiochristian.edu

Transfer Students

OCU encourages the transfer of previous college- or graduate-level work into students' degree programs. See Transfer Credit in the Academic Policies section of this catalog for more information.

Home Educated Students

Ohio Christian University values the contribution of home-educated students to our academic community. Home-educated high school transcripts should include course names, course grades, course credit, grade point average, the graduation date, and the signature of the individual overseeing the home education. More information is available from the Admissions Office.

Audit and Non-degree Students

Short Form Application

Audit or non-degree students may enroll for up to six credit hours per semester using the expedited Short Form application process. After completing 30 undergraduate or 6 graduate credit hours, non-degree students must complete the full application process and declare a degree program to enroll in credit-bearing courses.

Financial Arrangements

Prior to admission, certificate-seeking and other nondegree students must have a current Payment Plan Agreement on file with Financial Aid.

Senior Citizen Discount

Senior citizens age 60 or older may audit classes at no tuition charge providing there is space available. Books, material costs, and course fees are the responsibility of the student.

International Students

The University complies with U.S. government regulations for international student admission. International students must obtain the proper documents and furnish the University with these documents before OCU will issue an I-20 the student can use to obtain a student visa.

Academic Records

Applicants must submit authenticated copies of all academic records describing the courses of instruction in terms of years spent in school, types of subject matter covered, grades earned in each subject, and interpretation of grading system used.

Financial Requirement

International students must show, at the University's discretion, the ability to finance the entire degree program.

Foreign Transcripts

Note: Completing a course or program in a language other than English may reduce employability where English is required.

Transcripts from foreign institutions must be evaluated by InCred (www.incredevals.org) or by an agency approved by the National Association of Credential Evaluation Services (NACES, www.naces.org).

Applicants are responsible for making these arrangements. This takes significant time and must be complete before students begin the program. Exceptions may be made on appeal for students using foreign transcripts as proof of high school graduation only.

English Proficiency

International students whose native language is not English must prove their English ability by completing one of the following:

	Undergraduate	Graduate
SAT	980	n/a
ACT	19	n/a
CLT	58	n/a
Duolingo	95	n/a
IELTS	5.5	6.0
TOEFL	70	79
TOEFL (Internet-based)	178	213
TOEFL (Computer-based)	500	550

Readmission

Readmission after an Absence

Students who have not enrolled in classes for a semester must apply to return. Please contact Admissions via enroll@ohiochristian.edu.

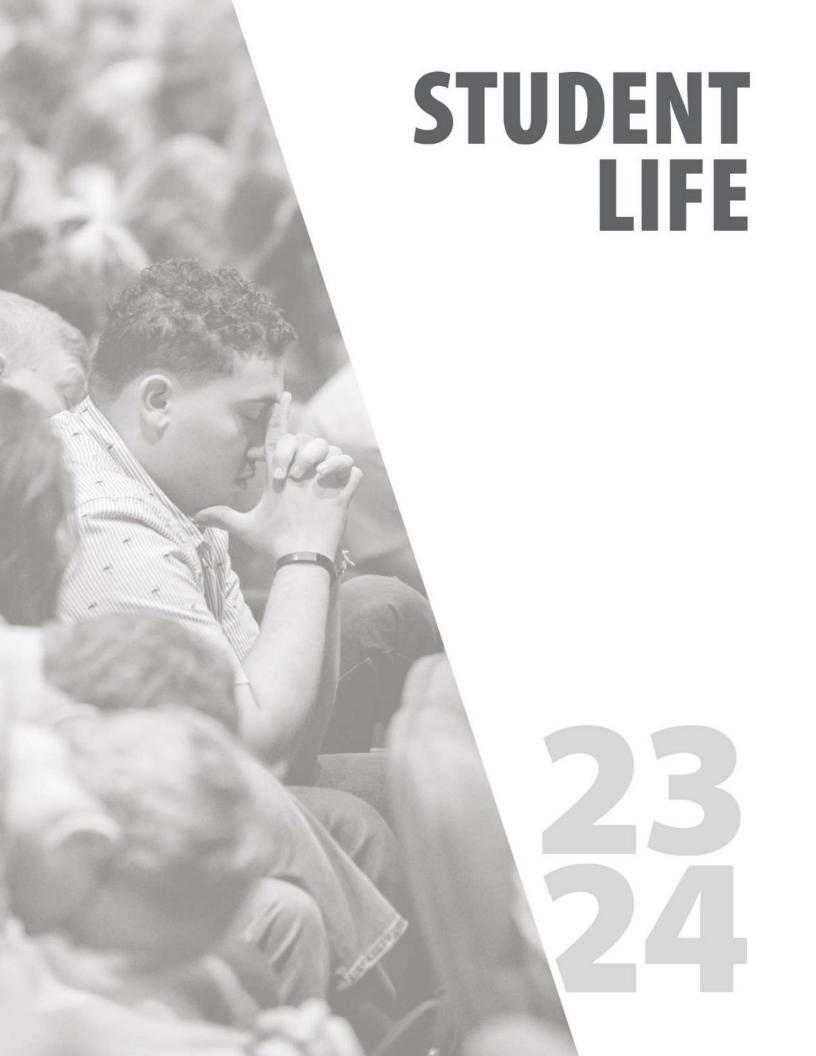

The admission process is essential to secure arrangements for the semester, such as financial aid calculations, transfer of intervening college work, housing, parking, technology account setup, and student ID renewal.

Students readmitted after an extended absence may be required to repeat courses in which content has changed significantly.

Readmission after Academic or Disciplinary Suspension

Students desiring to return after suspension must do so through an appeal process. See Appeals in the Academic Policies section of this catalog.

Student Life

Library

The Maxwell Library supports the curricular needs of students and faculty. Library hours are posted on the university's website. The Library's Discovery Service gives students online access to multiple electronic materials such as journal and newspaper articles, eBooks, and theses or dissertations.

OCU is a member in OhioLINK, a consortium of Ohio academic libraries, which circulates print books and other materials between member institutions. Books and other resources can be requested via the Discovery Service and collected or returned at participating OhioLINK libraries. For help, email library@ohiochristian.edu.

Technology

OCU provides course materials, essential information, important email communications, and other critical services via the internet. In most courses, internet access is required for weekly assignments. Aided by the resources and support OCU provides, it is each student's responsibility to ensure adequate personal access to computer technology and the internet.

University Resources

- <u>Computer and internet</u> access are available in the Library and other campus locations.
- <u>Technology accounts</u> are assigned upon enrollment.
- <u>D2L Brightspace</u>, a web-based learning management system provides access course materials.
- Grades and account statements are available through <u>SONIS</u>, the student information system.
- Students are expected to monitor their <u>university-</u> <u>provided email</u> account for essential communications.
- Students and faculty qualify for access to <u>Microsoft</u>
 <u>Office 365™</u> including free licenses to Word, Excel,
 PowerPoint, and Outlook.

Requirements for Online Students

Minimum Student Computer Requirements

Students using Apple products must have access to a computer capable of running software required in their courses.

- Windows 10 or 11
- Intel Core i3 Processor or equivalent
- 4 GB RAM
- 128 GB internal drive
- 5 Mbps or higher internet speed
- Speakers, microphone, and webcam

Homework Submission

Microsoft® Word™ is the default required format for homework submitted in online courses. Some courses require other formats for specific assignments.

Apple Products

Students using Apple products must be running Mac OS X 10.15+ and must be capable of running software required in their courses.

Chromebooks

Chromebooks do not have the Windows and Microsoft capability required to support college work.

Assistance

Students may contact BlazerTech@ohiochristian.edu for assistance with online access and other technology needs.

Spiritual Emphasis

Ohio Christian University is intentionally Christian in its campus culture. Opportunities for spiritual development are a rich part of the OCU experience.

Online Campus

Devotional time and engagement with biblical truth and are integral to each class. Students who need spiritual care are encouraged to contact the Online Campus Chaplain (chaplain@ohiochristian.edu).

Circleville Campus

Chapel engages students in worship and spiritual formation twice each week. Revival services are held at the beginning of each semester to establish a spiritual focus for the semester. Missions chapels and conferences offer insights to mission work. Students are encouraged to cultivate a personal devotional life and regularly attend church.

Behavioral Standards

These behavioral standards apply to all students of OCU. The OCU Student Handbook contains quidelines specific to Circleville Campus students.

General Guidelines

The University expects all members of the community to treat each other in a civil, respectful manner. The following guidelines reflect our commitment to Christian principles of behavior and common standards of professional conduct.

The purpose of these guidelines and resulting sanctions is to achieve greater understanding of how to thrive in community. These standards apply to all students on university premises, including the virtual campus, whether school is in session or not. Additionally, the university reserves the right to discipline students for conduct off the university premises if such conduct is detrimental to the reputation of the university or its mission.

Expectations

Professional Behavior

Students are expected to act with professionalism, respecting peers, staff, and instructors in the face-to-face and virtual classroom contexts. Yelling, screaming, threats, crude remarks, uncooperative actions or attitudes, and hateful or demeaning language is not tolerated. Actions or words that can reasonably be interpreted as physical threats will usually be reported to local authorities and may lead to immediate dismissal.

Dress

OCU desires its students to maintain a neat and modest appearance that projects self-confidence, professionalism, and high personal standards. Students in onsite classes should dress appropriately, within the limits of their work schedule. Students should not wear tank tops to class. Dirty or ragged clothing, and clothing intended as undergarments must not be worn externally.

Photographs

Photographs shared in the learning management system, OCU e-mail, or other OCU sponsored technology for OCU classes or activities must be professional and modest in character, and not provocative.

Copyright

Unauthorized distribution of copyrighted material may subject students to civil and criminal liabilities. Students or employees who engage in illegal distribution of copyrighted materials using the school's information technology system may be suspended. OCU's copyright policy web page includes the school's policies, including disciplinary actions.

Internet Monitoring

The university reserves the right to restrict internet materials inconsistent with the standards of Ohio Christian University on its campus, sites, and online platforms. The university may monitor use of technology resources on and off campus. Violations of policy will be handled through the disciplinary process.

Harassment

The university will not tolerate harassment or abuse by any member of the university community against another person. Students deemed a serious, imminent risk of harm to themselves or others may be dismissed immediately. For questions regarding the Harassment Policy, or to report an incident, contact Student Development (Circleville Campus students) or the Dean of Online Learning (Online Campus Students).

Personal Property

The university assumes no responsibility for the loss of money, valuables, or other personal property.

Theft and Unlawful Entry

Damage, theft, or attempted theft of property is strictly prohibited. Violators may be prosecuted. Unauthorized or improper use of university property, equipment, facilities, or resources, including unauthorized entry into a university room, building, or premises is strictly prohibited.

Controlled Substances and Tobacco

Ohio Christian University is a drug, alcohol, and tobacco free environment. The possession and use of the following substances are completely and strictly prohibited on the OCU campus, university sites, and CCCU denominational grounds:

- · tobacco products
- · e-cigarettes
- · alcoholic beverages of any kind
- hallucinogenic drugs, including marijuana
- non-medical narcotics

The university reserves the right to enforce accountability guidelines when deemed necessary, including immediate dismissal and applicable civil penalties. For further information, see the *Alcohol and Drug Abuse Prevention Handbook* at the OCU website.

Firearms and Explosives

Students may not possess firearms, weapons, or explosives of any kind on university property, including rifles, shotguns, air rifles, BB guns, pellet guns, paintball guns, slingshots, and bows and arrows. The university may confiscate firearms for the safety of campus residents.

Felonies

Students indicted on felony charges may be suspended pending the outcome of a trial. Students convicted of a felony will be dismissed.

Disciplinary Action

Goals

When disciplinary action is necessary, the goal is restorative. The University's desire is to achieve greater understanding of how to thrive in community, and, when necessary, experience reconciliation among its members.

Process

Offenses are handled on an individual basis. Penalties increase if offenses accumulate or if more than one offense is involved. Federal, state, and local laws apply. Penalty from civil law does not exempt students from discipline by the university.

Sanctions, Circleville Campus

Circleville Campus students are referred to the Student Handbook.

Sanctions, Online Campus

Disciplinary infractions are considered cumulative across a student's enrollment with Ohio Christian University. Potential disciplinary actions include:

- Written Warning (Probation): A letter from the university informing the student their conduct is in violation of these Behavioral Standards, and they have been placed on probation.
- Request for Voluntary Withdrawal: A student may be asked to withdraw to avoid further sanction.
- Suspension: Temporary immediate removal from academic status and other privileges for a designated period for institutional and personal assessment of the student's ability to benefit from an OCU educational experience. During this period, the student is denied access to university property, the virtual campus, and university sponsored events.
- Expulsion: Permanent removal from school and immediate cessation of participation in the university's programs and services. Enrollment will be terminated with immediate departure from campus and termination of access to the university virtual campus. The student will not be allowed to return to any Ohio Christian University location nor to participate in any university-sponsored events.

Notification

Discipline-related communication will be clearly marked and delivered through University email or USPS mail.

Appeal

To appeal a disciplinary action or suspension see Appeals in the Academic Policies section of this catalog.

Circleville Campus

Student Organizations

The Student Council consists of students elected by the student body as its official voice. It serves as a liaison between the student body and the administration to encourage a cooperative relationship among students, faculty, and staff.

The Student Involvement Council offers activities and events that benefit the entire campus community. Information about clubs and student organizations is available from the Office of Student Development.

Collegiate Sports

Ohio Christian University offers intercollegiate sports for women (Basketball, Cross Country, Golf, Soccer, Softball, Tennis, Track and Field, and Volleyball) and Men (Baseball, Basketball, Cross Country, Golf, Soccer, Tennis and Track and Field), and a coeducational Esports program. The University is a member of the National Christian College Athletic Association (NCCAA).

Housing

Circleville Campus

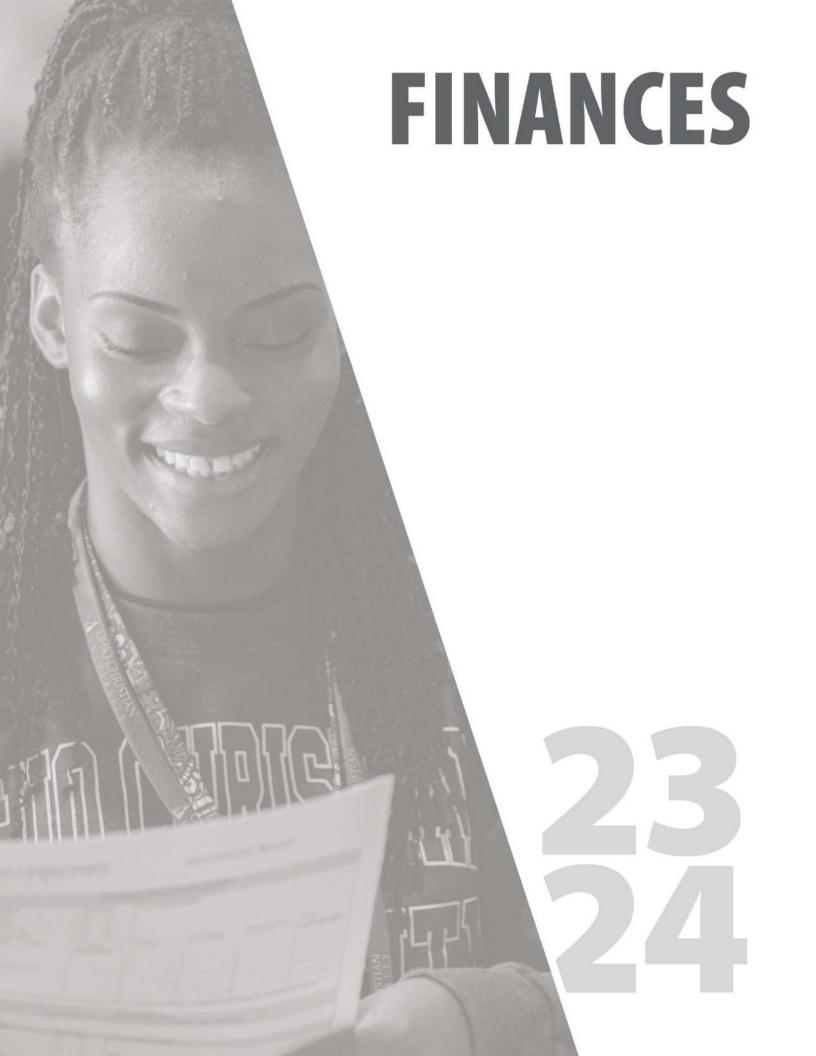

<u>Married students</u> live off campus. Contact the Student Development Office for information about area housing.

<u>Single students</u> enrolled for nine or more credit hours must live in university-provided housing, unless they are not living with immediate relatives within 30 miles of campus. Students at least 21 years of age in satisfactory academic, spiritual, and behavioral standing may apply to live off-campus. Applications may be obtained from the Student Development Office. Most campus residents are required to participate in a meal plan.

Online Campus

On-campus housing and campus employment are not available for online students.

Finances

ohiochristian.edu/aid

Financial Aid at OCU

Paying for college can be challenging. Most students are unable to pay the entire cost. The OCU Financial Aid Department is prepared to help students meet these financial needs through scholarships, grants, and loans.

The U.S. Department of Education and the University believe a student's education is usually a family investment, involving realistic student contributions and the financial support of family members.

\$8000 per year for students with a 28 ACT or higher. Students must maintain 3.75 GPA for the Presidential Scholarship to be renewed each year.

Provost's Scholarship

\$5000 per year for students with a 23-27 ACT. Students must maintain 3.50 GPA for the Provost's Scholarship to be renewed each year.

Merit Scholarship

\$3000 per year for students with a 20-22 ACT. Students must maintain 3.25 GPA for the Merit Scholarship to be renewed each year.

Academic Achievement Scholarship

\$2000 per year for students with an 18 or 19 ACT and a 3.50 or higher GPA, or \$1000 per year for students with an 8-19 ACT and a 3.0-3.49 GPA.

Other Scholarships

Find details about other scholarships at www.ohiochristian.edu/scholarships.

Renewable Academic Scholarship Holistic Approach: Although scholarships are awarded primarily based on the student's ACT score (or SAT equivalent), each student will be evaluated holistically considering other academic achievements such as GPA and affiliations including being a pastor's or missionary's dependent, alumni's dependent, or Churches of Christ in Christian Union member.

Institutional Grants

Church Matching Grant

OCU will match church contributions toward a student's education, up to \$500 dollars per semester. Church Matching Grant forms are available in the Financial Aid Office and online.

Good Neighbor Quality Student Grant

A minimum of \$500 per year and is awarded to students who have graduated from a high school in one of the following Ohio counties: Pickaway, Ross, Fairfield, Fayette, Pike, Hocking, Madison, Franklin, or Licking. Students who attend and graduate from a Christian School or Homeschool are also eligible.

Trailblazer Ministry Scholarship

Up to \$1,000 awarded annually to students who are a dependent of a missionary or pastor. Documentation is required. Not stackable with the CCCU Ministry Scholarship.

CCCU Ministry Scholarship

Up to \$5,000 awarded annually to students who are a dependent of a missionary or pastor in the Church of Christ in Christian Union. Documentation is required. Not stackable with the Trailblazer Ministry Scholarship.

Trailblazer Family Award

The Trailblazer Family Award is 1) granted to all siblings who attend OCU's Traditional Program at the same time and are both classified as dependent students or 2) granted to a student who is classified as a dependent of an OCU alumnus.

Military Discount

\$1000 per year, awarded to students who are dependents of military members or veterans. Students must be 23 years old or younger. Documentation is required.

Transfer Student Scholarship

\$2000 per year, awarded to students transferring to OCU from another college or university. Students must maintain a 3.0 GPA to renew the Transfer Scholarship each year.

OCU Service Grant

A minimum of \$500 per year, awarded to students whose Service Grant application documents exceptional leadership and service.

OCU Music Service Grant

OCU recognizes the value of musical skill in the life of the Church. Music, Music Education, and Worship Leadership majors are eligible for OCU's Music Service Grant. This grant is up to \$3,000 each year.

We are One Scholarship

OCU offers a \$9,000 non-stackable annual scholarship to students affiliated with the CCCU denomination.

Faith Partnership Scholarship

OCU offers \$9,000 non-stackable annual scholarship to affiliate organizations that have signed an MOU agreement with OCU.

Performing Arts Scholarship

The Performing Arts Scholarship is up to \$4,500 per year and is awarded to students joining choir, band, orchestra and/or theatre. This scholarship is audition-based and up to the Program Director's discretion. Email abradley@ohiochristian.edu to set up an audition.

International Student Scholarship

The International Student Scholarship is \$3,000 per year and is awarded to students who reside full-time in a country other than the United States. Students must maintain a 3.0 GPA for the International Student Scholarship to be renewed each year.

Note: Receiving the International Student Scholarship will make you ineligible to receive domestic and non-academic scholarships from OCU. Please speak to an Admissions Counselor for further details or clarification.

