- ❑ The Evangelical Training Association.

DOCTRINE

- ❑ We believe that the Holy Spirit is a Divine Person who reveals Christ, both in a ministry to the world by restraining evil and by convicting of sin, and in a ministry to the Church by indwelling, empowering, guiding, and teaching all Christians.
- ❑ We believe in the deity of Jesus Christ, who became man, being conceived of the Holy Spirit and born of a virgin. He lived a sinless life and died a substitutionary death as a complete sacrifice for

About OCU

the sins of all mankind. He arose bodily from the dead and ascended to the right hand of the Father where He is now our interceding High Priest.

- ❑ We believe in the Bible, God's infallible Word, fully inspired by the Holy Spirit, the supreme authority for faith and practice.
- ❑ We believe in one God; self-existent in three Persons, coequal and coeternal; Father, Son and Holy Spirit.
- ❑ We believe that man was made in the image and likeness of God and by transgression incurred guilt before God, depravity of soul, and spiritual death.
- ❑ We believe in the universal atonement Christ provided for all mankind and that they who do repent and believe on Him are justified and regenerated from the guilt and practice of sin.
- ❑ We believe in entire sanctification as a definite crisis experience subsequent to regeneration. It is wrought on the basis of faith and consecration through the infilling of the Holy Spirit by which the believer is cleansed from all sin and to which the Spirit testifies.
- ❑ We believe in the progressive growth in grace toward Christian maturity through a consistent Christian life of good works which springs from faith in God and obedience to His Word. This growth we believe to be a necessary complement to the above mentioned crisis experience.
- ❑ We believe in the true universal Church as the Body of Christ and Temple of the Holy Spirit. It is composed of all true believers in Christ. It was created by Him for worship and fellowship and is commissioned by Him to publish the Gospel to all the world.
- ❑ We believe in the personal return of Christ who shall come with power and great glory to gather the Church to Himself, to establish His millennial kingdom, and to judge the quick and the dead.
- ❑ We believe in the resurrection of the just, who shall enter into an actual eternal heaven, and the resurrection of the unjust, who shall go away into an actual and eternal hell.

HISTORY

Ohio Christian University was founded in 1948 for the purpose of educating clergy for its sponsoring organization, the Churches of Christ in Christian Union. In 1958 a Board of Trustees was established, and in 1961 the institution was incorporated by the State of Ohio. By the mid-1960s the institution had reached an enrollment of 150 and moved to forty acres on Route 22 east of Circleville.

In 1976 the institution received authorization from the Ohio Board of Regents and accreditation through the Association for Biblical Higher Education. Other programs were added such as counseling and music. In 1983 teacher

education was initially offered for students interested in Christian school teaching. Later, the program was expanded through articulation agreements with other institutions to enable students to receive state licensure upon completion.

In the late 1990s the institution added a business program. The first nontraditional adult degree completion programs (AIM Adult Degree Program, now the College of Adult and Graduate Studies) accepted students in January 1999. In 1998 the institution began pursuing dual institutional accreditation with the Higher Learning Commission and was granted HLC accreditation in 2005.

Following the Higher Learning Commission accreditation in 2005, the Board of Trustees began a search for a new president who would expand the outreach of the University. Under the new president's leadership, the mission of the institution was clarified; new goals were envisioned; assessment plans updated, clarified, and implemented; and programs and partnerships expanded.

Ohio Christian University has remained true to its founders' vision throughout its history. Since its first graduating class of five in 1952, the institution has continued to produce leaders for the church and society. Although the mission, structures, and processes have developed and expanded throughout six decades, the founding goal has remained—that men and women be taught “to value souls more than money and eternity more than time,” producing Christian servant leaders to impact the world.

STUDENT LIFE

Spiritual Emphasis

The development of your spiritual life is an important aspect of your time at Ohio Christian University. Students are encouraged to set aside time each day for private devotions and cultivate the development of their personal devotional lives.