Athletic Scholarships

The Intercollegiate Athletic Department awards athletic scholarships to outstanding student athletes demonstrating academic ability, compatibility with the University mission, and potential to significantly contribute to the University and the athletic program.

Athletic scholarships are awarded on recommendation from the Head Coach and the Athletic Director. To qualify, student-athletes must meet National Association of Intercollegiate Athletics (NAIA) eligibility requirements.

To maintain the scholarship, a student athlete must:

- Maintain OCU's minimum GPA requirements.
- Pass 24 or more credit hours in an academic year.
- Receive continued recommendation by the Head Coach and the Athletic Director.
- Be deemed eligible by the compliance officer.
- Meet all NAIA eligibility requirements.

Other Institutional Scholarships

Scholarship applications are available each spring to students returning for the coming fall semester. These institutional scholarships are awarded to continuing students before the end of spring semester. Criteria are largely based on a student's community and ministry involvement, and on academic achievement.

Ohio Christian University Need-based Grant

The OCU Need-based Grant helps limit out-of-pocket tuition cost for students carrying 12-18 credit hours. The student's maximum out-of-pocket payment is calculated after all other sources of financial aid (including Direct Loans) have been applied to a student's account. See the table below for details.

Expected Family Contribution

The EFC, which is also used to determine a student's eligibility for federal student aid, can be found on the Free Application for Federal Student Aid (FAFSA), described below.

Expected Family Contribution (from the FAFSA)	Maximum Per-year Out-of-Pocket
0-1000	\$5,500
1001-2000	\$6,500
2001-3000	\$7,500
3001-4000	\$8,500
4001-5000	\$9,500
5001-6000	\$10,500
6001-7000	\$11,500
7001-8000	\$12,500

Federal and State Grants

Federal and state grants do not have to be repaid.

The FAFSA

To obtain financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) online at studentaid.gov. Choose "Apply for Aid" and select the FAFSA link. Enter Ohio Christian University's school code, 003030. The results of your application will be sent to the OCU Financial Aid Office within 2-3 business days of completion. The FAFSA must be renewed prior to each school year.

Pell Grant

A federal grant available to part- or full-time undergraduate students who shows exceptional financial need. Pell Grant funds are credited directly to the student's account. It does not have to be repaid.

FSEOG

A supplement to the Pell Grant provided by the federal government to eligible full-time students based on need.

Ohio College Opportunity Grant

A need-based grant for some Pell grant recipients who are Ohio residents.

TEACH Grant

A federal grant for full-time students who commit to teaching in designated high-need areas after graduation and meet GPA requirements.

Federal Work Study

Circleville Campus

Students who show a financial need are eligible to take part in the Federal Work Study Program. Students who participate may work on campus or in a campus-related activity approved by the Ohio Christian University Federal Work Study Coordinator. Student may use earnings to help pay school expenses.

Military Benefits

Ohio Christian University accepts educational benefits provided by military programs such as the GI Bill and the Ohio National Guard Scholarship Program. Students should begin the process with the educational liaison in their military organization, and then contact the OCU Financial Aid Office.

Veterans Benefits & Transition Act of 2018

In this section, a "covered individual" refers to any individual who is entitled to educational assistance under Chapter 31, Vocational Rehabilitation, or Chapter 33, Post 9/11 Gl Bill Benefits of this act. This policy applies only to the portion of funds paid by the Veteran's Administration. It does not affect the student's other financial obligations to the university. Further information is available from the VA Certifying Official in the OCU Office of Financial Aid.

In compliance with the Veterans Benefits and Transition Act of 2018, Ohio Christian University permits any individual covered under chapter 31 or 33 of this act to participate in their course of education as specified in the Act. In accordance with this Act, OCU will not impose any penalty (including late fees, denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds) on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of funding from the Department of Veterans Affairs under Chapter 31 or 33.

This protection begins on the date on which the individual provides a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 and ends on the earlier of the following dates:

- The date on which payment from the VA is made to the institution.
- 90 days after the date the institution certified tuition and fees following the receipt of the COE.

Loans

Subsidized Federal Direct Loan

The Subsidized Federal Direct Loan is available to students with demonstrated financial need, who enroll at least half time, and are pursuing a degree. Subsidized loans are awarded in limited amounts, which correspond with a student's year in school. The interest of a Subsidized Federal Direct Loan is paused by the Federal Government while a student is attending school at least half time.

Unsubsidized Federal Direct Loan

The Unsubsidized Federal Direct Loan is available to students who enroll at least half-time. There is no financial need requirement for this loan; students of all income levels may participate. Students whose parent has been denied for a PLUS loan are classified as Independent and may request an Unsubsidized Loan without applying for the PLUS loan. The Unsubsidized Federal Direct Loan does have yearly monetary limitations that correspond with a student's year in school. The interest on an Unsubsidized Federal Direct Loan will accumulate while a student is attending school.

Federal PLUS Loan

The Federal PLUS Loan is available to graduate students and parents of dependent students. Students must be enrolled at least half time to qualify for the PLUS loan. The PLUS loan amount is limited to the cost of education minus any financial aid that is offered.

Private Loans

Private Loans are credit-based and may be used to supplement other financial aid awards for a student enrolled at least half-time. Students may apply for the private loan with or without a cosigner. Private Loans have a minimum loan requirement that varies depending on the lender. Interest accumulates on private loans while a student is attending school. Some lenders may require interest payment during enrollment in school.

Financial Aid Guidelines

Limits

A Circleville Campus student's total federal aid, state aid, and aid from OCU cannot exceed 100% of the student's tuition and fees. See the heading Credit Balance in the Refunds section for information about disbursement of funds in excess of charges.

Application of Funds

Financial aid is applied first to a student's account balance. The students are responsible for remaining charges.

Payment Options

How to Pay

OCU accepts payment by check, cash, or credit card. Payments can be made at the Financial Aid Office, by mail, or securely online through the student's SONIS account, or at www.ohiochristian.edu/pay.

Payments made through SONIS appear immediately on the account. To make an e-check, debit, or credit card payment, log in to SONIS and select the Bill tab.

Payment Arrangements

Option 1: Full Payment

Option 2: Loans

Parent Plus Loan

This loan is borrowed by a parent on behalf of a dependent student enrolled at least half time at Ohio Christian University. Apply at www.studentaid.gov.

Private Loan

A private loan is borrowed in the student's name, with or without a cosigner. The Payment Options section of the Financial Aid website offers links to information about lenders.

Option 3: Payment Plan

OCU offers a payment plan for students with a remaining balance. Students may include anticipated funds from other sources by supplying documentation of the anticipated award. To request a payment plan, complete the Payment Plan Agreement, found at the Financial Aid website.

Third Party Funding

Students who expect funding from a third party must provide official documentation from the third party verifying the amount of the scholarship/payment per semester. This documentation should list any restrictions or additional requirements.

Sources

- Employer reimbursement
- Church or community scholarship fund
- Agency payments such as funding from vocational rehabilitation or the military

Invoices for Employers

Request invoices at the OCU financial aid website. In the Special Instructions section, provide the employer's name, information verifying your eligibility to receive reimbursement, and any requirements you and OCU must meet for reimbursement of your education costs.

Student Responsibility

The student remains responsible for payment until funds are received by OCU. If the expected funds are not received, the student will owe the unpaid balance.

Financial Standing

Good Financial Standing

To continue in good standing, students must make satisfactory financial arrangements. If a student's account is not current, the Financial Aid office will issue a notice describing arrangements that must be made to avoid late payment fees.

Registration Holds

Good financial standing is required to continue as a student for a subsequent semester. Students on financial hold may unofficially register by submitting requested classes to the Registrar but may not attend classes until satisfactory payment arrangements are made.

Students must maintain good financial standing for access to grades or transcripts in printed or online format, and to retain campus housing privileges.

Refunds

Note: Students considering withdrawal from one or more classes should seek advice from an OCU financial aid counselor about the impact a withdrawal may have on federal, state, or OCU financial aid.

Online Campus

Students who withdraw from one or more classes may be eligible for a tuition refund, as shown in the table below.

Refund for Dropped Courses

Before participating in the class 100%
After participating in week 1 of class 80%
After participating in week 2 of class 0%

Ohio Christian University complies with state-mandated refund policies governing refunds. A detailed listing of state-specific refund policies may be found on the Financial Aid page at www.ohiochristian.edu.

Circleville Campus

Room and Board Refunds

Students who withdraw from all classes before the last day to add a class may have room and board charges prorated. A student who withdraws from all classes after that date is usually not eligible for a refund.

Tuition Refunds

Students may be eligible for tuition refund when withdrawing from one or more classes, as shown below.

First Calendar Week	100%
Second Calendar Week	75%
Third Calendar Week	50%
Fourth Calendar Week	25%
Fourth Calendar Week or later	No Refund

Return of Federal Grants & Loans

The federal government mandates that students who withdraw from all classes may keep only aid earned up to the time of withdrawal. A student can complete an official withdrawal by contacting their Academic Advisor. The Academic Advisor will log the date on a withdrawal form which will act as the official document for withdrawal processes. If a student does not complete an official withdrawal, Ohio Christian University (OCU) identifies these students through attendance tracking. A student who misses two weeks of class is flagged as at-risk of withdrawing from the University. University personnel contact the student to determine the student's intent. The result of this process determines the need for a Return to Title IV form.

Both official and unofficial withdrawal OCU processes ensure that any Title IV funds that need to be returned to the Department of Education are completed within 45 days from the date of the institution's determination that the student withdrew.

If the student has federal Title IV aid and fails to complete at least 60 percent of a term, the Financial Aid Office must determine how much of the student's aid, if any, must be returned to the federal aid programs based on the percent of the term the student completed. After the completion of the Return to Title IV calculation, any credit remaining on the account will be applied to any outstanding charges on the student account and the remaining credit will be remitted to the student no later than 45 days after the date of the institution's determination that the student withdrew. If the R2T4 calculation results in an amount to be returned that exceeds the school's portion, OCU will return the amount to the federal programs on behalf of the student and the student must repay the funds to OCU.

A student may be eligible for a post-withdrawal disbursement (PWD) if, prior to withdrawing, the student earned more federal financial aid than was disbursed. OCU must make a PWD of grant funds as soon as possible, but no later than 45 days after the date of the school's determination that the student withdrew If a student is eligible for a PWD for Title IV funds, it will be processed for the student and, if necessary, a refund will be issued within 14 days of the credit balance.

If the PWD includes loan funds, OCU must get the student's permission before it can disburse the loan. Students may choose to decline some or all of the loan funds so that s/he does not incur additional debt. A notice will be provided to the student or parent within 30 days of the date of the school's determination that a student has withdrawn, and the signed, original document must be returned to the University within 14 days.

Ohio Christian University may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition and fees. However, the University needs the student's permission to use the post-withdrawal grant disbursement for all other University charges. If the student does not give his/her permission, the student will be offered the funds. However, it may be in the student's best interest to allow the University to keep the funds to reduce the student's debt at the University.

It is also important to understand that accepting a post-withdrawal disbursement of student loan funds will increase a student's overall student loan debt that must be repaid under the terms of Loan Agreement. Additionally, accepting the disbursement of grant funds will reduce the remaining amount of grant funds available to the student should the student continue his/her education at a later time.

The Return to Title IV calculation may identify Title IV funds that need to be returned to the Federal Government. These funds are returned to the Federal Government no later than 45 days after the date of the institution's determination that the student withdrew. Once the student completes 60 percent of the term, the student is considered to have earned 100 percent of their aid. The term length for the Residential Undergraduate program is defined as the first day of classes through the last day of finals. The term length for Online Campus is defined as the first day a semester starts to the last day of the published end date of the last class. Please visit the course schedule to see the start and end day for each semester.

The federal regulations determine the order in which program funds are returned. Funds returned to the federal government are used to reimburse individual federal programs. Financial aid returned (by the University and/or the student/parent) is allocated, in the following order, up to the net amount disbursed from each source:

- Unsubsidized Federal Direct Stafford loans
- · Subsidized Federal Direct Stafford loans
- Federal Direct PLUS loans
- Federal Pell Grants
- Iraq and Afghanistan Service Grants
- FSEOG Program aid
- TEACH grants

The Title IV aid that is required to be returned to the federal government may result in a balance due to the University. If the student is considering withdrawing

from a class or a University program, they should contact the Financial Aid Office to determine the impact on their financial situation.

Direct Student Loans

Direct Loans are subject to the regulations of the Master Promissory Note signed prior to receiving loan money.

Sample Calculation

The following is an example of how a recalculation could work. This assumes a term of 100 calendar days, excluding breaks of five or more days.

- If 25% of the term has elapsed, 75% of the federal funds must be returned.
- If the student received \$5,000 in federal Title IV aid, \$3,750 must be returned.
- If the school retained all funds to pay for school charges, the school will return all funds.
- If funds were disbursed to the student, the student may have to repay a portion of these funds.

Credit Balance

Disbursement of a credit balance must be requested through and approved by the Financial Aid Department. Funds in excess of the student's charges will only be issued after pending financial aid has been awarded and applied. To receive these funds, students must be actively participating in courses as described in the Attendance Policy.

Online Campus

Students in online programs can reasonably expect to receive a financial aid refund at the end of their second course if the above conditions are met.

Books & Materials

OCU partners with Slingshot Bookstores to provide students with textbooks and course resources. Students are charged a flat rate. The program is designed to save students money, make budgeting easier, and allow students to focus more time on coursework and learning. When possible, materials are provided in a digital format.

Printed Materials

• <u>Circleville Students:</u> When printed course materials are provided, they are available in the OCU bookstore just prior to the start of the semester. At the end of the semester students should return the materials to the OCU bookstore. Late charges apply if materials are not returned on time.

• Online Students: When printed materials are provided, they are shipped to the address requested by the student. To ensure timely arrival, update address changes in SONIS 21 days before the class begins.

At the end of the course, return the materials using the Slingshot Bookstore envelope enclosed when the course materials were shipped. Late charges apply if materials are not returned on time.

Costs

- Students pay \$10 per credit hour (\$30/3 hour course).
- Online students pay taxes and a \$14.99 shipping and return postage fee when printed materials are provided. This fee is not assessed for courses with purely online resource materials.
- Students who choose printed course materials over electronic resources pay an additional \$9.99 per credit hour. When available, Slingshot Bookstore will deliver printed material to students enrolled in this option. At times, the only materials available are electronic.
- When possible, book procurement fees will be paid from the student's financial aid, after tuition costs have been met.
- Students can buy the materials for the difference between the rental and purchase price.

The University's objective is to provide textbook services at or near cost. The materials fee is reviewed periodically to ensure that costs align with fees.

Opting Out

Students who prefer to order their own textbooks and course materials may opt out of this program. For information contact onlineservices@ohiochristian.edu.

Returning Books or Course Materials

Should it become necessary for a student to withdraw from a course, all eligible books and materials should be returned immediately. Students should not keep course materials to use when the course is taken later, since different materials may be required at that time.

Refunds

- To receive a refund on course materials, the student must have officially withdrawn from the course.
- The materials fee refund mirrors the tuition refund.

Before participating in the class 100% After participating in week 1 of class 80% After participating in week 2 of class 0%

 Students must contact Slingshot Bookstore Customer Support within one week of dropping the course (1-888-392-2930) to authorize the return and receive a prepaid shipping label.

- After the return is authorized, students have five business days to ship the item(s) back.
- No opened software will be refunded.
- Shipping and handling costs are not refunded.

Financial Aid SAP

Students must make Satisfactory Academic Progress (SAP) towards earning a degree as stipulated below to receive financial aid at OCU from all federal and state student aid grants, Work Study, and loan programs. Some additional grants and scholarships may also use part or all of the SAP standards as criteria for funding eligibility.

Requirements for SAP Good Standing

The table below shows guidelines related to GPA and time allowed for program completion.

Designation of Grade Definition

Graduate students

- Attempted credit hours and considered to be successful completed: A, A-, B+, B, B-, S, and P.
- Attempted credit hours and not considered to be successful completed: C+, C, C-, D+, D, D-, F, FA, WF, W grade with EN enrollment code, WP, and U.
- Credit hours not considered attempted: NC, AU, and W with a WD enrollment code.

Undergraduate students

- Attempted credit hours and considered to be successful completed: A, A-, B+, B, B-, C+, C, C-, D+, D, D-, S, and P.
- Attempted credit hours and not considered to be successful completed: F, FA, WF, W grade with EN enrollment code, WP, and U.
- Credit hours not considered attempted: NC, AU, and W with a WD enrollment code.

All students

- Clarification on how each grade and enrollment code affects the qualitative (GPA) component of the SAP calculation can be found in the Grading System chart beneath Graduate Student Policies in the Academic catalog.
- GPA will not be rounded. Pass rate completion percentage will be rounded to the nearest whole number.
- Courses that receive an earned "W" grade, as listed above, and have an EN enrollment code where a student remained past the add/drop period are considered in the quantitative (Pass rate percentage) analysis but not in the qualitative (GPA) analysis. These courses cannot be excluded while performing the SAP evaluation.

- The Financial Aid SAP committee will contact the registrar in the event of a temporary I grade to determine when this will be moved to a different grade so SAP can be recalculated after the grade has been updated. The deadline for submitting course work for an incomplete course is six weeks from the end date of the course as noted in SONIS. The instructor and associate dean will submit a new final grade based on all work turned in by the extended deadline. This final grade change will be sent to the registrar to confirm, and SAP will be re-evaluated at that time.
- Courses that are repeated will count toward attempted and if a passing grade is received, completed credit hours. The better grade will count toward the cumulative GPA standards.
- Changes in degree programs have no effect on SAP. The student must always maintain SAP.
- Pursuit of a second degree has no effect on SAP. The student must always maintain SAP.

Financial Aid SAP will be measured annually. Students previously in good standing will be placed on Financial Aid suspension if the minimum SAP standards are not met. This notification of failure to maintain SAP will be delivered in writing to the individual. Aid eligibility will resume when the student raises his or her cumulative academic measurements to the required levels or has a Financial Aid SAP Suspension appeal approved. Financial Aid suspension may be appealed if unusual and/or mitigating circumstances affected their academic progress. Such circumstances may include severe illness or injury to the student or an immediate family member, the death of a student's relative, student activation into military service or other circumstances as deemed appropriate for consideration by the Financial Aid SAP Appeals Committee. A student may submit only one appeal. The student must submit a legible letter, a completed Financial Aid Appeal Form, and supporting documentation to the OCU Financial Aid Office. These must explain in detail why the student failed to meet the minimum academic standards, what unusual and/or mitigating circumstance contributed to the failure, and how the situation has changed to allow the student to meet Financial Aid SAP requirements by the next

calculation. Appeals must be received by the Financial Aid Office no later than 15 business days before the end of the term for which reinstatement is desired. Early appeal submission is strongly encouraged. A committee will review the appeal and will notify the student in writing of their decision. If an appeal is approved, the student will be placed on financial aid probation and will temporarily regain Title IV eligibility for one payment period. If the committee determines, based on the appeal, that the student will require more than one payment period to meet progress standards, they may place the student on probation and develop an academic plan for the student. OCU must review the student's progress at the end of one payment period as is required of a student on probation status, to determine if the student is meeting the requirements of SAP or the approved academic plan. Continuation of eligibility will be contingent upon the student demonstrating improved academic merit achievement as outlined by the Financial Aid SAP requirements or the Appeals Committee's Academic Plan. Failure to regain Title IV eligibility or Title IV eligibility re-instatement will be communicated to the student in writing.

If, after a student has been placed on Financial Aid suspension, an appeal is not submitted or has been denied by the SAP Appeals committee, the student is no longer eligible for Title IV aid until the student improves their GPA and/or Pass Rate Completion percentage to maintain SAP requirements.

Transfer students with no grade history at OCU will enter on Financial Aid SAP good standing. A Financial Aid SAP calculation, including transfer hours applicable to the current degree pursuit and OCU hours earned, will be run at the next scheduled increment.

Requirements for SAP Good Standing	Undergraduate Residential Teacher Ed & Music Ed		Undergraduate all other programs	Graduate		
Hours Attempted	1-16	17-32	33-48	49+	Any	Any
Required GPA	2.0		2.7	3.0	2.0	3.0
Minimum Pass Rate (Percentage of Hours Successfully Completed)				679	%	
Maximum Credit Hours or Time Allowed for Completion of Current Primary Degree Requirements	150% of the specified degree program's published length.					

Financial Aid Timeline

Circleville Campus

October

- Complete the FAFSA (www.studentaid.gov).
- Designate OCU (School Code 003030) as a recipient.
- Electronically sign the FAFSA with your FSA (Federal Student Aid) ID and password.

December

- Carefully check the report from the federal processor for errors and contact the OCU Financial Aid Department to correct any errors you find.
- Apply for outside or third-party scholarships.

March

- Look for a summer job. Most students need to contribute to school expenses. Do not depend on loans for income during college!
- Complete Financial Aid Decision form with Admissions.

May

- Notify the Financial Aid Office of anticipated scholarships from outside sources. This helps finalize the financial aid package for the coming school year.
- Check with your church about a Church Matching Grant. OCU will match church donations toward any student's education, up to \$500 per semester. Forms are available in the Financial Aid Office and online.

June

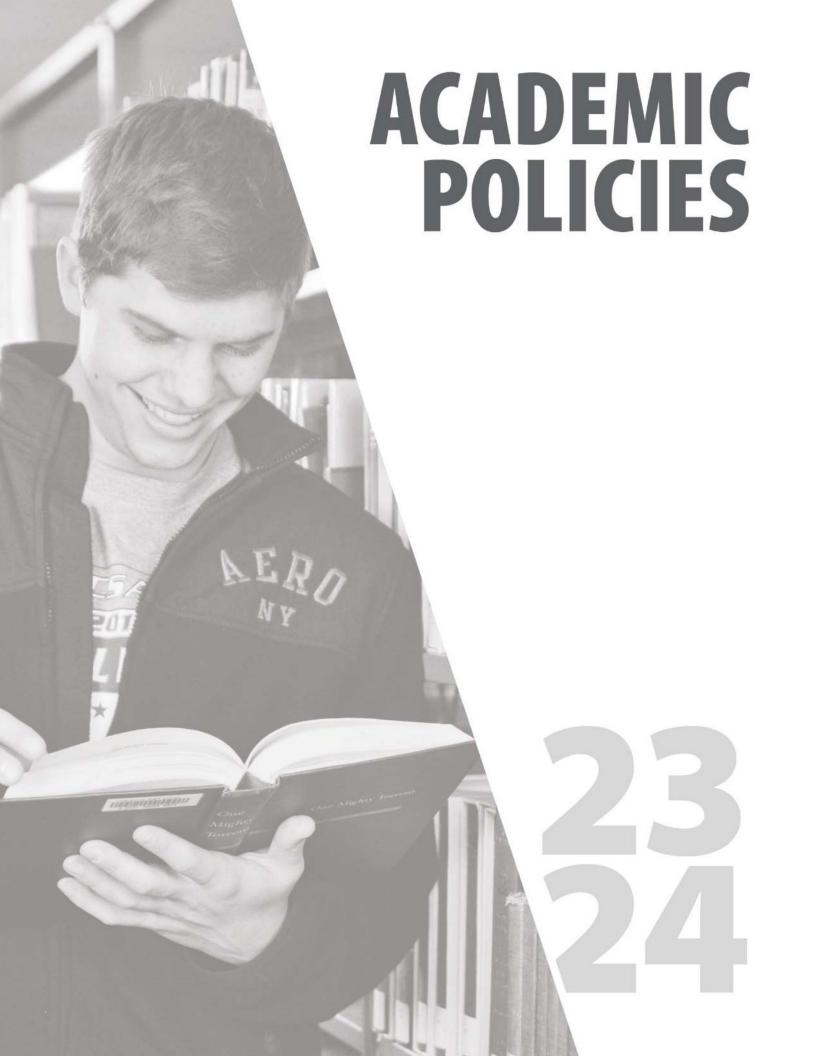

- Review and sign the award letter and billing statement in the Financial Aid Award Package mailed from the Financial Aid Office.
- Finalize plans to pay costs remaining after financial aid has been applied. Due August 1.
- If accepting Federal Direct Loans, complete the master promissory note and entrance counseling at www.studentloans.gov. The Department of Education requires this step for student borrowers.

August

 Make payment arrangements for out-of-pocket costs by August 1.

Academic Policies

Registration

Student Records

Students are responsible to maintain current contact information in SONIS. Enter updates under the Update Bio tab or complete the Name Change Request (ohiochristian.edu/registrar/forms).

Advising

Advisors offer guidance for registration, degree programs, and other academic questions. While advisors assist students in selecting courses to fulfill program requirements, responsibility for meeting graduation requirements belongs to the student.

Registration

Online Campus

Online students should register at the beginning of the last course of the current semester by contacting the Online Academic Advising Team via AGSadvising@ohiochristian.edu to receive a schedule proposal for approval. Once the student approves the schedule proposal via email the classes are added.

Circleville Campus

Advising and Information

Each semester, registration appointments with a faculty advisor are made available to all students. For information visit the University Registrar page on the OCU website, or contact the University Registrar's Office:

- registrar@ohiochristian.edu
- 740.500.0465 (text)
- 740.477.7780 (phone)

Course Load

See the Undergraduate or Graduate Student Policies section for course load guidelines.

Schedule Change

Impact of Changes

Financial Charges and Refunds

Students are responsible for charges resulting from schedule changes. Adding a course may result in additional charges. Dropping or withdrawing from a course may result in the loss of financial aid. Other changes result in a refund. Because of this potential impact on a student's account, some registration changes require Financial Aid approval.

Academic Progress

Students should consider the impact dropped courses have on their academic progress. Dropping courses can impact a student's completion rate, ability to graduate on time, and financial aid.

For more information, see Academic Progress in this section of the catalog and Satisfactory Academic Progress in the Financial Aid section.

Circleville Campus

Class schedule changes are made via the Change of Schedule (ohiochristian.edu/registrar/forms). See the Academic Calendar for the last day to make each of these changes.

Adding, Dropping or Withdrawing from a Course

Students may add or drop courses during the semester's registration period. (Dropped courses are removed from the academic transcript.) Course rolls are closed after the add/drop period, after which students may withdraw from a course until the day indicated on the Academic Calendar. Withdrawn courses remain on the student's transcript. A grade of W is assigned until the last day to withdraw with a W, after which instructors assign either WP or WF. W and WP grades have no effect on a student's GPA. The WF grade is equivalent to an F.

Withdrawing from OCU

Students may withdraw from OCU by completing the Withdrawal Request, available at the Registrar's Office. Completing the withdrawal process may help avoid negative academic and financial consequences.

Online Campus

Withdrawing from a Class

To make schedule changes contact an academic advisor via AGSadvising@ohiochristian.edu. Students may drop a course until the class has begun or withdraw from a course with a grade of W until the last day of the course as noted in SONIS. After the beginning of the semester the standard drop fee is assessed.

Administrative Schedule Changes

The university may at times change a student's course schedule. These changes should be rare but are made to provide a better learning experience, adjust for academic probation limits, eliminate disruptions, or maintain financial viability for the institution. Such changes may significantly affect students' course scheduling plan.

Auditing

Enrollment for audit credit is available only through the Circleville Campus.

Independent & Directed Study

Directed Study

At OCU, directed study means a course offered in our current curriculum, taught by individual instruction. Students who need a course before its next scheduled offering may request permission to take it directed study.

<u>Circleville Campus:</u> This option is available to Juniors and Seniors enrolled in bachelor's degree programs only. Students may not choose the directed study option for a course failed previously.

Online Campus: A directed study course is offered through the learning management system and scheduled for the same duration as the course on which it is based. Classes with small enrollment may be administratively converted to directed study at no extra cost to the student. Directed study courses should be requested at least two weeks ahead of the preferred start date.

Independent Study

Independent study is for students who want to research a topic relevant to their program when a similar course is not available in the current academic catalog. If a course from the current Academic Catalog addresses the desired topic of study, the student should enroll in the existing course. To be eligible, students must be juniors or seniors in a bachelor's degree program, and have a 3.0 or higher cumulative GPA.

How to Enroll

<u>Circleville Campus:</u> Complete the appropriate request form, available from the University Registrar's Office or at ohiochristian.edu/registrar/forms.

Online Campus: Submit a request to your academic advisor (agsadvising@ohiochristian.edu).

Fees

Students pay the per-credit-hour directed study fee in addition to tuition.

Course Engagement

Students who engage at a high level in each course benefit personally and contribute to the academic community. Significant materials, insights, perspectives, and opinions are gained from class sessions and assigned work. Students are expected to participate fully in homework, discussions, and other class activities.

Definition of a Credit Hour

A credit hour is an institutionally established equivalency for an amount of work represented in intended learning outcomes and verified by evidence of student achievement. A credit hour reasonably approximates:

- Not less than one hour of classroom or direct faculty instruction, and a minimum of two hours student work outside class each week, for approximately fifteen weeks, or the equivalent amount of work over a different amount of time.
- Alternatively, an amount of work equivalent to the previous definition, replacing a portion of the direct faculty instruction with appropriate academic activity such as laboratory work or other learning activity established by the institution.

Hybrid Courses

Hybrid courses meet in-person during the first and last week of the course. The remaining work is done online.

Attendance Definitions

In-person Courses

Students are expected to be present when class begins and remain the entire session. Students who arrive more than 30 minutes late or leave more than 30 minutes before the end of a class session are tardy.

Online Courses

To be counted present in an online course, students participate in weekly activities such as posting in forums and completing assignments. Students who participate in a graded discussion or submit a graded assignment within a week are counted present. The week is measured from the day the class starts (usually Tuesday through Monday).

Hybrid Courses

When courses employ a blend of online and onsite delivery, these attendance policies apply to the appropriate portion of the course.

Absence Limits

Online Campus

Number of Weeks	Meetings per Week	Allowed Absences
4 to 6 weeks	1 per week	1
8 weeks	1 per week	2

Withdrawal for Non-attendance

Online Campus students who are absent two or more times in a 5- or 6-week course, or three or more times in an 8-week course, are automatically withdrawn from the course. Students who do not plan to attend any part of a course should contact their academic advisor to be withdrawn from the course. The student's account will be credited for the tuition.

University-sponsored Events

If a team qualifies for post-season play (i.e., National Tournament), an exception will be made to the attendance rule while the team is engaged in tournament play. If a student in good academic standing must miss more than the allowed absences for university-sponsored events, the necessary absences will not be counted against them. Faculty members are asked to provide an alternative option to missed participation points.

Military Deployment

In keeping with Ohio Christian University's military-friendly policies, faculty reasonably accommodate reserve and active military personnel when deployment interferes with normal attendance or assignment submission.

For guidelines see Military-friendly Attendance and Assignment Policy under Appeals later in the Academic Policies section of this catalog.

Circleville Campus

Number of Weeks	Meetings per Week	Allowed Absences
15-week Semester	1 per week	3
	2 per week	6
	3 per week	9
	4 per week	12

Alternative meeting days (such as a special speaker's event), or assignments in lieu of class meetings count as one of the meeting days in the attendance policy. Students who do not complete these assignments will be counted absent.

Absences are prorated for courses that meet fewer times. For example, if a 2-day-per week course meets 9 weeks instead of 15, the allowed absences would be $9/15 \times 6$ allowed absences, or 4 absences. The limit is published in the syllabus.

Failure Due to Excessive Absences

If for any reason a student misses more than the allowed absences in a Circleville campus course, the student automatically fails the course unless an appeal is approved. The appeal form is available at the University Registrar's office, or ohiochristian.edu/registrar/forms. Appeals must be submitted by the last day of regular classes (before final exam week).

Makeup Work

Tests and other work may be made up when an absence is beyond the student's control (e.g., university-sponsored field trips, athletics, or music or drama presentations; hospitalization; death or hospitalization of an immediate family member). However, all absences remain a part of the student's attendance record and count toward the total allowed absences in a class.

Absence Appeal

An absence appeal may be filed when extenuating circumstances lead to more than the allowed absences. See the instructions under the heading Appeals, later in the Academic Policies.

Veteran Attendance Reporting

The Veterans' Administration places responsibility on participating veterans to meet the University's established attendance policy. It is the responsibility of the University to report to the Veterans' Administration veterans who are not progressing satisfactorily. This is especially true in the case of withdrawal or when a student ceases attendance and participation in the course (unofficial withdrawal). Instructors must be prepared, on request, to report the last day of attendance of any veteran student.

Instructor Absence

Circleville Campus / 15-week Courses

In the event of the unannounced absence of an instructor, students should wait at least ten minutes from the scheduled beginning time. Students should not leave if they have been notified that the instructor will arrive late.

Online Campus / Hybrid Class Meetings

Should an instructor be late for an in-person class session of a hybrid course, students should wait at least 30 minutes to avoid being counted absent. If the instructor does not arrive, the missed hours will be made up through additional class meeting time or assignments.

Cancellation of Class Meetings

When possible, school closing or class cancellation will be determined at least 3 hours before classes are scheduled to begin.

- Students are notified through OCU email and, when possible, by telephone. School cancellation is also posted on the OCU website and in the learning management system.
- When classes are canceled, professors will contact students regarding make-up work.
- If classes are not canceled, students must make decisions related to their own attendance based on the attendance policy.

Online Campus Homework

Hybrid Course Meetings

For the in-person sessions of a hybrid course, all assignments must be turned in by 6:30 p.m. the night of class. Some course finals are due 7 days after the end date of the course to provide students the opportunity to use information they learn from the last session of the course.

Online Courses

Most assignments are due the last day of each school week; for example, a Tuesday to Monday school week requires all assignments to be submitted by 11:59 pm Eastern Time each Monday. Some course finals are due 7 days after the end date of the course to allow for use of information from the last session of the course.

Late Submission

If an instructor is willing to accept late assignments, the following deductions apply:

- 10% deduction up to 1 day late
- 20% deduction 2 days late
- 50% deduction 3-7 days late
- Assignments submitted on or after the 8th day will not be graded and will earn no credit.

Visitors in the Classroom

Children

Due to distractions (real or potential) associated with the presence of minor children in the classroom setting, no minor children are permitted in class sessions.

Classroom Assistance

Students who need temporary special assistance (such as someone to help carry class materials or take notes due to an injury), should obtain permission from the dean via email or through a written statement prior to the course start.

Transfer Credit

Eligibility for Transfer

Eligibility for transfer credit depends on:

- The accreditation of the school.
- The grade earned in the course.
- Requirements in the student's degree program.
- The percentage of courses that must be earned at OCU.

Program Requirements

To be eligible for transfer, courses must satisfy a requirement in the student's degree program, including the General Education core, major, concentration, electives, or other program component.

Grade

These minimum grades apply for transfer courses. Some programs require a higher grade for courses in the major.

• <u>Undergraduate</u>: C- (1.7) or higher

• Graduate: B (3.0) or higher

Accreditation

Accredited schools: OCU recognizes the accreditation of post-secondary institutions accredited by or holding official candidacy status with a CHEA-recognized accrediting body.

Military service: OCU recognizes formal military service school courses and may also grant credit for occupational specialties held in the armed services. When evaluating DANTES courses and DSST exam results, the University follows guidelines established in the Guide to the Evaluation of Educational Experience in the Armed Services, published by the American Council on Education.

Foreign transcripts: Transcripts from foreign institutions must be evaluated by an agency approved by the National Association of Credential Evaluation Services (NACES, www.naces.org). For more information see the heading International Students in the Admissions section of this catalog.

Bible and theology courses: Courses are accepted to fulfill Bible and Theology general education core requirements if they were earned at ABHE or Council of Christian Colleges and Universities institutions. Others may be accepted on appeal.

Non-accredited schools: Students may transfer courses from unaccredited schools after earning a minimum GPA during probationary study at OCU.

Transfer Limits

The following describes the limits for transfer of credit into OCU's degree programs.

Accredited Schools

Level	Maximum Transfer	Typical Length	Limit
Associate	75%	60	45
Bachelor's	75%	120	90
Master's	25%	36	9

Non-accredited schools

Level	Maximum Transfer	Typical Length & Limit		Required GPA
Associate	49%	60	29	2.0 GPA after 15 credit hours
Bachelor's	49%	120	59	2.0 GPA after 30 credit hours
Master's	25%	36	9	3.0 GPA after
Master 3	Courses must not be more than 10 years old			18 credit hours

Courses Not Eligible for Transfer

- Remedial-level courses.
- Information Technology programs do not accept courses more than five years old.
- Graduate programs do not accept for transfer courses applied toward a previously conferred degree.
- Other limits for transfer credit are described under Graduation: Residency in the Academic Policies section of this catalog.

First Year Experience Exemption

Circleville Campus

Some transfer students are exempt from taking OCU1000 First Year Experience.

- Transfer students with 12 or more eligible transfer hours and a 3.0 GPA may substitute an hour of general elective credit for FYE.
- College credits earned before high school graduation do not count toward this exemption.
- Students with fewer than 12 transfer hours may transfer a similar course from another institution.

Additional Programs

Guidelines

Options are available for adding depth and breadth to a student's program of study. These options include certifications, concentrations, and additional majors.

Overlap Between Programs

Completing an additional program of study assumes significant additional academic work. Where course requirements overlap, additional coursework may be required to ensure significant learning in each completed program.

Transcription, Diploma, and Graduation

Each major, minor, concentration, certificate, or other degree component is notated on the student's transcript.

Students who complete a certification receive a printed certificate. Students who hold an OCU degree and complete an additional associate or bachelor's program at a later date, are issued a new diploma, and are eligible to participate in the graduation ceremony. In all other cases (such as graduating with multiple majors or adding components to a degree at a later date), a separate diploma is not issued, and the student does not qualify to participate in an additional graduation ceremony.

Options

Additional Bachelor's Degree

Please note: A master's degree is usually more advantageous than a second baccalaureate degree.

Students who hold an earned baccalaureate degree from an accredited* post-secondary institution may earn a second bachelor's degree by completing a minimum of thirty (30) additional credit hours from OCU and fulfilling all requirements associated with the second bachelor's degree program, including the residency requirement. Students returning to OCU after earning a bachelor's degree must apply for readmission and enter under the catalog in effect at the time of readmission. Completion will result in a notation on the transcript, but a new diploma will not be issued.

Students holding a baccalaureate degree from a non-accredited school may transfer course work toward the second degree under the guidelines for transfer from non-accredited schools.

*For a description of post-secondary institutions whose accreditation is recognized by OCU, please see the heading Accreditation under Transfer Credit in the Academic Policies section of this catalog.

Additional Major

Students may earn an additional major as part of a bachelor's degree by completing the requirements of each program, including the residency requirement.

If the second major overlaps with the original major so that it is impossible for students to complete the standard courses in the second major, the associate dean of the school must approve an alternative schedule of courses equivalent to the number of credit hours for the second major. The supplemental courses may include independent study courses in the major area or courses from other disciplines aligned with the second major.

To add a major after a bachelor's degree has been awarded, students must follow the process for earning an additional bachelor's degree.

Minors, Concentrations and Certificates

Minors

- Minors are available only in connection with a bachelor's degree, and must be completed at the same time. A minor will not be awarded for work completed after the student graduates.
- Typically, the minor is in an area of study different from the student's major.
- The additional minor requires at least 15 hours of credit unique to that minor. (No course can be counted for both a minor and a major.)

• To qualify for the minor, students must earn at least a grade of C (2.0) in each course, and complete at least half the course requirements at OCU.

Concentrations

- Concentrations are available as a component of the bachelor's or master's degree with which they are presented in the catalog.
- Concentrations add breadth to a major field of study and so fall within the student's major academic area.

Certificate Programs

- Certificates are available as a stand-alone program.
- Certificate courses may satisfy elective requirements.
- Certifications are awarded at the student's request on completion of the required courses.
- Students must earn a grade of C- or above to count coursework toward completion of the certificate.
- Students who are completing a certification independently from a degree program are not eligible to participate in the graduation ceremony.
- Required courses are offered on a 2-year cycle.

Course Substitution

Course substitution within a minor, concentration, or certificate program is under the jurisdiction of the school offering the program.

After Completion of the Baccalaureate Program

To add one of these programs after a baccalaureate degree has been completed, the student must apply for readmission and meet the requirements of the catalog in effect at the time of readmission.

Grades

Grading System

See the heading "Grading System" in the Graduate or Undergraduate sections that follow.

Posted Grades

<u>Circleville Campus:</u> Grades are posted in SONIS at midterm and at the end of each semester.

Online Campus: Grades are due from the instructor 7 days after the end of the course, and are usually posted within a week.

<u>All Campuses</u>: Professors have 30 days during which to make changes once grades are finalized. Thereafter, an associate dean must approve grade changes.

Incomplete Grades

Eligibility

A student may request an incomplete grade when extenuating circumstances, such as military service, hospitalization, or death in the immediate family prevent them from finishing course work on time. To qualify for an incomplete, the student should demonstrate that over fifty percent of work has been completed.

Requesting an Incomplete

<u>Circleville Campus</u>: Students may request an incomplete grade (I) by submitting the Incomplete Grade Request form available online or in the Registrar's Office.

Online Campus: Students may request an incomplete grade by emailing appeals@ohiochristian.edu. The request should include documentation of an extenuating circumstance that led to the need for an incomplete. The request should be submitted no later than the last week of the course, or if the emergency occurs in the last week of the course, no later than 14 days after the end of the course as noted in SONIS.

Completing the Course

Alternative Assignments

When an incomplete is approved, alternative assignments will be provided for participatory activities such as team exercises and online discussions. For 5- and 6-week courses the incomplete applies only to the portion of the course affected by the circumstances on which the appeal is based. Assignments for class sessions prior to the approved date may not be made up.

Time for Completion

The deadline for submitting work is six weeks from the end date of the course as noted in SONIS. The instructor will submit a final grade based on all work turned in by the extended deadline. To extend this deadline the student must appeal a second time.

Academic Progress

To remain in good academic standing, degree-seeking students must demonstrate adequate progress toward completing a course of study.

Students should also refer to Satisfactory Academic Progress in the Financial Aid section of this catalog.

Classification of Students

Upon admission, and after each semester, students are classified by the number of credit hours earned at and transferred to OCU.

 Freshman Fewer than 30 semester hours Sophomore 30-59 semester hours Junior 60-89 semester hours Senior 90 or more semester hours

Unclassified Students

Students not enrolled in an academic program are not assigned class standing.

OCU1100 Requirement

Online Campus Only

Most Online Campus students are required to complete OCU1100 Academic and Technology Skills for College during their first semester. When it is required, students must successfully complete OCU1100 at the first attempt, or re-enroll at the earliest opportunity. A student who does not pass the course on the second attempt will be dismissed.

GPA Probation and Suspension

To earn a degree from OCU, students must achieve a minimum grade point average. To ensure students stay on track to earn the required GPA, OCU requires students to maintain a GPA that shows progress toward successful program completion. Students who do not meet these standards are placed on academic probation or suspension. This status is recorded on the transcript.

For specific requirements, see Undergraduate GPA Requirements, or Graduate GPA Requirements later in this catalog.

Academic Recovery

Appealing Academic Suspension

OCU encourages academically suspended students to engage in the academic appeal process, through which students establish a plan for academic recovery. See the heading Appeals later in this section.

Replacing Low Grades

Students may repeat any course. The previous course remains on the transcript, but the higher grade is used in the cumulative GPA.

Segmented Transcript

A student who re-enrolls at Ohio Christian University after an absence of six or more years may petition the Academic Committee to have the transcript segmented. If the petition is approved:

- All courses and grades remain on the transcript, and all earned hours count toward graduation.
- Grades earned before segmentation are temporarily excluded from the cumulative grade-point average.
- The GPA for classes completed after segmentation determines academic status.
- On consideration for entrance to academic programs, or eligibility for scholarships and honor societies, the relevant officials or committees may, at their discretion, rely on the grade point average for the segmented portion, or for the total transcript.
- Segmentation may only be applied once.

Graduation after the Transcript Is Segmented

- A student must complete at least 30 additional semester hours at Ohio Christian University before graduation.
- The entire academic record will be considered when determining if the student has met the minimum requirements for graduation. The GPA will be recalculated, including the grades temporarily ignored through segmentation.

Leave of Absence

To be granted leave, the student must contact their advisor. Leave will only be granted to students who schedule a course within six months of their most recent course.

Academic Integrity

Students are expected to be honest in all academic work and are responsible for their own work for course requirements. Scholastic dishonesty is a violation of academic standards and biblical teachings and an affront to other students and the faculty.

Definition

Violations of the Academic Integrity policy include, but are not limited to:

- Cheating on assignments and tests, such as
 - o obtaining quiz or exam questions in advance
 - o providing information to others about a quiz or
- o looking at a cell phone during a quiz or exam

- Turning in an assignment which in part or whole was generated by another person.
- Turning in an assignment which in part or whole was generated by an AI content generator.
- Using auto-paraphrasing tools.
- Providing work to another student to submit as his or
- Plagiarism: Using or copying someone else's words, ideas, opinions, theories, or work and passing them off as one's own (i.e., without crediting the source).
- Uploading or downloading course materials or information on sites known to assist in cheating, such as Course Hero or Chegg.
- An act that violates the rights of other students by hindering their completion of academic assignments (e.g., deliberate withholding of necessary academic material, or willful harm to another student's work).
- Self-plagiarism: Reusing or resubmitting previously written work as though it were newly and specifically completed for the current assignment. Examples of self-plagiarism and additional information on this topic are available in the Student Toolkit in the learning management system. If a student has concerns about self-plagiarism or would like to use past work in a present course (i.e. continue a research study), it is the student's responsibility to discuss the plan with his/her professor beforehand.

Sanctions

Academic Integrity violations are reported to the Provost' Office to be recorded in the student's permanent file.

<u>Undergraduate</u>

- First offense: The student will earn a zero grade on the assignment. This could result in failure of the course, depending on the significance of the
- Second offense: The student will fail the course and be placed on academic probation.
- Third offense: The student will fail the course and may be suspended from Ohio Christian University.

Graduate

- First offense: The student will fail the course and be placed on academic probation
- Second offense: The student will fail the course and be suspended from Ohio Christian University.

Readmission

• Students suspended under this policy may petition for readmission after a semester absence.

Additional Offense

 Returned students found to have committed another cheating offense will be permanently expelled.

Identity Fraud

A student who retains a third party to complete assignments or exams on the student's behalf has committed identity fraud. Identity fraud will result in immediate dismissal.

Appeals

A student who believes a charge of violating the academic integrity policy to be unjust, or who believes a penalty for such is unfair, may submit an appeal to honestypolicy@ohiochristian.edu.

Graduation

Requirements

Please contact the University Registrar's Office for help with graduation questions (740.477.7780 or registrar@ohiochristian.edu).

To graduate, students must achieve the following:

- Meet the minimum GPA requirements outlined under the Academic Progress heading in this Academic Policies section.
- Earn the total minimum credit hours for the program

 Associate degrees: 60 credit hours o Bachelor's degrees: 120 credit hours

- Satisfy all requirements in an approved program of study and the general education core requirements for the degree sought.
- Students enrolled in bachelor's programs must earn at least 30 credit hours of 3000-level or higher course work, which may be distributed between the major, General Education Core requirements, and electives.
- · Make satisfactory arrangements for all financial obligations to the University.
- Complete required testing.

Ohio Christian University reserves the right to deny graduation to any student whose character is contrary to the testimony, doctrine, and standards of the University.

Applicable Catalog

When auditing students for graduation, the applicable catalog is usually the catalog current at the time of

enrollment in the chosen program (provided it has been no more than six years for a bachelor's degree program or three years for an associate degree program). When students change degree programs or re-enroll after an absence, the catalog current at the time of reenrollment will normally apply. Students may choose to graduate under the requirements of a more recent catalog.

Online Programs

Online students who do not take a course for six months will re-enroll under the requirements of the catalog current at the time of re-enrollment.

Please note: Students who remain unenrolled for 12 months or more must complete the application process before enrolling in a course.

Changes in Requirements

Graduation and curriculum requirements are subject to change, due to program development. While curricula published in this catalog serve as a guide to planning, students must work with an advisor to ensure awareness of current requirements. Effort is made to minimize the effect of such changes on students and to communicate with students in a timely, reasonable manner.

Residency

Students must earn a minimum number of credit hours through OCU, earn their final hours in residence, and earn at least 50% of the major hours from OCU.* Transfer courses and credit earned through Prior Learning Credit do not count toward residency requirements. See the table below for specific requirements.

*The IDS major is exempt from the 50% rule.

Program Level	Minimum Credit Hours from OCU	Final Credit Hours from OCU
Associate	15	12
Bachelor's	30	12
Graduate	75%	N/A

Applying to Graduate

How to Apply

Complete the Graduation Application, found in SONIS under Forms.

When to Apply

Online students should apply for graduation when they enroll for the final semester of a degree program.

<u>Circleville Campus students</u> should request a graduation audit before enrolling for the final 30 credit hours of their program. This process documents the final requirements needed to complete the degree program and helps ensure

timely completion of the program. Students should complete the graduation application during the semester before they plan to graduate.

Degree Conferral

Degree conferrals are processed as students complete their programs, typically within 90 days of the student's final course. Students whose degrees have already been conferred are encouraged to participate in the annual commencement ceremony conducted each spring.

Summer Graduates

Students who are close to completion may participate in spring graduation ceremonies

Circleville Campus

- Any student with no more than six credit hours remaining to complete the degree, who is registered to complete all remaining requirements by August 1.
- Student teachers who are scheduled to complete student teaching in the next fall semester may walk in the spring commencement prior to completion of the Clinical Experience.

Online Campus

To participate in the spring graduation ceremony, Online Campus students must be registered to complete all remaining program requirements before the end of the spring semester.

Student Rights

FERPA

Students' Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA), a Federal law, gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.

With certain exceptions FERPA requires Ohio Christian University to obtain a student's written consent prior to the disclosure of personally identifiable information from their education records.

Directory Information

In accordance with FERPA guidelines, OCU has designated the following items as directory information:

- Name
- Current enrollment
- · Local address as a student
- Permanent address as a student
- Local telephone number
- E-mail addresses
- Dates of attendance
- Class standing (e.g., sophomore)
- Schedule of classes
- Previous institution(s) attended
- Field(s) of study
- · Awards and honors
- Degree(s) and date(s) conferred
- Full-time or part-time status
- Photographic or videotaped image
- Past and present participation in officially recognized sport and activities, and physical factors of athletes (e.g., height, weight).

Directory information is generally not considered harmful or an invasion of privacy if released. The freedom to publish directory information allows OCU to include a student in publications such as honor roll lists, graduation programs, and sport news.

Students who do not want OCU to disclose directory information may notify The OCU Registrar's Office in writing. The notification must be renewed each semester and submitted by the first day of classes.

While the directory information hold is in effect, a signed consent form is necessary each time the student wants that information released. For example, students may sign a consent form to be included in a school publication.

Other Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain other rights with respect to education records. These rights are:

- The right to inspect and review their education records within 45 days of the day the college receives a request for access. The student may submit to the University Registrar's Office a written request identifying the record(s) they wish to inspect. The Registrar will arrange access and notify the student of the time and place where the records may be inspected. The Registrar will advise the student whom to contact in the case of records maintained by other offices.
- The right to request the amendment of a student's education records that they believe to be inaccurate or

misleading. Students may request that the university amend a record they believe is inaccurate or misleading. Students should write the official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested, the student will be notified of the decision and advised of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided when a student is notified of the right to a hearing.

- The right to consent to disclosures of personally identifiable information contained in a student's education records, except to the extent that FERPA authorizes disclosure without consent.
- FERPA allows disclosure without consent to school officials with legitimate educational interests in the information. A school official is a person employed by the university in an administrative, supervisory, academic, or support staff position (including security and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.
- On request, the university also is permitted to disclose education records without consent to officials of another school in which a student seeks or intends to enroll
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The complete regulations and full definitions of terminology are at the FERPA page on the U.S. Department of Education website. If a student has other questions about FERPA they may visit the website of the Family Policy Compliance Office or write to them: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue SW Washington, DC 20202-4605

Health and Safety Emergency Exception

FERPA permits non-consensual disclosure of education records, or personally identifiable, non-directory information from education records, in connection with a health or safety emergency under § 99.31(a) (10) and § 99.36 of the FERPA regulations. In particular, § 99.36(a) and (c) provide that educational agencies and institutions may disclose information from an education record "to appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the

health or safety of the student or other individuals" and that the exception will be "strictly construed." Congress' intent that the applicability of this exception be limited is reflected in the Joint Statement in Explanation of Buckley/ Pell Amendment, 120 Cong. Rec. S21489 (Dec. 13, 1974).

Accordingly, the U.S. Department of Education consistently has limited the health and safety exception to a specific situation that presents imminent danger to a student, other students, or other members of the school community - or to a situation that requires the immediate need for information from education records in order to avert or diffuse serious threats to the safety or health of a student or other individuals. For example, the health or safety exception would apply to nonconsensual disclosures to appropriate persons in the case of smallpox, anthrax, or other bioterrorism attack. This exception also would apply to nonconsensual disclosures to appropriate persons in the case of a major terrorist attack. However, any release must be narrowly tailored considering the immediacy, magnitude, and specificity of information concerning the emergency. As the legislative history indicates, this exception is temporally limited to the period of the emergency and generally will not allow for a blanket release of personally identifiable information from a student's education records.

Under the health and safety exception, school officials may share relevant information with "appropriate parties," that is, those parties whose knowledge of the information is necessary to provide immediate protection of the health and safety of the student or other individuals. 20 U.S.C. § 1232g (b) (1) (I); 34 C.F.R. § 99.36(a). Typically, law enforcement officials, public health officials, and trained medical personnel are the types of parties to whom information may be disclosed under this FERPA exception. FERPA's recordkeeping requirements (§ 99.32) apply to disclosures made pursuant to the health or safety exception. The educational agency or institution has the responsibility to make the initial determination of whether a disclosure is necessary to protect the health or safety of the student or other individuals. However, the U.S. Department of Education is available to work with institutions to assist them in making such decisions in order to ensure that the disclosure comes within the exception to FERPA's requirement of prior written consent.

In short, the health or safety exception will permit the disclosure of personally identifiable information from a student's education record without the written consent of the student in the case of an immediate threat to the health or safety of students or other individuals. Of course, a school official, based on his or her own observations, may notify law enforcement officials of

suspicious activity or behavior. Nothing in FERPA prohibits a school official from disclosing to federal, state, or local law enforcement authorities information that is based on that official's personal knowledge or observation and not from an education record.

*These laws are Section 9528 of the Elementary and Secondary Education Act (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).

Accommodation - 504/ADA

Ohio Christian University is committed to its entire student body, including those who need accommodations due to documented disabilities.

In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disability Act (ADA), the University will provide reasonable and appropriate accommodations for individuals with disabilities on a case-by-case basis. Accommodations are made in relation to a documented disability. The 504 Compliance Officer is responsible for coordinating OCU's efforts in complying with applicable Federal and State laws and regulations, including the University's duty to address any inquiries or complaints regarding discrimination or denial of equal access.

Ohio Christian University Attn: Dr. David R. Pennington, 504 Compliance Officer 1476 Lancaster Pike Circleville, OH 43113 Phone: 740.420.5906

complianceofficer@ohiochristian.edu

To initiate the accommodations process, students may complete the Request for Accommodations and Verification of disability forms, providing appropriate medical documentation of the disability. The documentation must be within three (3) years of first request to OCU and must include information that diagnoses the disability, indicates the severity and longevity of the condition, and offers recommendations for necessary and appropriate auxiliary aids, or services, academic adjustments, or other accommodations. A qualified medical professional must complete the Verification of Disability. These forms and relevant information about the process can be accessed at www.ohiochristian.edu/university/about-ocu/disabilityservices.

Appeals

Absence Appeal

An absence appeal may be filed when extenuating circumstances lead to more than the allowed absences.

Circleville Campus: Complete the absence appeal form (ohiochristian.edu/registrar/forms). Contact the University Registrar for assistance.

Online Campus: Appeals may be submitted to appeals@ohiochristian.edu. When an absence is approved by appeal, homework assignments are due as scheduled, and participation points will not be awarded.

Academic Policy Appeal

An academic policy appeal involves an academic decision (other than a grade appeal) in which a student believes that the university has not followed the policies published in this catalog. To file an academic policy grievance, follow these procedures:

Before the Appeal

It is recommended that the student first contact the person who has made the decision for a full explanation of the policy and how the policy was applied.

Process

- Students whose concerns are not resolved by the explanation may submit a written appeal to the Academic Appeals Committee.
- The committee has 30 days upon receipt of all materials to render a decision. Additional time may be required if follow-up materials are requested.
- Faculty members involved in the appeal will abstain from the session in which the case is heard.
- The decision of the Academic Appeals Committee will be final and binding on all parties.

Academic Suspension Appeal

OCU encourages academically suspended students to engage in the appeal process, through which students establish a plan for academic recovery. Appeals should describe the extenuating circumstances, such as military service, hospitalization, or death in the immediate family, and the steps the student has taken to ensure academic

Students whose appeal is approved are moved from academic suspension to academic probation and may enroll for upcoming classes. Students whose appeal is not approved may appeal for readmission on probation after one semester.

How to Appeal

<u>Circleville Campus:</u> Respond to instructions accompanying your suspension notice or contact the University Registrar's Office.

<u>Online Campus:</u> Email appeals@ohiochristian.edu within one month of the suspension notification.

Disciplinary Appeals

<u>Circleville Campus:</u> Students dismissed for misconduct may petition for readmission to the University after the suspension period. Students may contact the Student Development office to begin this process. Readmission may be granted if it is demonstrated that circumstances leading to social misconduct have been addressed.

Online Campus: Disciplinary decisions may be appealed within five business days of notification. A student desiring to return after disciplinary suspension must provide a thorough account of the actions that led to dismissal with a strategy for successfully continuing studies at the university. Appeal may be submitted to appeals@ohiochristian.edu.

Financial Aid Suspension Appeal

See Satisfactory Academic Progress in the Finances section.

Grade Appeal

A grade appeal involves a final course grade in which a student believes that the university has not followed reasonable practice or published policy.

Before the Appeal

Students who are not satisfied with a final course grade must first ask the professor for an explanation of the grade within 14 days after the grade is posted in SONIS. The student may expect a reply within 14 days of the request.

Appeal Guidelines

Students not satisfied with the professor's explanation may submit a written request for review by the Academic Appeals Committee via appeals@ohiochristian.edu. The Committee addresses final grades only, not individual assignment grades. Appeals submitted more than 6 weeks (42 days) after the last day of class noted in SONIS will not be considered.

Appeal Letter

The e-mailed letter must contain:

- A specific request (i.e. the grade the student believes should have been awarded).
- Why the student believes the request should be granted.
- Supporting documentation (i.e. the work in question.)

Committee Action

- The appeal will be sent to the faculty member for response. The faculty member has 14 days to reply.
- The committee has 30 days upon receipt of all materials to render a decision. Additional time may be required if follow-up materials are requested.
- Faculty members involved in the appeal will abstain from the session in which the case is heard.
- The decisions of the committee may not be appealed.
 Students may, however, submit a written appeal to the Provost if there is a concern about proper procedure or deadlines having been met.

Incomplete Request

See Incomplete Grades under the heading Grades.

Military Deployment Appeal

Online Campus

In keeping with Ohio Christian University's military-friendly policies, faculty reasonably accommodate reserve and active military personnel when deployment interferes with normal attendance or assignment submission.

Eligibility

- Students must email documentation of the deployment to appeals@ohiochristian.edu.
- The request must be made early in the course.
- The student's deployment must interfere with not more than 40% of the course (i.e. 2 weeks out of 5).
- The coursework must be such that it is possible to accommodate the student's request.
- Students whose deployment interferes with more than 40% of the course must withdraw from the course.

Review

The Academic Appeals Committee reviews requests on a case-by-case basis. Decisions are made with the Program Director, considering the nature of the course and assignments, timing of participation and assignment submission, and the length of time required.

Results of the Appeal

If the appeal is approved, the instructor will allow students to turn in work up to 14 days past the late due date, grade the work without a late penalty, and create assignments to replace group work and discussion credit. Depending on the nature of the deployment, and if the 40% falls in the last 2 weeks of the course, the university may provide the student with an incomplete grade.

The Academic Appeals Committee decision will meet the requirements for attendance until the time when the student is supposed to participate in class or meets the 45% threshold for withdraw.

GPA Requirements

Minimum GPA

All undergraduate programs require at least a 2.0 cumulative GPA to earn the degree. Certificate programs require a 2.5 cumulative GPA in certificate courses for graduation. For academic progress, grade point averages are calculated to the tenth. For example, if a student is required to have a 2.0 GPA, 1.94 is below that mark, while 1.95 meets the requirement.

GPA Sanctions

Attempted Including Transfer	Probation	Suspension
	Semester GPA	Less Than
12-59	1.6	
60+	1.6	
	Cumulative GPA Less Than	
1-18	1.7	
19-32	1.8	1.7
33-48	1.9	1.8
49-59	2.0	1.9
60+		2.0

Circleville Campus Guidelines

- At midterm, students with a grade below C- (1.7) in one or more classes are encouraged to meet with an academic advisor and the instructor for each affected course and take advantage of academic support services available in the tutoring center.
- Students on academic probation are encouraged to minimize extracurricular activities such as intercollegiate athletic competition and Universitysponsored public relations groups.
- To hold elected office in a student organization, students must maintain at least a 2.0 cumulative GPA.
- Students who are admitted provisionally may enroll for no more than 15 credit hours their first semester.
- Students on Academic Probation register for OCU0900 Academic Success and limit their course load to 13 credit hours. Academic Success and Basic Writing Lab do not count in the 13-hour limit.

Undergraduate Course Load

The minimum full-time load for undergraduate students is 12 credit hours per semester.

Limits

Qualifying students may register for course loads within the guidelines below. Student registering for more than 16 credit hours should consult with an academic advisor.

Semester Load	To Qualify
Up to 18 credit hours	Students not on warning or probation
19-21 credit hours	12+ hours earned at OCU 2.7+ GPA or advisor's approval
Over 21 credit hours	12+ hours earned at OCU 3.0+ Cumulative GPA advisor & department head approvals

Typical Course Load and Completion Time

Most undergraduate programs can be completed on time with an average course load of 15 credit hours per semester.

<u>Circleville Campus:</u> Fifteen-week semesters, normally 12-18 credit hours per semester.

<u>Online Campus:</u> Five- or six-week courses, normally taken one at a time. Four or five courses per 6-month semester.

Supplemental Courses

Circleville Campus

Academic Success

Students on Academic Probation register for OCU0900 Academic Success.

Basic Writing Lab

Students with an English ACT score below 17 register for ENG0970 Basic Writing Lab (1 credit hour) along with English Composition I and II. Students who achieve a B-(2.7) or higher in English Composition I are exempt from the Basic Writing Lab requirement when enrolling for English Composition II.

Students with an English ACT score below 15 register for ENG0990 Basic Writing Lab (3 credit hours) along with English Composition I and II. Students who achieve a B-(2.7) or higher in English Composition I may opt to take ENG0970 with English Composition II.

Remedial Mathematics

To register for mathematics courses, Circleville Campus students must meet Mathematics ACT score prerequisites or enroll in supplemental courses. See the Mathematics Sequencing table below.

Supplemental Courses and Academic Load

Academic Success and Basic Writing Lab count as academic load, but not toward the load limitations for Probationary status. (More information is under the Admission Status, and Academic Progress.)

Credit for Prior Learning

For transfer of previous college credit, including credit earned through military service, see Transfer Credit, above.

Credit for Prior Learning offers ways students can earn academic credit for learning gained outside the university classroom.

Guidelines

Allowances

Up to 30 credit hours may be awarded. These credit hours count toward the total allowed for transfer into an OCU degree program.

Transcription Fee

A per-credit-hour fee is charged for posting prior learning credit to the student's transcript. (See the fee schedule in the Finance section.)

AP & CLEP

OCU awards college credit to students who have participated in the College Entrance Examination Board's Advanced Placement Program during their high school education, earning a score of 3, 4, or 5.

College credit may be obtained through the College Level Examination Program (CLEP) prepared by the American Council of Education. A score at or above the 50th percentile is required to receive credit. Costs for the CLEP exam include an examination fee, payable to the College Board, a fee of \$50, payable to OCU for administering the exam, and the credit transcription fee.

Certification to Credit

Certification to Credit allows students to convert a previously earned professional certification to academic credit. Credit is transcripted similarly to transfer credit and is not intended for transfer to another institution.

Eligibility

Students must have completed 6 credit hours in the degree program with a 3.0 or higher cumulative GPA.

How to Apply

Submit a current certificate to your advisor for evaluation by the associate dean of your academic program.

Cost

Students pay the transcription fee.

Prior Learning Assessment (PLA)

Prior Learning Assessment is an opportunity for students to earn Credit for Prior Learning for experiences not covered in the options above, such as seminars, training sessions, workshops, non-credit courses, employment, and similar experiences. Each PLA proposal is an application for credit, which is graded like other course work.

Online Campus

- Enroll in **PLA1000 Portfolio Development**, in which students write for up to 12 credit hours based on background and training. Students earn three credit hours for the course and additional credit hours for accepted paper(s).
- Students registering **pre-approved** PLA credit are not required to enroll in PLA1000.
- A maximum of 12 semester credit hours for associate degrees, or 24 semester credit hours for bachelor's degrees may be earned through PLA.
- PLA credit may be applied toward a student's major with special permission from the associate dean of the school in which the major is offered.

Circleville Campus

- The Learning Application Essay (LAE) allows students to demonstrate competency from significant life learning in which they do not have sponsored documentation to prove their time involvement. Each LAE must include documentation of the student's personal involvement in the activity or learning experience. Business cards, commendations, pictures, brochures, etc., are acceptable documentation. The LAE requires the student to demonstrate university-level competency in the selected topic. Students can earn up to three credit hours of general elective credit for one LAE.
- The Sponsored Professional Training Paper (SPTP) paper encompasses all types of credentialed learning. Examples include licensing processes, certified seminars, and workshops, continuing education unit (CEU) programs, courses from unaccredited colleges, institute learning, and other training programs. The SPT paper requires documentation, such as certificates, transcripts, or licenses. Students can earn up to six credit hours of general elective credit for one SPT paper.

PLA Credit Limits

- Students can earn up to 9 credit hours of PLA credit.
- Up to 6 of the 9 credit hours can be LAE credit.
- PLA credit can be used toward general elective requirements and may fulfill a program requirement if a course substitution request is approved.

Cost

Students pay \$60 per credit hour for evaluation of the paper, in addition to the transcription fee described below.

Initiating the PLA Process

Students should begin the PLA process by consulting their academic advisor.

Sponsored Pastoral Training (SPT)

Adults entering with completed home study credits, authenticated by their denomination or church leadership, and combined with active ministry experience, may receive one credit hour for each course completed. SPT credit may be used as general elective credit only.

Eligibility

The number of SPT credit hours for which a student is eligible depends on a student's academic level and experience in Christian ministry.

Associate Programs

- o 1 year of experience: up to 3 credit hours
- o 2-3 years of experience: up to 12 credit hours

• Bachelor's Programs

o 3 years of experience: up to 24 credit hours

Guidelines

To apply for SPT credit, contact your academic advisor prior to start of your second semester in the program.

- An official denominational or church transcript for course work must be submitted directly from the organization to the university.
- Classes for which SPT credit is given cannot also be considered for PLA credit.

Cost

Students pay the credit transcription fee and \$50 per credit hour for evaluation.

Academic Honors

To recognize outstanding academic achievement, and to encourage excellence in scholarship, OCU awards the following honors to qualifying students.

Dean's List

Students enrolled in at least 12 credit hours who achieve a GPA of at least 3.50 are included on this list, published following each fall and spring semester. Additionally, during the semester in which the honor is awarded, students must:

- Have no incomplete grades.
- Have no unsatisfactory or F grades, including courses such as Christian Service and Spiritual Formation.
- Be in good standing with the Community and Academic Integrity guidelines.

Graduation Honors

OCU awards Latin honors to bachelors' degree graduates who meet one of the following sets of criteria for earned credit hours and cumulative GPA.

	Credit Hours Earned at OCU		
Honor	60+	40-59	
	with Cumulative GPA	with Cumulative GPA	
Cum Laude with honors	3.50-3.74	3.55-3.79	
Magna Cum Laude with high honors	3.75-3.89	3.80-3.94	
Summa Cum Laude with highest honors	3.90-4.00	3.95-4.00	

- Students earning associate and graduate degrees are not eligible for Latin honors.
- In the graduation ceremony, students are recognized for Latin honors based on their cumulative GPA on April 1. All coursework is considered for honors recorded on the transcript and diploma. Summer graduates are eligible for these honors once graduation requirements have been met. Because of pending program requirements, summer graduates are not recognized for Latin honors during the spring commencement.

Graduate Student Policies

Policies not specific to graduate students are available above, in the Academic Policies section.

Courses

Course Load

The minimum full-time load for graduate students is 18 credit hours per academic year. A typical 36-hour master's degree can be completed in four nine-hour semesters.

Residency

Graduate students must earn at least 75% of their program's credit hours through OCU.

Grades

Minimum Grade

Courses in which the student earns a grade of C+ (2.3) or below do not fulfill requirements for graduate degrees and must be repeated.

GPA Requirements

Calculating the GPA

When measuring academic progress, grade point averages are calculated to the tenth. In other words, where a student is required to have a 3.0 GPA, 2.94 falls below that mark, while 2.95 meets the requirement.

Minimum GPA for Completion

- Graduate degree programs require a minimum 3.0 cumulative GPA for graduation.
- Certificate programs require a 2.5 cumulative GPA in certificate courses for completion of the program.

Probation

Students who fall below 3.0 are placed on probation. Students whose GPA remains below 3.0 for a second semester are suspended.

Graduate students admitted on academic probation who do not have an overall GPA of at least 3.0 after attempting 9 credit hours will be suspended from the program.

Campuses

Each school offers programs through two campuses, meeting the needs of students in a variety of circumstances, from high school students getting an early start, to professionals seeking advanced preparation.

Circleville Campus

Designed for the recent high school graduate, but open to students of all ages, Circleville Campus programs offer face-to-face instruction, the traditional full-immersion college community experience, and on-campus living for resident students. Students who engage in this program participate in experiences that develop the entire person – body, mind, and spirit.

Trailblazer Academy

A part of the Circleville Campus, Trailblazer Academy offers students in grades 7-12 the opportunity to take OCU courses through the College Credit Plus (CCP) dual credit program. Semester-length courses are offered on the Circleville Campus, online, and at local high schools. Tuition rates are significantly reduced, and most Ohio students may apply for state funding to assist with tuition cost.

Online Campus

Designed primarily for adult learners, but open to students of all ages, the OCU online programs prepare students to work in multiple fields of endeavor. Some Online Campus courses are available in a hybrid learning environment, combining face-to-face meetings with online instruction.

Graduate Studies

Offered through the Online Campus, but encompassing onsite course options, graduate-level programs offer students the opportunity to develop advanced critical thinking and reasoning skills.

Honors Program

Circleville Campus

The Honors Program at Ohio Christian University is designed to prepare students for graduate studies. The honors program enhances the undergraduate educational experience of students who have demonstrated high academic proficiency throughout high school or through their first year of college.

The program consists of learning activities that engage students in advanced levels of research. It provides an avenue for students to develop communication and writing skills, develop critical thinking skills, and improve their ability to integrate faith and learning in their professional field. The curriculum and activities are interrelated and encourage conversation between liberal arts courses, the Bible, and the student's professional field.

Honors Program Admission

Admission in the Freshman Year

To be eligible for admission to the Honors Program, students beginning the first full year of college must meet the following requirements prior to registering for classes:

- Two references in writing from persons familiar with the academic abilities of the applicant.
- Submission of a completed Honors Program Application form and 300- to 350-word essay.
- Interview with the Honors Program Committee.

Most students admitted to the Honors Program have demonstrated the following minimum metrics of scholastic aptitude:

- ACT composite score of 27 or above, or SAT composite score of 1280 or above.
- High School GPA of 3.4 or higher on a 4.0 scale.

Admission as a Transfer Student

Students transferring to Ohio Christian University at or before the start of their sophomore year may be admitted to the Honors Program if they satisfy the following requirements:

- 3.5 GPA in all undergraduate work completed.
- ACT composite score of 27 or above, or SAT composite score of 1280 or above.
- Letters of recommendation from two professors at the previously attended college or university.

- Submission of a completed Honors Program Application form and 300- to 350-word essay.
- Interview with the Honors Program Committee.

Requirements

The Honors Scholar must maintain the following:

- 3.5 or higher GPA.
- Enrollment in Honors Seminar each semester.
- Progress toward completion of an approved Senior Honors Project.

Senior Project

The Senior Honors Project includes a project proposal, completed at the beginning of the junior year, and the honors capstone project, completed during the junior or senior year.

The Senior Honors Project is completed under the direction of a mentoring faculty member and includes a substantial written report, similar to an undergraduate thesis. Each honors student conducts research in the major or approved research field and communicates the findings in a capstone presentation. Projects may include a variety of research, development, application, or creative works. Specific requirements with respect to the type of work, the format of the project report, and other details are determined by the student's area of concentration and proposal.

The Senior Honors Project contract requires the signatures of the student, mentoring faculty, and Honors Program Director.

The cost of the senior project is underwritten by the program. Qualifying expenses include materials, copying, and binding the project, and similar associated costs.

Recognition

Honors graduates are recognized at graduation and receive a special certificate and honors medallion. Completion of the Honors Program is noted on the transcript.

School of Arts & Sciences

Dr. Krista Stonerock

Associate Dean of the School of Arts & Sciences

BA, Mount Vernon Nazarene University MA and PhD, The Ohio State University

> Dr. Stonerock joined the OCU faculty in 1992

About the School

The School of Arts and Sciences is committed to providing an excellent integrated liberal arts experience for all majors in the university. Students will hone writing, reading, and critical reasoning skills as they complete core courses in communication, humanities, mathematics, science, social and behavioral sciences, and religion. Students will be exposed to rigorous questioning and will be challenged to integrate faith and consider diverse perspectives as they pursue truth. This cornerstone liberal arts core provides a firm intellectual foundation for more specialized study to all students whatever their major program of study.

The School of Arts and Sciences also houses programs in English, History, Ministry, Bible, Music, Worship, and Interdisciplinary Studies.

Admission to the University satisfies admission requirements for these programs.

Theology & Ministry

Admission to the University satisfies admission requirements for the following programs:

AA in Christian Ministries BA in Biblical and Theological Studies BA in Biblical Studies

In addition to admission to the University, the following programs require the OCU Ministry Programs Application (available from Admissions):

BA in Christian Ministries BA in Global Missions BA in Student Ministry BA in Leadership and Ministry MA in Ministry*

*MA in Ministry applicants must also submit a ministry reference using the form available from Admissions.

Worship Leadership

In addition to admission to the University, worship majors must satisfactorily complete the following:

- OCU Ministry Programs Application
- Reference
- Audition

OCU Ministry Programs Application

The student's personal commitment to Christian faith and practice (available from Admissions).

Reference

A letter of recommendation describing the student's Christian testimony and involvement in music ministry, sent directly to wl@ohiochristian.edu.

Audition

Two contrasting selections from Contemporary Christian, musical theatre, popular, or art song repertoire. Students who play keyboard, guitar, or another instrument should accompany a vocal number or play a repertoire selection.

Music

In addition to admission to the University, music education majors must satisfactorily complete an audition.

Audition

Prepare an audition of two instrumental or vocal selections comparable in difficulty to music from the OMEA Solo and Ensemble repertoire list A or B. Instrumental auditions include examination in scales and sight reading.

Music Education

In addition to admission to the University, music education majors must satisfactorily complete the following:

- Audition
- Full admission to the Music Education program

Audition

Prepare an audition of two instrumental or vocal selections comparable in difficulty to music from the OMEA Solo and Ensemble repertoire list A or B. Instrumental auditions include examination in scales and sight reading.

Full Admission to the Music Education Program

Incoming students may declare a Music Education major as a freshman. For full admission to the Music Education program, Music education students must meet the guidelines listed on the School of Education page under "Education Program Admission." Full admission is typically achieved after the student's first full year in the program.

Music and Worship Major Guidelines

Minimum Grades

Candidates for music and worship programs must earn at least a C in each course in the major. Courses with a grade of C- (1.7) or below do not count toward the major.

Proficiency

Music & Music Education

Students must enroll in voice and/or piano each semester until the respective proficiencies are completed.

Worship Leadership

Students must pass proficiencies in voice and an accompanying instrument (usually piano or guitar).

Music Education Students

Grade and GPA

Requirements

Candidates for the Music Education license must maintain a 3.0 GPA in the major and concentrations, with no grade below a C (2.0) in in the major and concentration courses.

Probation, Suspension, and Reinstatement

Students whose GPA falls below the program minimum are placed on departmental probation the following semester.

- Consecutive semesters on departmental probation will result in suspension from the program.
- Students on departmental probation or suspension may not register for EDU or ECE courses.
- To be reinstated to the program, students must achieve a GPA at or above the required minimum.

Licensure Requirements

Program completers are required to pass the designated OAE (Ohio Assessment for Educators) tests for the state of Ohio to be eligible for licensure. For more information, see www.oh.nesinc.com.

Background Check

Education majors are assessed a \$70 fee each year to cover the cost of an annual background check.

English

BA in English

Circleville & Online

The Bachelor of Arts in English provides students a foundation in British and American literature and allows students to pursue individual interests by choosing electives from a range of literature, language, and composition courses. Through exposure to diverse texts and extensive composition activity, students will gain the intellectual capacity and practical skills they need to attend graduate school or pursue a wide range of careers.

Objectives

Upon graduating from the program, students should be

- Evidence competence in reading, writing, speaking, and listening.

Education majors are assessed a \$70 fee each year to cover the cost of an annual background check.

AS in Early Childhood Development

Circleville Campus

The goal of the Associate of Science in Early Childhood Development is to graduate competent, caring, and qualified teachers for public and private childcare settings. An excellent alternative for students who desire to work with young children beyond babysitting, but do not desire a four-year education degree, the program integrates a Christian worldview and constructivist philosophy of education. Coursework from this program can be applied toward other OCU education programs.

Preschool teachers play an important role in developing children's interest in learning. Through activities like games, group play, artwork and music, preschool teachers instruct reading, writing, and basic math concepts, and encourage creativity and social interaction.

Pre-service teachers and candidates for the AS in Early Childhood Development Certificate must demonstrate these dispositions:

- · Ability to meet deadlines and obligations
- Ability to relate with children and parents
- Collaboration
- · Communicative skills both oral and written
- Creativity
- Patience
- Positive temperament
- Preparation
- Punctuality
- Respect for all students

Objectives

Upon graduation the pre-service teacher should possess:

- Knowledge of young children's characteristics and needs, from birth through age 5.
- Knowledge of multiple influences on early development and learning.
- Knowledge to create healthy, respectful, supportive, and challenging learning environments for young children.
- Know and understand effective strategies and tools for early education, including appropriate uses of technology.
- The ability to reflect on their practice to promote positive outcomes for each child.
- An understanding of positive relationships and supportive interactions as the foundation of their work with young children.
- The ability to use a broad repertoire of developmentally appropriate teaching/learning approaches.

BA in Political Science

Circleville & Online

The Political Science major invites students to reflect upon the ideas, movements, leaders, and cultural influences that shaped the political landscape of the American Republic in the past and continues to alter America's politics in the present. Going beyond an understanding of politics and political institutions, the program's faculty seek to influence tomorrow's leaders in public service toward an ethical vision of government action within the framework of a Christian worldview. Through exposure to a broad set of readings, experiences, and other work, the politics and public policy program provides students with a background in the structure and trends of America's political order and prepares them for public service.

Objectives

On completion of the major, students should be able to:

- Integrate Christian principles in critical thinking and decision-making in political science.
- Understand U.S. political structure and history- how politics influences and is influenced by the contemporary culture.
- Critically examine concepts and theories regarding the interaction of faith and politics.
- Gather and analyze data regarding political behavior and create work that provides a reasonable interpretation of data.

BA in Substance Abuse Counseling

Circleville & Online

The Substance Abuse Counseling major equips students entering the addiction recovery field. To be licensed in the field of chemical dependency counseling in Ohio, three requirements must be met:

- Completion of education specific to chemical dependency counseling. The BA degree in Substance Abuse Counseling meets more than the minimum hours required. Ohio Christian University's degree program is designed to meet this requirement of chemical dependency counseling education.
- Appropriate supervision of chemical dependency counseling while employed in a treatment facility. For many students, this process begins after completion of the major.
- Successful completion of the licensure test that is administered by the State of Ohio.

Students are eligible to apply to the Ohio Chemical Dependency Professionals board for Certified Chemical Dependency Assistant status (CDCA) once they have completed 40 clock hours of chemical dependency training in specific areas. The CDCA is required to seek entry level employment and to begin supervision required prior to taking the State test for licensure. (Refer to ocdp.ohio.gov/, in the Certification and Licensure tab, follow instructions to download the CDCA Forms.

Students should contact the appropriate state licensure board to learn of requirements unique to a particular state. The names of the boards can be found online at the International Certification and Reciprocity Consortium at www.internationalcredentialing.org.

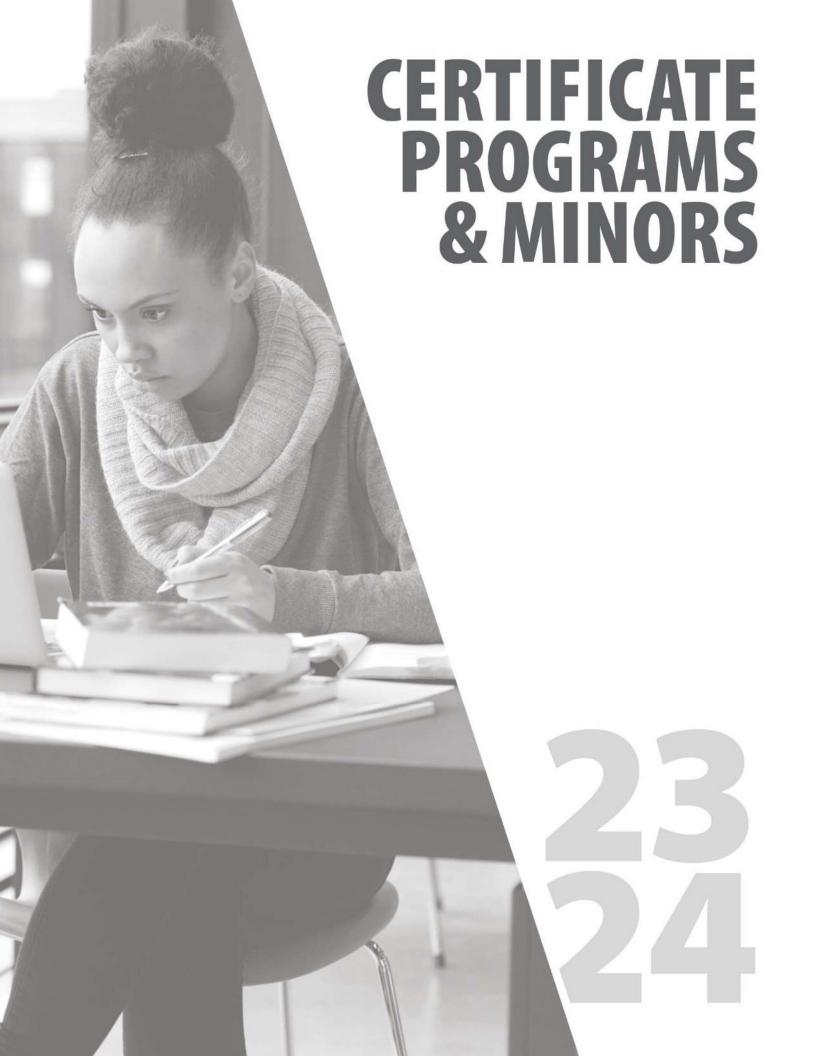

Objectives

Upon graduating from the program, students should be able to:

- Integrate Christian principles in critical thinking and decision-making to the study of substance abuse counseling.
- Appraise the needs of persons through use of assessment techniques, diagnostic criteria, and treatment planning.
- Utilize appropriate counseling techniques with individuals, families, and groups.
- Apply chemical dependency interventions, knowledge of drugs, and ethical codes of conduct.

EMT Emergency Management

EMT1010 Introduction to Emergency and Disaster Management

This course is a prerequisite for all other courses in the program.

This course is designed to provide students with an introduction to the field of emergency management. Students will gain a general understanding of the threats faced by communities by exploring the four phases of emergency management (mitigation, preparedness, response, and recovery). Topics covered in the course include the history and development of emergency management, hazard identification, risk analysis, an allhazards approach to planning, and the future of emergency management.

EMT2010 Mitigation and Preparedness

The course will introduce students to the concepts needed to develop a comprehensive preparedness plan for various types of incidents and natural disasters. Topics include general emergency management principles and procedures, structural and non-structural mitigation strategies; and protocols set-forth by both federal and state governments.

3

EMT2020 Phases of Emergency Management

This course will introduce the basic concepts of response and recovery phases of emergency management. Areas of response will include Incident Command System protocols with an emphasis placed on the actions necessary for incident stabilization required under the National Incident Management System and National Response Plan. Areas of recovery will include, damage assessment procedures; state and federal assistance programs; and the management of reconstruction projects.

EMT2030 Grant Writing

This course will introduce students to the process and method of grant writing. The course will focus on grant writing techniques, structure, and how they can be applied to a broad range of proposals."

Prerequisite: EMT1010

EMT3010 Crisis Management

This course will focus on the contingency planning process for business restoration following a crisis due to a natural or man-made incident. Students will learn a stepby-step approach for developing a business continuity plan.

Prerequisite: EMT1010

EMT3030 Social Issues in Emergency and Disaster Management

This course explores an approach to understanding hazards and disasters grounded in social vulnerability analysis. From a multi-disciplinary approach, it will explore historical, geographical, social, and cultural factors that put people at risk before, during, and after disasters.

Prerequisite: EMT1010

EMT3040 Homeland Security

This course will provide a thorough understanding how the strategic planning, incident control systems, and intelligence techniques combine to provide the necessary foundation for anti-terrorism and emergency preparedness. Topics covered include infrastructure protection, National Incident Management System, threat and vulnerability assessments, information sharing, resource and other issues relating to terrorism prevention and deterrence.

Prerequisites: EMT1010

EMT3050 Politics and Policy in Emergency Management

This course provides a foundation of the politics associated with disaster management with a focus on the political and policy environment in which emergency management is practiced.

Prerequisites: EMT1010

Prerequisite: Professor's permission

ENG5000 Composition Studies

Theories and pedagogies that influence composition studies in the digital age, with review of practices and ideals that shaped the teaching of composition within a biblical worldview, and consideration of how digital media transforms the definition of good writing in the academy and the workplace.

Prerequisite: Must meet graduate admissions standards.

ENG5100 Teaching Writing in the Disciplines Introduction to the theories and pedagogies that influence composition instruction within a biblical worldview through Writing in the Disciplines (WID) practice. Students will examine the needs and requirements that shape scholarly research and writing in the humanities, social sciences, business, ministry, and medicine. Students will also consider the transformative nature of WID practice to improve content retention through the integration of structured peer review and instructor response in an online modality.

Prerequisite: Must meet graduate admissions standards.

ENG5120 Grant Writing

Fundamentals of writing effective grants to private and public granting organizations.

ENG5200 Modern Rhetorical Theory

Contemporary themes and debates in rhetorical theory with an introduction to rhetoric as an academic discipline. The course facilitates professional development of educational professionals and helps direct students to more focused studies in the field.

ENG5300 Introduction to Literary and Cultural Theory 3 Concepts and practices of literary and cultural theory with a survey of Western literary theory and criticism, and emphasis on the most prominent theorists, texts, and ideas. Students will read primary theoretical texts with attention to historical and cultural contexts.

ENG5400 Selected Works from Shakespeare

Introduction to a selection of Shakespeare's plays and discussion of values examined and expressed within his texts.

3

ENG5500 Teaching of Literature, Grades 7-12

The process of teaching literature and reading alongside other literacy skills: writing, speaking, and listening.

ESL English as a Second Language

ESL2070 Introduction to TESOL

Introduction to TESOL (teaching English to speakers of other languages), including language and culture issues, first and second language acquisition theory, and second language teaching methodologies, with classroom application.

3

ESL2090 Introduction to Linguistics and Second Language Acquisition

Introduction to the field of language: what it is, how it is articulated, how it is written, and the influence that language has in societal interactions. Methods for attaining competency in a language other than the mother tongue.

ESL6000 Theories and Trends in Teaching ESL Students

Trends and research in the field of English as a Second Language (ESL) with emphasis on the range of settings where the English language is taught and key findings from Second Language Acquisition (SLA) and Sociolinguistics research that influence the ESL classroom.

Prerequisite: Graduate Admission

ESL6100 Cultural and Linguistic Diversity

Cultural diversity and the linguistic influences of selected and related populations in the U.S., with emphasis on linguistic nuances that influence curriculum development for ESL instruction.

Prerequisite: Graduate Admission

ESL6200 Methods for Integrating ESL Instruction

Instructional approaches and routines for English language learners, including a history of methods, examination of best practices, and curriculum development for ESL instruction.

ESL6300 Assessment of ESL Students

The importance of ESL assessment, with methods and practical examples of formal and informal assessment of language skills in the ESL classroom, and opportunities to create assessment rubrics.

ESL6400 Reading Instruction for ESL Students

Effective reading instruction and language learning support for ESL students, with emphasis on phonemic awareness, comprehension, fluency, and vocabulary development.

ESL6500 Research Topics in ESL Instruction

Application of educational research techniques to targeted study in reading instruction for ESL students.

FIN Finance

FIN1000 Biblical Personal Finance

Understanding personal finance within a Biblical worldview, including stewardship, financial decision-making, taxes, debt, and saving for retirement.

FIN1250 Personal Finance

3

3

3

2

Guidelines for maximum earning, saving, investing, and careful spending. Includes easy-to-understand principles, real-life applications, and personal success stories.

FIN2010 Introduction to Financial Management

Foundational financial theory and its application to management decision-making and firm valuation.

Prerequisite: MAT2050 or higher

FIN4000 Financial Management

The major topics in finance and a theoretical foundation to evaluate organizational finance issues and apply theory in practice.

Prerequisite: FIN2010

FIN4110 Money and Banking

This course will address the role of money and interest rates in the financial system. The course focuses on financial institutions and financial markets and their regulation by the Federal Reserve.

Prerequisites: FIN2010, BUS2070

FIN5060 Managerial Finance and Analysis

Financial theory and analytical tools, with application to management decision-making and strategy.

FIN6100 Corporate Finance

This course provides an in-depth review of the tools and theory of modern organizational finance and how it is used for decision-making. The role that regulatory controls play in the actions of the corporation will be included.

Prerequisite: FIN5060 with a minimum grade of B

FIN6110 Financial Planning

Financial planning, financial consulting, and the creation of financial investment plans for individual and family investments with profit and not-for-profit applications. *Prerequisite: FIN5060*

1

FIN6120 Financial Markets and Institutions

The behaviors of the financial markets and institutions that impact the economy.

Prerequisite: FIN6100

FIN6130 Investments

Financial principles for organizational investments in financial markets and investment alternatives, including portfolio management using valuation principles and investment instruments.

Prerequisites: FIN6110, FIN6120

FNA Fine Arts

FNA1000 Fine Arts Appreciation

Introduction to the fine arts with emphasis on the Christian perspective.

FNA1030 Introduction to Theater

This humanities elective introduces theater from page to stage as a live performing art. The course surveys the history and techniques of the theatrical arts. Students will also participate in a live performance in either a cast or crew capacity as part of the course requirements.

FNA1050 Introduction to Drawing

A hands-on course designed to teach students fundamental drawing skills. No previous art experience is required. Students will practice observation drawing (draw what they see) and will experiment with a variety of drawing materials and techniques. Students will also learn about different artists, movements, and artistic styles important to the history of art.

Course fee: \$25

FNA1080 Art Appreciation

Introduction to the visual arts with emphasis on the Christian perspective, including visual elements, art as forms of expression, art criticism, art movements and periods in history, and the human desire to create as an expression of imago Dei.

FNA1090 Introduction to Photography

Technical, aesthetic, and historical perspectives of this fine art medium. Stylistic and technical developments in the history of photography in works of well-known photographers from 1839 to the present. Camera operation, lighting, composition, and other topics develop technical and creative photography skills. Student photographs are considered for use in school publications and displays. The Final Project includes an exhibition of student work.

GEO Geology

GEO1010 Earth Science

A study of earth science including physical and historical geology, meteorology, descriptive astronomy, and the economic, social, and philosophic aspects of the subject matter in a biblical perspective.

GEO1011 Earth Science Lab

Weekly laboratory activity for AST2010

Corequisite: GEO1010 Lab fee

GPH Geography

GPH2000 Human Geography

Examination of human activities at global and regional scales, exploring population distributions, economies, religions, and political and social behaviors, with tension between globalization and cultural diversity as a central theme. The course is an attempt to discover where people are and why they are there, focusing on methods used by geographers and application of those tools.

GPH2200 Environmental Geography

Patterns and connections between Earth's physical features and human interactions, focusing on the natural processes of the physical world, and emphasizing Earth's interacting systems: the atmosphere, geosphere, hydrosphere, and biosphere.

GRK Greek

*One-time fee assessed the first time a student enrolls in one of the designated courses. Provides lifetime access to biblical studies software required for course activities

GRK1100 Elementary Greek I

Fundamentals of inflection and basic syntax in Koine Greek, including development of a working vocabulary and the translation of selected portions of the Greek New Testament.

3

3

GRK1200 Elementary Greek II

Continued study of the fundamentals of inflection and basic syntax in Koine Greek, with development of a working vocabulary and the translation of selected portions of the Greek New Testament.

Prerequisite: GRK1100

GRK2100 Intermediate Greek

Mastery of the basic principles of syntax with exegetical study of selected New Testament passages.

Prerequisite: GRK1200 Course Fee*

GRK3200 Greek Exegesis

Integrates an intermediate knowledge of Greek grammar and syntax with inductive study of the Greek New Testament.

Prerequisite: GRK2100 Course Fee*

HCM Healthcare Management

HCM3100 Healthcare Informatics

Informatics in clinical practice, administration, research, and education, including basic informatics concepts, current issues, information management systems, legislative regulation, HIPPA, electronic health records, and other applications.

HCM4000 Healthcare Industry

Overview of the healthcare industry including healthcare organizations and structures, public policy makers, and healthcare operations with emphasis on rapid changes in healthcare delivery systems as a response to increased healthcare costs, aging of the population, advanced medical science and technology, changing disease patterns, consumer demands, and distribution and use of the healthcare workforce.

HCM4010 Legal and Regulatory Issues in Healthcare

Legal and regulatory standards governing healthcare organizations, including legal requirements, responsibilities, and constraints related to health provider/patient relationships, medical records, malpractice insurance, and licensure of health professionals.

HCM4020 Healthcare Finance and Reimbursement Financial principles for profit and non-profit healthcare settings, including insurance payment systems, funding sources, return on investment, and profitability, and an overview of financial statements and financial responsibility reporting, budgeting, inventory control, asset management, payer systems, accounts receivable, charity care, and managing controllables.

HCM6000 Modern Healthcare Industry

Survey of the sectors of the modern healthcare industry and contemporary healthcare models, including the relationship of the healthcare industry to current economic trends, health policy management, and the system of care provided by collaborative teams caring for the needs of individuals and populations.

HCM6010 Healthcare Legal and Regulatory Climates 3 This course prepares the student with a working

This course prepares the student with a working knowledge of the foremost legal regulations impacting the multiple modes of modern healthcare delivery. The readings and assignments will focus on research and critique of the current legal and regulatory climate in healthcare. Specific attention will be given to the health policymaking process via formulation, implementation, modification of a hypothetical healthcare statute, as well as the rationale and effectiveness of certain aspects of healthcare regulation and law.

HCM6020 Healthcare Finance

Theory and concepts of healthcare revenue recovery in an accounts receivable environment, including application of revenue cycle principles and integration of multiple payer classes and the estimation of revenue from contracted payers, the challenges and trends of payer sources and the responsibility of the healthcare executive leading the supplier side of an accounts receivable dependent service line

HCM6030 Trends in Healthcare

The student is introduced to trends in public healthcare worldwide. Students will assimilate and apply knowledge regarding factors that influence each country's public healthcare choices.

*One-time fee assessed the first time a student enrolls in one of the designated courses. Provides lifetime access to biblical studies software required for course activities.

HEB1100 Elementary Hebrew I

Hebrew alphabet, vowels, morphology, and grammar, beginning vocabulary and basic translation.

HEB1200 Elementary Hebrew II

Syntax and lexical work, vocabulary development, and morphology essential to translation. Inductive analysis in key portions of the Hebrew Old Testament with focus on grammatical and syntactical forms.

Prerequisite: HEB1100

HEB2100 Intermediate Hebrew

An introduction to exegetical method and the use of primary exegetical tools, including word studies, textual criticism, figures of speech, and development of syntax, with exegetical analysis of poetic and historical literature from the Hebrew Old Testament.

Prerequisite: HEB1200 Course Fee*

HEB3200 Hebrew Exegesis

Development of exegetical method, including genre analysis, facility with advanced tools, biblical theology, hermeneutical issues, and communication, to reclaim skillful use of biblical Hebrew for the church.

Prerequisite: HEB2100 Course Fee*

HIS History

HIS2010 Western Civilization I

Western Civilization from the Ancient Age through the Medieval Age with a focus on the development of societies, ideas, politics, and people.

HIS2020 Western Civilization II

Western Civilization through the Modern and Postmodern Age, focusing on the development of societies, ideas, politics, and people.

HIS2050 U.S. History: 1492 to 1877

Significant events, ideas, issues, institutions, and personalities, with political, social, and economic developments in U.S. History from 1492 to 1877.

HIS2060 U.S. History: 1877 to Present

Significant events, ideas, issues, institutions, and personalities, with political, social, and economic developments in U.S. History from 1877 to the present.

HIS2100 Introduction to Historiography

The study of historical writing with introduction to the scholarly methods required of historians and schools of thought that define the discipline.

HIS3000 History of Free Market Thought

A reading-intensive course focused on the history of proponents of free market capitalism and the application of their theories in the world since the publication of Adam Smith's Wealth of Nations.

HIS3100 Gilded Age America, 1876-1915

The social, political, and economic history of the United States from the Centennial celebration of the U.S. until just after the start of World War I.

The social, political, and economic history of the United States and the rise of American power from just before America's entry into World War I until the terrorist attacks on the World Trade Center and other targets in September 2001.

HIS3300 Modern East Asian History

An advanced survey of the history of modern China, Japan, Vietnam, and Korea covering significant events, ideas, people, and movements from the beginning of the Qing Dynasty of China (1664 A.D.) to the present.

HIS3400 Modern Western Europe

An advanced survey of the history of modern Western Europe covering significant events, ideas, people, and movements from the French Revolution (1789) to the present.

Selected Topics in History HIS3999

A study of a faculty-selected topic in history. Repeatable with different topics.

HIS4200 Colloquium: The New Republic

A reading-intensive seminar, immersing students in a specified area of study.

HIS4300 History Internship

A supervised experience of at least 150 hours in which students gain expertise applying learned concepts and theories in a workplace setting, performed in an approved professional environment representing the student's discipline.

Prerequisites: Junior standing in OnlinePlus and program supervisor approval of internship site prior to enrolling

Research Seminar: The New Republic

A capstone experience in which the history major utilizes learning from previous courses, working with primary and secondary materials to craft an essay on a topic aligned with the course's focus.

Prerequisite: 30 hours of history courses

HIS4900 Undergraduate Thesis

A capstone experience in which the history major utilizes learning from previous courses, working with primary and secondary materials to craft an extended essay under the guidance of a faculty mentor.

HIT Health Information Technology

HIT3000 Health Information Systems

Health information technologies and their impact on medicine and the health system, with attention to the regulatory requirements of these technologies.

HIT3100 Legal and Ethical Aspects of Health Information Technology

Ethical and legal questions encountered by healthcare providers, including licensure, certification, privacy law, informed consent, professional liability, court cases, medical malpractice, workplace legalities, contracts, and health information initiatives at national, state, and local levels.

HIT3200 Coding I

This course will introduce students to ICD coding systems for reimbursement of medical visits, procedures, and tests.

HIT3300 Electronic Health Records

The history of the electronic health record and its importance to medical professionals, utilization of an electronic health records system, and methods for protecting virtually accessible patient information.

HRM Human Resource Management

HRM3040 Introduction to Human Resources

An introduction to human resources functions and how they support the strategic objectives and goals of an organization.

HRM4000 Compensation and Benefits

Monetary and non-monetary benefit theories and practices, including employee evaluation, individual and group pay, and insurance and retirement plans.

HRM4040 Employee & Labor Relations

The major human resource management functions in an organization, including the components of the human resource management process and the associated activities to perform these functions. The course highlights the human resource management responsibilities of all managers and emphasizes leadership responsibilities and competencies, job analysis, the supporting role of human resource management to strategic planning, and the major government legislation affecting human resource management.

HRM4050 Training and Development

An exploration of the role of employee development in contemporary organizations and the methods, development, and assessment of training programs.

Recommendation: HRM3040

HRM5030 Managing Human Resources

An advanced overview of strategic human resources planning and implementation focused on positively influencing the quality of performance, productivity, and social wellbeing of employees.

HRM5040 Employment Law

An examination of employment and personnel law, with a focus on the laws, administrative rulings, and precedents that encompass the employer/employee relationship. *Prerequisite: HRM5030*

HRM6010 Strategic Compensation Management

The strategic importance of compensation and its practical application with emphasis on understanding the elements of a total compensation plan including system design, compensation strategy, benefits and pay, and systems management issues.

Prerequisite: HRM5040

HRM6030 Strategic Human Resource Development 3 Strategic employee training and development with a focus on the assessment and design of career management planning for organizational performance.

Prerequisite: HRM5040

HSV Human Services

HSV1000 Introduction to Human Services

Fundamental concepts of human services, addressing addictions, criminology, family studies, psychology, and sociology with a biblical worldview. Students will develop a personalized view of the helping professions.

HSV1020 Introduction to Substance Abuse See SAC1020

HSV1100 Applied Skills for Helping Professions

Skills for communication in the helping professions, including rapport building, interviewing, active listening, and documenting in context with personal awareness, problem solving, diversity, and confidentiality.

Prerequisite: HSV1000

3

3

3

HSV1200 Opportunities in Social Issues

A review of social issues with a focus on opportunities that encourages students to discuss problems in positive terms and determine their role in making a difference in society and in their professions.

3

Prerequisite: HSV1000

HSV2000 Essentials of Human Behavior

Basic human behavior from a Christian viewpoint as a framework for learning the biological, psychological, spiritual, and social aspects that affect human behavior.

Prerequisite: HSV1000

HSV2050 Case Management

See SAC2050

HSV2100 Public and Private Services

Public and private services and institutions and how these can be best utilized to serve general, at-risk, and vulnerable populations.

Prerequisite: HSV1000

HSV2150 Case Management

See SAC2150

HSV2200 Cycles of Addiction

This course examines the cycles of addictions and their impact on individuals, families, communities, and societies. A review of initiation, dependence, intervention, recovery, and relapse as well as the concept of addictive thinking.

Prerequisite: HSV1000

HSV2300 Managing Social Casework

Skills for providing case management in private and public services, with emphasis on coordinating services as a direct provider.

Prerequisites: HSV1000, HSV2000

HSV2800 Servant Leadership in the Helping **Professions**

Capstone course for the AA in Human Services, emphasizing traits and characteristics of excellent servant leaders using biblical examples and practical wisdom. The course requires students to integrate, synthesize, and apply knowledge and skills grounded in the curriculum, and relevant to delivery of social services.

Prerequisites: HSV2100, HSV2200, HSV2300

3 HSV3650 Trauma Informed Care See SAC3650

HSV3999 Selected Topics in Human Services A study of a faculty-selected topic in human services. Repeatable with different topics.

HSV4000 Advocacy and Public Policy

Human services policies and policy formation in the legislative and private sectors, with attention to how public policy is made, and emphasis on the roles of advocacy campaigns, which are often influenced by policy analysis.

HSV4100 Ethics in Human Services

Professional ethics in the field of Human Services with primary attention to the Code of Ethical Standards for Human Services Professionals.

HSV4200 Leadership and Administration Principles of leadership and administration in human services, with attention to personal assessment and the

development of leadership capabilities. HSV4800 Human Services Capstone

Theoretical and practical application of skills for and techniques that advance the needs of culturally diverse client communities, including a plan of advocacy for services from various agencies and/or institutions. In this capstone course for the BA in Human Services major students identify an issue or problem, develop an action plan, and complete sufficient research to produce a final project demonstrating understanding of the Code of Ethical Standards for Human Services Professionals.

INT Interdisciplinary Studies

INT4800 Interdisciplinary Studies Capstone This course is designed for senior interdisciplinary studies majors and consists of the completion of a professional portfolio demonstrating a synthesis of the student's areas of study. Assignments and readings will also direct the student through the process seeking a job and developing and revising a resume, cover letter, and social revising a resume, cover letter, and social media profile(s). Prerequisite: Senior standing

IST Information Systems Technology

Security Awareness I

Students will learn that the weakest link in any security program is a poorly trained department. The course teaches general security awareness as well as how to develop a strong security culture within a company's community. The Social Engineering portion of the class is designed to teach the participants the skills used by Social Engineers to facilitate the extraction of information from an organization using technical and non-technical methods.

IST1051 Security Awareness II

Students will understand the security threats that are associated with a company culture. Students will delve into how to respond to a breach, the legal requirements for response, and how to prevent future breaches. The course provides student with a window as to the techniques of malicious hackers as well as the counter response controls management can implement to detour a major compromise.

IST2000 Computer and Networking Essentials I

Computer hardware, software, and operating systems, including operating system configuration and maintenance, client systems, managing applications, networking concepts, and skills for a career in network support or administration.

IST2001 Operating Systems Technician

Focuses on operating systems, including the installation, configuration, and maintenance of devices, PCs, and software for end users; understanding the basics of networking and security/forensics from the operating system view; properly and safely diagnose, resolve, and document common software issues; applying troubleshooting skills and providing appropriate customer support.

IST2010 Computer and Networking Essentials II

Application of skills and knowledge required for a career in network support or administration.

Prerequisite: IST2000

IST2011 Hardware Systems Technician

Supplying foundational knowledge to install, configure, and support hardware systems, including the assembling of components based on customer requirements; installing, configuring, and maintaining devices, PCs, and servers; Understanding the fundamentals of networking and security/forensics; student will be introduced to wireless networks, mobile devices, and custom builds for end use deployment.

Prerequisite: IST2001

IST2050 Intermediate Networking

A study of computer networks, including the building blocks of the general network architecture, wired and wireless networking technologies, framework, design and configuration of a TCP/IP network, and application of networking concepts in a typical network of Windows computers.

Prerequisite: IST2010

IST2051 Network Principles

A study of concepts and skills to plan, install, maintain, and troubleshoot today's networks including wireless and server-based networks; new technologies such as virtual and SD networks found in many cloud architectures will be explored as well as physical components such as TCP/IP Stack, OSI Model, switches, routers, wireless, and Bluetooth; a study of performing day to day operations within an organization to secure and maintain an entire organization.

Prerequisite: IST2011

IST2100 Security Fundamentals

The security threat environment for information systems with emphasis on the application of security tools to reduce threat exposure, prevention and detection technologies, planning, and development of policies that protect an organization from security risks.

Prerequisite: IST2010

3

3

3

3

IST2101 Certified Security Principles

Understanding security across the entire environment of risk management, identity and access control, network and data security and how this applies in in new technologies such as loT and cloud services. Students will have access to the cyber range.

3

3

3

Prerequisites: IST2051

IST2111 Vulnerability Assessor

Student will learn the importance of vulnerability assessments and how they are used to prevent serious cyber break-ins. Lessons include understanding malware and viruses and how they can infiltrate an organization's network. After the course, student will be able to assess a company's security posture and perform a basic vulnerability test and generate reports to guide new security implementation.

IST2300 Operating Systems I

The Windows operating system, including practical skills in installing, configuring, and maintaining this operating system, and an introduction to other popular operating systems, including OS X, iOS, Android, and Linux.

IST2400 Database Systems I

Relational databases, including basic relational database design and maintenance, design concepts such as records, tables, data types and table normalization, reading database data through queries using query functions and linked tables, an introduction to the SQL query language, popular relational database software, alternate database technologies, and interaction with these concepts using a relational database software program.

IST2500 Programming I

An introductory course in computer programming using the JAVA programming language, including the fundamentals of computer programming, program design, data types, program flow constructs, efficient program design, and techniques for processing data programmatically such as data arrays and data algorithms.

IST2800 Information Technology Capstone

Integration of student learning from the Information Technology major courses requiring the synthesis of learned skills in IT computer, networks, systems, databases, and programming.

Prerequisite: Completion of major courses

IST2801 Information Systems Certification and Accreditation Professional

Aims to ensure the student has a broad base of knowledge covering a large variety of information systems areas to ensure that they are able to effectively run an information systems security team and establish a cybersecurity culture.

Prerequisite: Completion of major courses

Information Systems Security Manager Covers the skills and knowledge to assess threat analysis and risks, Risk & incident management, Security programs and CISO roles, IS security strategy and frameworks, Audit and Risk management creation of policies, and compliance and awareness.

IST2901 **Digital Forensics Examiner**

Designed to train Cyber Crime and Fraud Investigators. Students are taught electronic discovery and advanced investigation techniques. This course is essential to anyone encountering digital evidence while conducting investigations. Students will examine the methodology for conducting a computer forensic examination. Students will learn to use forensically sound investigative techniques in order to evaluate the scene, collect and document all relevant information, interview appropriate personnel, maintain chain-of-custody, and write a findings report. Through the use of a risk-based approach, students will be able to implement and maintain cost-effective security controls that are closely aligned with both business and industry standards. Students will have access to the cyber range.

Professional Ethical Hacking

Seeing the system through the eyes of the attacker. Student will set up dynamic defenses to prevent intrusion by learning the value of vulnerability assessments and then using those assessments to make changes to the Information System's security. Student will learn how malware and destructive viruses function and how to implement counter response and preventative measures when it comes to a network hack.

IST3011 Information Systems Security Officer 3 Prepares students with a broad range of knowledge and skills required of a security officer. However, these skills can be applied across a broad range of role-based careers. Students will learn theories in security concepts, practices, monitoring and compliance in IS management. Students will be able to implement and maintain costeffective security controls that are closely aligned with business and industry standards. The course is an ideal way to increase knowledge, expertise, and skill for managers, auditors, and INFOSEC professionals. The theories learned can be applied to management, prevention teams, and recovery professionals.

IST3012 Incident Handling Engineer

3

3

Student will understand how to plan, create and utilize systems, and also prevent, detect and respond to attacks through the use of hands-on labs in an exclusive Cyber Range. Student will learn to develop start to finish processes for establishing an Incident Handling team, strategizing for each type of attack, and recovering from attacks.

IST3040 **Business Information Systems**

Fundamental concepts and technologies for business information systems, including data capture, processing, and communication, introduction to the integration of Microsoft Excel and Microsoft Access in business information systems, and basic data analytics.

Information Technology for Management 3 This course will address how the increased complexity of business data and the timeliness and coordination of this data across a company is managed. Topics include data mining, business intelligence, mobile technology, computer networks, cybersecurity, semantic technology and search engines.

IST3051 **Cyber Security Analyst**

Student will learn how to prepare an organization to create a complete end to end solution for proactively monitoring, preventing, detecting, and mitigating threats as they arise in real time. After the course, student will be able to setup and deploy state of the art open source and for purchase analysis tools, intrusion detection tools, syslog servers, SIEMs, along with integrating them for the entire company to find and prevent today's exploitations.

3

3

IST3100 Data Analytics I

Techniques and tools for analyzing large data sets.

Penetration Testing Engineer

3 Students imagine all the ways a hacker can penetrate a data system. This course explores technical and nontechnical ways of breaching security to gain access to a system. The course is built on proven hands-on methods utilized by an international group of vulnerability consultants. Students will learn the 5 key elements of penetration testing: information gathering, scanning, enumeration, exploitation and reporting. Students will acquire the skills needed to identify protection opportunities, justify testing activities and optimize security controls appropriate to the business needs to reduce business risk. Students will have access to the cyber range.

IST3110 Information and Network Security

Information systems security, including security for networks, applications, data, and host computers, compliance, operation security, access control, identity management, threats and vulnerabilities, and cryptography.

Prerequisites: IST2000, IST2010

IST3121 Networks Forensics Engineer

Student will work through 20+ modules of network forensic topics. The course provides practical experience through lab exercises that simulate real-world scenarios covering investigation and recovery of data in network. Student will examine topics such as physical interception, traffic acquisition, analysis, wireless attacks, and SNORT. The course will focus on centralizing and investigating logging systems and network devices.

IST3131 Threat Intelligence Analyst

Student will learn how to make good use of the many sources of threat intelligence. It will assist student to understand what threat sources are helpful, which specific threats are targeted and which ones may need minor adjustments to monitor within an organization. Course focuses on current significant threats, threat actors, and identification procedures so that cyber-security professionals can implement the best policies and procedures for their organizational security posture.

IST3300 Operating Systems II

A survey of current topics in operating systems such as processors, memory, storage technology, virtualization, the virtual desktop, cloud computing, and targeted application of operating systems such as server, tablet, and mobile computing.

Prerequisite: IST2300

IST3301 Virtualization Engineer

The course provides the foundation needed from the perspective of a software-defined data center and also considers the latest in virtualization and cloud technologies which gives the engineer or administrator the knowledge and skills needed to design and manage the data center for tomorrow's needs. This course will cover everything from design, installation, configuration, best practices, and performance monitoring.

IST3400 Database Systems II

Hands-on interaction with the MySQL database, including skills required to install, configure, secure and maintain an enterprise database system, designing and creating a simple database, and interacting with the database through applications and programming languages.

Prerequisite: IST2400

IST3500 Programming II

Programing for the World Wide Web, including web page definition, scripting languages (HTML, Javascript), complex web pages, use of scripting to enhance web pages, mobile friendly web pages, automated web page creation tools, and the appropriate use of these tools. *Prerequisite: IST2500*

IST4000 Information Technology Project Management

Principles and solutions for managing IT projects through all phases, including initiation, planning,

IST4011 Disaster Recovery Engineer

Students simulate how an organization should react when hit by a natural disaster, cybercrime, or any other disruptive tragedy. Students will answer dilemmas like what to do if the network infrastructure is taken down, can the business continue operations, or how much will it cost if the business is down during repairs. Students will learn how to prepare processes, policies, and procedures to follow in the event of a disruption by creating a disaster recovery and business continuity plan. Students will analyze the latest methodologies and best practices. Student will have access to the cyber range.

IST4012 Cloud Security Engineer

3

3

Course looks to fill the gap in cloud security education and give student the skills needed to develop strong cloud security. Student will leave the course with a solid understanding of the cloud stack having been introduced to many technologies used in the cloud. Whether you are implementing private cloud architecture or managing solutions from various vendors, student will be exposed to various perspectives.

IST4014 Healthcare IS Security Practitioner

Course covers the skills and knowledge to implement the best IS healthcare practices, as well as, regulatory compliance and standards in the healthcare industry. Student will learn to protect patient information by implementing, managing, and assessing proper IS controls for patient health information integrity.

IST4016 Information Systems Risk Manager

Student will learn to assess a system and then implement risk controls. Student will understand how to monitor and maintain risk procedures. Student will be able to identify risks associated with specific industries as well as design, implement, monitor and maintain risk-based, efficient and effective IS controls.

Information Systems Security Auditor

Course will cover the skills and knowledge to assess vulnerabilities, report on compliance and implement controls for private and public enterprises. Student will look at how to identify critical issues and provide effective auditing solutions through a risk-based approach.

IS Management Systems Lead Auditor and IST4018 Lead Implementer

Course prepares students to conduct audits of information security management systems to ensure that they meet international standards in any organization. Course also prepares students to help any organization through the process of implementing an information security management system that is compliant with those international standards.

IST4019 **Penetration Testing Consultant**

Student will take an in-depth look into specific penetration testing and techniques used against operating systems. This course will analyze the necessary skills to work with a penetration testing team, the exploitation process, and how to create a buffer overflow against programs running on Windows and Linux while subverting features such as DEP and ASLR.

Powershell Hacker IST4021

Student will learn how to hack like professionals using nothing but what is already available to them in Windows or open source code on Mac and Linux. Course is based on real world implementations of a windows infrastructure along with real world penetration testing techniques.

Secure Web Application Engineer

Student will design information systems that are secure on the web. Organizations and governments fall victim to internet-based attacks every day. In many cases, web attacks could be thwarted but hackers, organized criminal gangs, and foreign agents are able to exploit weaknesses in web applications. Student will learn how to develop web applications that aren't subject to common vulnerabilities, and how to test and validate that their applications are secure, reliable and resistant to attack.

IST4023 Security Leadership Officer

Course will give provide an essential understanding of current security issues, best practices, and technology. With this knowledge students will be prepared to eventually manage the security component of an information technology project. Student will learn how to be the bridge between cybersecurity and business operations.

IST4024 Virtualization Forensics Examiner

Course examines two challenging issues in incident response and virtualization that face IT security professionals. The course will focus on how to gather evidence relating to an incident as well as analyze virtual infrastructure that demonstrates forensically relevant differences between virtual and physical environments.

Security Controls

3

3

Student will cover proven tools and methodologies needed to execute and analyze 20 industry wide recognized critical security controls. These controls demonstrate how to block known attacks and help search for and alleviate any damage from attacks that are successful.

Data Analytics II IST4100

Application of data management principles from Data Analytics I to solving business problems. Prerequisite: IST3100

IST4110 Systems Analysis and Design

3 Application of the System Development Life Cycle (SDLC) framework to plan, analyze, design, implement, and maintain information technology systems, including methods and models for developing and documenting the requirements for an information system, processes and procedures to design, procure, implement, and maintain systems, and an introduction to industry standard methods and tools that support the SDLC process such as UML, Use Case analysis, Rapid Application Development and CASE.

IST4200 Cyber Law and Ethics

This course examines managing the ethical and legal issues that arise in the use of the Internet. Emphasis is given to areas of privacy, intellectual property, freedom of expression, and e-commerce.

IST4300 IT Application, Acquisition, and Implementation

Decisions and activities required to implement an information system project, emphasizing strategic decisions based on technical, business, political and legal factors, vendor selection, relationship management, and human factors such as change management, education and training.

IST4400 SQL for Data Management

Practical experience using the SQL language to write various queries to extract meaningful data from a relational database.

IST4500 Systems Administration

Concepts and skills for designing, installing, and maintaining a computer network with application to Microsoft Windows network.

IST4700 Advanced Topics in Information Technology

This course provides the student an opportunity to investigate an area of Information Technology that is of special interest through research or experience.

IST4800 IT Capstone

This course integrates student learning from the Information Technology major courses requiring the synthesis of learned skills in IT systems, databases, networks, and security.

Prerequisite: Completion of major courses

IST4810 Data Analytics Capstone

Integration of student learning from the Data Analytics major courses requiring the application of learned skills in analyzing data, making predictions, and identifying, evaluating, and capturing business analytic opportunities that create value.

Prerequisite: Completion of major courses

LAT Latin

LAT2105 Latin I

Latin I introduces students to the basics of Latin grammar, syntax, and vocabulary. Students will be introduced to the six indicative active tenses of first, second, third, third -io, and fourth conjugations, as well as those same tenses of the irregular verbs sum and possum. Students will meet the present, imperfect, and future indicative passive tenses of first and second conjugations. The present infinitives, active and passive, will also be presented. Students will also learn about first, second, and third declension nouns; first, second, and third declension adjectives; special -ius adjectives; the reflexive adjective; interrogative adjectives; demonstratives; and numbers. Personal pronouns, reflexive pronouns, relative pronouns, and interrogative pronouns will also be taught.

LDR Leadership

3

3

3

3

3

LDR2000 Personal Leadership

Habits for effectiveness in personal leadership and development of personal leadership skills by exploring self-concept, self-esteem, personal values, time and stress management, and self-management in conflict situations.

LDR3100 Concepts of Leadership

Strategies from the business for-profit, the non-profit sector, and the moral and spiritual arena with application to personal and career goals.

LDR3200 Organizational Leadership

Models of effective organizational leadership and the impact of administrative structure, power and politics, conflict resolution, and motivation within the context of the organizational culture.

LDR4000 Leading Change

Classic theoretical constructs of leadership, systems of organizational culture, and models and processes involved in successful organizational change, with application in the learner's own organizational setting.

LDR4100 Global Leadership

Current issues and trends in global leadership, and the leadership challenges that arise in a global setting, with emphasis on developing knowledge, attitudes, skills, and aspirations regarding the theory and practice of leadership in global organizations and societies.

LDR5000 Leadership Essentials

Graduate study skills for students in the MA in Leadership, with an introduction to graduate writing and research, including research ethics and the four functions of the research process: formulating the research question, research design, data collection, data analysis.

LDR6020 Advanced Organizational Behavior

The impact of individual and organizational behavior on the culture, climate, and structure of an organization, including practical application of human resource theories in the organization, and emphasis on their relevance to contemporary events.

LDR6060 Theory and Practice of Leadership

The impact of leadership on the function and performance of organizations, with emphasis on organizing, leading, and controlling groups and organizations, and a survey of current literature on the topic of leadership.

LDR6080 Strategic Leadership

Processes and approaches for strategic leadership, including setting direction through mission and vision; development, implementation, and attainment of measurable strategic goals; and evaluation of internal and external environments.

LDR6500 Ethics in Leadership

Ethical, legal, and moral issues facing leaders. Within the context of a Christian biblical worldview, students will critically examine how leaders and managers maintain ethical principles in an organizational culture.

LDR6800 Applied Leadership Capstone

Integration of learning for students in the MA in Leadership through a summative research-based project demonstrating their ability to identify, evaluate, research, and analyze a leadership problem found in an organization.

Prerequisite: Completion of major courses and/or concentration courses.

LFC Life Calling

LFC1500 Introduction to Life Calling

The discovery of one's God-given design as a basis for life calling, emphasizing how work and individual leadership is best understood from this perspective. Students will evaluate their foundational values, unique design, and personal mission, and examine each component in an integrated portfolio.

LGM Logistics Management

LGM3000 Logistics Management

The role of logistics in business, including customer service, planning, and managing supply chains, and arranging product transportation and distribution, with practical application in creating logistic strategies.

LGM4000 Transportation Systems

The strategic role of freight transportation systems in supply chain networks, with emphasis on the components of transportation systems, including inter-modal and intra-model competition, their technological features, operational processes and cost conditions, the buyer-seller channels for acquiring transportation services, and the strategic and tactical alternatives for transport procurement.

Prerequisite: LGM3000

LGM4010 Warehousing and Terminal Management

Warehouse and inventory management in logistics systems with analysis of customer service, forecasting inventory, investment, layout design, and operation. Prerequisite: LGM3000

LGM4020 Strategic Procurement

Analysis of supply markets, supplier selection, building and maintaining key supplier relationships for long-term success, strategic planning, and use of information technology, with emphasis on the strategic framework, managerial issues, and best practices related to the planning and execution of source processes.

Prerequisite: LGM3000

3

3

3

LGM4030 Logistics Security

Vulnerabilities and measures for securing domestic and global transportation and supply chain networks, including security organizations, security-related legislation and strategies, security programs, maritime transportation security, containerized cargo security, land transportation security, food chain security, pharmaceutical chain security, utilities security, cyber security, first response and recovery, and supply-chain security technologies.

Prerequisite: LGM4000

MAT Mathematics

MAT0900 Fundamentals of Mathematics

Review of basic arithmetical processes through introductory algebra and geometry. Required for students with an ACT or equivalent math score of 16 or lower. Does not fulfill degree requirements.

MAT0940 Quantitative Literacy

Review of basic numeric and algebraic skills, as well as critical thinking and problem-solving strategies, necessary to be successful in future college classes and life as a citizen and consumer. Does not fulfill degree requirements.

Prerequisite: MAT0900 or ACT math score of 17 or higher

MAT0960 Beginning Algebra

Review of signed numbers to algebra, equation and inequalities, graphs and linear equations, functions, polynomials, and factoring of polynomials. Does not fulfill degree requirements.

3

Prerequisite: MAT0900 or ACT equivalent math score of 17 or higher

MAT1000 Introduction to Math Systems

This course will not fulfill degree requirements for Circleville Campus.

Understanding and appreciation of mathematical procedures, including numeration systems, number theory, rational numbers, and introduction to algebra, geometry, and statistics.

MAT1250 Quantitative Reasoning

Mathematical thinking encountered in college courses, careers, and everyday life. Quantitative reasoning skills needed to understand problem solving, money management, and growth models.

Prerequisite: MAT0940 (recommended), MAT1000, MAT0960, or ACT math score of 19 or higher

MAT1310 Intermediate Algebra

Rational expressions, systems of linear equations and inequalities, radicals and exponents, quadric functions, conic sections, and exponential functions. Students must have foundational knowledge of linear equations and polynomials.

Prerequisite: MAT0960 or ACT math score of 19 or higher

MAT1410 Statistics and Analysis

Formation, interpretation, and application of statistics in research, including analysis in the fields of business, education, sociology, and psychology with emphasis on application of statistics to real-world problems.

Prerequisite: MAT1310 or ACT math score of 19 or higher

MAT1520 College Algebra

Pre-calculus algebra, including equations and inequalities, functions and graphs, polynomial and rational functions, exponential and logarithmic functions, conic sections, sequences, series, and probability.

Prerequisite: MAT1310 or ACT math score of 22 or higher

MAT2000 Calculus I

Limits and the development of the derivative, including basic techniques of differentiation and an introduction to integration, with applications including rates of change, optimization problems, and curve sketching using a variety of functions (polynomial, rational, exponential, logarithmic, etc.).

Prerequisite: MAT1520 or ACT math score of 24 or higher

MAT2050 Applied Math

A review of basic math functions with emphasis on real-world application, including fundamentals of banking, pricing, payroll, interest, reading and analyzing financial statements, taxes, insurance, and investments, and application of these concepts to situations in business and personal life.

MAT3110 Discrete Mathematics

Discrete (as opposed to continuous) mathematical topics, including modular arithmetic, logic, algorithms, graph theory, and related concepts.

Prerequisite: MAT1310 or ACT math score of 24 or higher

MAT2200 Calculus II

Continuation of Calculus I, including antiderivatives, the definite integral, the Fundamental Theorem of Calculus, and infinite sequences and series.

Prerequisite: MAT2000 Calculus I

MAT3000 Calculus III

Continuation of elementary calculus, applying concepts learned in Calculus I and II in the contexts of two- and three-dimensional space, with a review of derivatives and integrals, and an introduction mathematical logic, proof techniques, and set theory.

Prerequisite: MAT2200 Calculus II

MAT3100 History of Mathematics

The development of mathematical concepts throughout the history of world cultures (e.g., Greek, Indian, Arabic), including the lives and contributions of great mathematicians are explored.

3

3

3

Prerequisite: MAT1520

3

MAT3130 Foundations of Geometry

Axiomatic development of Euclidean and non-Euclidean geometric concepts.

Prerequisite: MAT1520 or ACT math score of 24 or higher

MAT3200 Introductory Analysis

A review of many of elementary calculus with examination of their theoretical basis, topological properties of the real numbers and a focuses on examples and proofs.

Prerequisite: MAT3000 Calculus III

MAT3300 Statistics

Statistics is the method of conducting a study about a topic by collecting, organizing, interpreting, and presenting data. This course prepares the student to perform statistical analysis of data sets. Topics include descriptive statistics, probability, sampling distributions, interval estimation, hypothesis testing and regression.

MAT4100 Probability

Basic concepts of probability, including sample spaces, computation rules, discrete and continuous probability distributions, random variables, multivariate distributions, and the Central Limit Theorem. Requires familiarity with single-variable differential and integral calculus.

MAT3400 Linear Algebra

Matrix methods for solving linear equations, theoretical presentation of vector spaces, the duality between vector spaces and matrices, and applications of these concepts.

MAT4300 Abstract Algebra I

Group and field theory, including properties of natural numbers, normal subgroups, conjugacy, homomorphism, Sylow's theorems, composition series, symmetric groups, field extensions, polynomials, and classic geometric constructions.

MAT5000 Historical and Cultural Foundations of Mathematics

The development of mathematics across time, geography, and culture, within a Biblical worldview. Students will consider how these influences shape the study and instruction of mathematics, with attention to quantitative reasoning, covariational reasoning, and problem-solving play in learning major ideas of mathematics.

Prerequisite: Must meet graduate admissions standards.

MAT5100 Applied Probability

Basic concepts of probability, including sample spaces, computation rules, discrete and continuous probability distributions, random variables, multivariate distributions, and the Central Limit Theorem. Students are expected to be familiar with single-variable differential and integral calculus.

Prerequisite: Must meet graduate admissions standards.

MAT5200 Applied Statistics

Statistical methods and data analysis for students who have completed an undergraduate course in statistics.

Prerequisite: Graduate admission.

Highly Recommended: MAT5100 Probability or equivalent

MAT5300 Teaching of Geometry, Grades 7-12

Geometry concepts, curricula, and current pedagogical standards reinforced by the National Council of Teachers of Mathematics and the Ohio Council of Teachers of Mathematics.

Prerequisite: Graduate Admission

MAT5400 Teaching of Algebra, Grades 7-12

Algebraic concepts, curricula, and current pedagogical standards of the National Council of Teachers of Mathematics and the Ohio Council of Teachers of Mathematics.

MAT5500 Real Analysis

The properties of real numbers and the ideas of sets, functions, and limits, with attention to measure and integration theory, the theory of metric spaces, and real valued functions.

MGM Master of Management

MGM6800 Dual Masters Capstone

This course serves as the culmination and integration of the learning from all Master of Business Administration and Master of Arts in Ministry courses. There will be a synthesis of business administration strategies with the integration of their Personal Credo and Philosophy of Ministry in a capstone project.

Prerequisite: Completion of major courses

MGT Management

3

MGT1000 Introduction to Management

Accepted management principles from historic and contemporary perspectives with application to not-forprofit and for-profit organizations.

3

3

MGT3020 Managers in Organizations

The roles of managers in creating and modifying organizations to fulfill the organizational mission, including analysis of interaction in an organization, and the goals, priorities, and strategies of employees.

MGT4260 Strategic Management

This course will address the system concepts, methodologies, and tools to strategically plan and effectively manage core competencies needed by businesses in today's global environment.

Prerequisite: MGT1000

MGT4800 Management Capstone

Offers an overall view of managing an organization by challenging students to integrate learning from all course work in solving complex management problems.

Prerequisite: Completion of major courses and/or concentration courses.

MGT6070 Global Business Environment

Common operational challenges of global businesses with a focus on management, social, economic, political, and financial implications of strategic operations from a faithbased perspective. Topics include cross-cultural context, values, ethics, communication, the influence of international expansion, human resources, and faith-based business operations. Special consideration of current events related to global organizations and their impact on the business environment.

MGT6200 Advanced Strategic Management

3 This course is designed to provide students with an advanced understanding of the current strategic operations management approaches, with proven analytic techniques.

3

MIN Ministry

MIN1000 Survey of Christian Education

This course is a study of the biblical introductory and contemporary basics of evangelical Christian education. The study will be a comprehensive overview of the field of Christian education with a focus on the teaching/learning process in the local church. A secondary emphasis will be on Christian education in the family and other settings.

MIN1005 Christian Service Seminar

Introduction to the Christian Service program, including the rationale, policies, and procedures for Christian Service at Ohio Christian University, with field engagement in approved service learning through ministry and response to the needs of the community.

MIN1025 Introduction to Student Ministry

Introduction to ministering to adolescents, including adolescent development, personal calling, programming, discipleship strategies, volunteer retainment, and personal philosophy.

MIN1030 Introduction to Christian Missions

Introduction to the biblical and theological foundations of missions, an overview of missions history, survey of the world's religions, and a foundation for response to God's leading.

MIN1040 Principles of Worship

Class instruction in scriptural principles and methods of worship, coupled with field experience exposing the student to varied worship styles, and are employed to equip the student to critically analyze worship practices.

MIN1100 Survey of Children's Ministry

This course is a study of the nature and needs of childhood with special attention to nurturing and enriching the moral and spiritual development of the child. Students will gain skills in the practical application in planning the Church's ministry to and for children.

MIN1200 Survey of Youth Ministries

This course explores current trends in youth ministry found within the evangelical church and youth culture abroad, while giving special emphasis to practical tools and techniques that may be implemented to grow the youth ministry programs of a local church and beyond.

MIN1400 Personal Stewardship

This course is designed to assist the student in being a good steward of God-given resources. While mainly concentrating on finances (budgeting, debt, giving, investing), this course will also lead the student to better choices concerning careers, honesty, wise council, time management, and planning. The student will complete an analysis of his/her current situation and develop an effective plan to become a better steward.

MIN2015 Effective Youth Communication

0

3

3

3

The study and implementation of effective communication habits and strategies to students, parents, church staff, and leaders. Topics include navigating difficult subjects and conversations with students, leading a parent meeting, and developing a sermon series.

3

2

MIN2020 Evangelism and Discipleship

A study of how to lead a church in effective evangelism and discipleship. Examines the biblical basis for evangelism and discipleship, assesses contemporary models for evangelism and discipleship, and equips students to formulate their own holistic plan for leading a church in evangelism and discipleship.

MIN2025 Youth and Family Ministry

Cultural trends in adolescent and family lifestyles, values and issues, and their relationship to ministry. Developmental issues involving families with adolescents. Designing and implementing family-based youth ministry programs.

MIN2040 Christian Ministry Administration

3 This is a study of the multiple roles of leaders in Christian ministry in the context of the Church and its varied ministries. Special emphasis will be given to the impact that lay and pastoral leaders have on the quantitative growth of the Church.

MIN2045 Technology in the Church

Use of information technology to support individuals and groups in churches, including productivity, communications, operations, and worship.

MIN2800 Ministry Practices

Introduces students to the role of the pastor and key practices for pastoral ministry.

MIN3010 Pastoral Ethics

Ethical codes that inform the critical thinking of care givers called to ministry in traditional settings. The parameters that will be discussed using case studies are designed to challenge ministers to a higher level of both thinking and acting as representatives of Jesus Christ. Such practices protect both the pastor and those to whom he or she ministers.

MIN3015 Church Administration

Concepts, principles, and methods for organizing the ministries of a local church, with emphasis on strategic planning.

MIN3025 Preaching I

Introduces the principles and skills necessary to faithfully interpret and effectively communicate Scripture through preaching. Students complete practical application assignments and deliver sermons.

MIN3035 Student Ministry Events, Camps, and Conferences

Practical experience in event, camp, mission trip, and conference leadership. Focusing on strategy, philosophy, and execution, students will seek to understand what role these major turning points play in a student's adolescent spiritual development.

MIN3045 Preaching II

Focuses on preaching and teaching the Old Testament as Christian Scripture. Students complete practical application assignments and deliver sermons.

MIN3050 Exploring Christian Ministry

This course is an introductory course that will assist the learner in developing the research and writing skills necessary for success in the ministry program. The course also gives special attention to building an awareness of calling, the personal and professional character of the minister, and the practice of ministry.

MIN3055 Philosophy of Student Ministry

Past and present models of ministry and a personal formulation of one's philosophy of ministry.

MIN3150 Ministry Leadership

This course focuses on leading churches and other ministries with a biblical worldview, strategic planning, and effective management of people and resources. Special attention will be giving to entrepreneurial thinking, planning, and leading for advancing the Gospel.

MIN3200 Spiritual Formation in the Evangelical Church3

This course integrates foundational Christian doctrine with personal experience in the journey toward wholeness in Christ. The course will be emphasizing scripture, discipline, and community as essential patterns of devotion.

MIN3510 Worship and Sacraments

A biblical, theological, and historical study of Christian worship and sacraments with an eye to contemporary practice. Examines the biblical foundations, historical development, and contemporary expressions of worship and sacraments and equips students to formulate their own theology and practice of worship and sacraments.

MIN3999 Selected Topics in Christian Ministries A study of a faculty-selected topic in Christian ministries.

MIN4100 Fundamentals of Church Planting

This course is designed to equip church planters to develop their own church planting vision, mission, and the supporting processes and systems. The course will focus on the development of a strategic plan for establishing a church in a community.

MIN4195 Student Discipleship and Adolescent Spiritual Development

Methods for leveraging adolescent development for effective Student Ministry discipleship practices by conceptualizing student growth and implementing effective strategies in the local church with intentionality and a comprehensive understanding of adolescent development. The course emphasizes connecting orthodoxy to orthopraxy as the mark of an effective student pastor and prioritizes students' faith development.

MIN4200 Sacraments and Rituals in the Evangelical Church

3

This course introduces the biblical and theological concepts of sacraments in the life of God's people and enables students to design meaningful ways to celebrate both sacraments and other spiritual rituals in congregational worship and life.

MIN4255 Student Ministry Programming

Programs, materials, and methods currently used in youth ministry. Topics include worship, ministry opportunities, discipleship, biblical education, and fellowship.

Prerequisite: MIN1025

3

3

3

3

3

MIN4300 Growing a Great Commission Church

This course is designed to provide the skills to grow a new church after the launch. The course will look at how to continue to develop a spiritually focused and strategically mobilized church to fulfill its role in God's global mission.

MIN4800 Leadership and Ministry Capstone

Offers an overall view of leadership in religious ministry by challenging students to integrate learning from all course work in solving complex leadership and ministry problems and clarifying their ministry philosophy.

Prerequisite: Completion of major courses and/or concentration courses.

MIN4950 Christian Ministries Internship

A supervised internship of at least 6 weeks and 120 hours in which the student gains practical Christian ministries experience in an approved local church or parachurch organization.

Prerequisites: Approval of internship by program director.

MIN4955 Student Ministry Internship

A supervised internship of at least 6 weeks and 120 hours in which the student gains practical Christian ministries experience in an approved local church or parachurch organization.

Prerequisites: Approval of internship by program director.

MIN5000 Ministry Essentials

Note: This course is the prerequisite for the remainder of the MA in Ministry.

This course is an introductory course that will assist the learner in developing the basic skills necessary for success in graduate study. The orientation course is an overview of biblical studies and theology, while building awareness of calling, personal strengths, and graduate writing skills.

MIN5200 Worship in the Church

This course is an exploration of corporate Christian worship: the acts and expressions flowing from a biblical Christian understanding of who God is, and how he has chosen to relate with people, especially those he has redeemed. It is supplemented by a review of worship's historical development and incorporates application of these principles to planning for corporate expression of worship.

MIN6100 Biblical Preaching

This course is intended to concentrate on the dual tasks of biblical exegesis and sermon delivery. Students will be expected to preach at least twice in class using various literary genres taken from both testaments. The course will give particular attention to expository preaching.

MIN6200 Theology and Ethics of Competition

A study of the Biblical and Theological basis for competition and sport. This course will provide the Theological foundation and Christ-centered rationale for competition, sport, and Christian involvement in athletics.

MIN6220 Models of Sport, Recreation, and Fitness Ministries

A study of the general historical overview of Sports Ministry during the 19th – 21st centuries with a brief review of 1st-century interaction between the sporting world and the emerging Christian Church. Special emphasis will be placed on the understanding of all SR&F ministry from a theological foundation that builds a philosophy of ministry, which in turn drives relevant methodological models.

3

3

3

MIN6240 Sports Ministry Organization and Administration

A study of the concepts, principles, and methods needed to organize sport, recreation, and fitness ministries of a local church and para-ministry. Special emphasis will be given to understanding and being able to apply the practices necessary to construct a strategic plan for a sports ministry.

MIN6260 Sport, Recreation, and Fitness Evangelistic Discipleship

A study of a personal and corporate evangelistic discipleship through the medium of sport and athletics. This course will offer the rationale for theologically grounded and strategically effective methods for regeneration and sanctification using SR&F ministries.

MIN6300 Pastoral Leadership

This course is designed to explore pastoral leadership by focusing upon the implications of the biblical servanthood model as it pertains to the pastor/leader in the practice of ministry. This course seeks to guide the student into a better understanding not only of what the pastor as leader does but also of who the pastor as leader is within the context of Christian ministry as well as to develop a more unified model of a Servanthood Theology of Ministry model.

MIN6500 Spiritual Disciplines

This course is a study of the spiritual disciplines as they relate to the spiritual well-being and development of the minister. Students will experiment with a variety of spiritual disciplines to foster spiritual formation in the journey of faith.

3

3

MIN6700 Mission in the Western World

This course equips students for mission to non-Christian people in contemporary Western society. The course draws on insights from Scripture and the social sciences. Emphasis will be given to understanding the social and cultural influences, attitudes, beliefs, values, and worldviews of people in post-modern and post-Christian America.

MIN6800 Ministry Capstone

This course is the culmination of the Master of Arts in Ministry program. Through a Capstone Project, students will demonstrate competence in program objectives and will integrate what they have learned on a scholarly level into practitioner settings appropriate to their concentration. Students will also develop a Personal Credo and Philosophy of Ministry.

Prerequisite: Completion of major or concentration courses.

MIS Missions

MIS1010 Introduction to Global Missions

Introduction to the biblical and theological foundations of missions, an overview of missions in Christian history, and exposure to foundational concepts that will be developed in other missions courses.

MIS3000 Anthropology for Christian Mission

This course is an introduction to cultural anthropology. Attention will be given to the application of anthropology to Christian evangelization and mission.

MIS3100 Apologetics in a Pluralistic World

A study of how to articulate and defend the unique truth claims of Christianity in relation to other religious and non-religious worldviews. Surveys different approaches to apologetics and equips students to bear witness to Christ in a variety of cultural contexts.

MIS3999 Selected Topics in Global Missions

A study of a faculty-selected topic in global missions. Repeatable with different topics.

MIS4000 World Religions

A comparative study of major world religions including Hinduism, Buddhism, Islam, and Christianity.

MIS4100 Communicating Cross-Culturally

This course outlines the principles of communication, describes the challenge of overcoming cross-cultural barriers to communication, and presents the techniques and skills used within cross-cultural communication.

MIS4900 Cross-Cultural Internship

A supervised internship of at least 6 weeks and 120 hours in which the student gains practical cross-cultural missions experience in an approved missions organization. Prerequisite: Approval of internship by program director.

MKT Marketing

MKT1050 Introduction to Marketing

The interacting marketing activities of analysis, planning, implementation, and control with a focus on competitive and customer analysis, marketing strategy development, and implementations for decision-making in domestic and global organizations. The course incorporates current developments in marketing, including the social, legal, ethical, and technological environments of marketing. Students apply these skills and concepts in a real marketing situation to make recommendations for marketing strategy and tactics.

MKT2080 Social Media and Ecommerce

Integrating digital marketing, content marketing, and customer relations to build ecommerce platforms and cultivate leads and sales through social media relationships.

3

3

MKT3000 Marketing Concepts and Application

Overview of the marketing ecosystem used to create, manage, maintain, grow, or change organizational marketing campaigns, programs, and processes. Prerequisite: MKT1050

MKT3100 Advertising and Promotion

Using media and incentives to inspire customers to purchase products or services.

Prerequisite: MKT3000

3

3

3

MKT3200 Consumer Behavior

Basic consumer behavior theories and how that behavior can be affected by marketing strategies.

MKT3999 Selected Topics in Marketing and Consumer Behavior

A study of a faculty-selected topic in marketing and consumer behavior.

Repeatable with different topics.

MKT4000 Advanced Consumer Behavior

Continuation of MKT3200, with emphasis on consumer behavior theories and analysis.

Prerequisite: MKT3200

MKT4220 Product and Brand Management

Decision-making for the management of products and brands in relationship to the product life cycle.

Prerequisite: MKT3000

MKT4230 Market Research

This course provides a study of how data analysis and consumer perspective are used in contemporary marketing efforts.

Prerequisite: MKT3000

MKT4300 Key Trends in Consumer Behavior

Continuation of MKT4000 emphasis on recent trends and events in consumer behavior.

Prerequisite: MKT4000

MKT4800 Marketing & Consumer Behavior Capstone 3

This course serves as the capstone project organizing all material students have learned the duration of their marketing and consumer behavior program. Students will analyze and develop comprehensive marketing strategies creating a project that represents the fullness of the student's education and their integration of biblical principles within marketing and consumer strategy.

Prerequisite: Completion of major courses.

MKT5010 Marketing and Advertising for Managers

Analyzing marketing mix variables for problem solving in both domestic and international markets, consumer behavior, digital marketing strategies, improving product management, maximizing channels, and customer-driven marketing strategies.

MKT 6100 Management in Social Media and Ecommerce