Chapel engages students in worship and preaching on Tuesdays and Thursdays. Revival services are held at the beginning of each semester to establish a spiritual focus for the semester. Students are expected to regularly attend a church in the Circleville area unless they have a commitment to another church. Special missionary chapels and conferences give students a glimpse of several mission fields and help them develop a concern for other people.

Student Organizations

The Student Government Association is elected by the student body as its official voice. It serves as a liaison between the student body and the administration to encourage a cooperative relationship among students, faculty and staff. The Student Council offers activities and services that benefit the entire student body.

Social and Recreational Activities

Social activity is an important part of college life experience. A well-rounded program of social activities at Ohio Christian University provides students with opportunities to develop positive relationships with students, faculty and staff members. During the school year, students are able to take part in a number of planned events sponsored by various classes and organizations.

The University's close proximity to Columbus makes it possible for students to take advantage of many cultural events that are found in a university city. In addition, there are a number of cultural events held annually in Circleville. The University is also located within reasonable driving distance to Cincinnati. Several nearby state parks make it possible for students to join friends in informal outings and picnics.

A recreational program is provided for all students. Students are able to participate in intramural sports and to make use of such facilities as the gymnasium, weight room, various lounge areas, basketball courts, sand volleyball court, and paintball course.

About OCU

student must be enrolled for a minimum of 9 semester hours unless fewer hours are needed to meet graduation requirements. Students are not permitted to reside in the residence halls during the summer break.

Residence hall life can be an enjoyable learning experience. Each residence hall is supervised by Assistant Resident Directors and Resident Assistants under the supervision of the Director of Housing and Residence Life. Residence hall staff members maintain an open door to student needs.

The goal of residence life is to help students mature socially and spiritually as they become a part of the University community.

Married students live off campus. Students are assisted as much as possible in finding satisfactory housing nearby. Further information can be obtained by contacting the Vice President for Student Development.

The program requires that schools provide counseling to students and parents to inform them of possible risks and consequences of taking part in the dual enrollment programs. Students and parents must submit an Intent to Participate form, indicating that counseling was provided and all responsibilities for participation are understood. Non-public students may also apply for State Funding to assist with tuition costs.

Students enrolled for more than six semester hours or students who plan to enroll in consecutive semesters under one of the above categories are required to complete the entire application form.

Senior citizens, age 60 and older [proof required], may attend (audit) classes at no tuition charge providing there is space available and the professor gives permission. Book and material costs and course fees are the responsibility of the individual auditing the course. Registration is not required; no grade or credit will be recorded.

ORIENTATION, TESTING, AND REGISTRATION

Activities planned during the first few days of each semester are designed to help students become acquainted with the University and adjust to a new environment. During these days incoming students take various placement tests, meet with faculty members and student leaders, and engage in social activities. The tests taken during orientation provide academic and social counselors with information useful in assisting students toward achieving greater efficiency in preparation for their college career. In keeping with the Privacy Act of 1974, only appropriate personnel will receive results.

Following a period of orientation and testing, students who have not already done so are able to register at the times announced. The normal student load is 14-16 semester credit hours. Students having academic difficulties, or those who are meeting their expenses by working should plan to reduce their credit hours.

A MESSAGE FROM THE PROVOST, DR. HANK KELLY

Ohio Christian University is committed to three areas of excellence: learning environment, curricular content, and spiritual environment. The faculty and university community share the belief that the Bible is a book of unparalleled truth and wisdom and is the foundation of all truth, and its truth is enduring. Consequently, a biblical worldview is integrated in every course regardless of the subject, and every student takes Bible courses.

We strive for excellence in structuring our learning environment with a pleasant physical and social atmosphere. One of our finest and most modern campus facilities is our library. Adjacent to the library is our chapel in which services are held twice a week. The Dean and Diana Hickman Student Center with the dining room and Blaze Café is where students and faculty meet socially. Our faculty are committed, caring, and approachable, and most classes are small and personal.

Our faculty have carefully planned the curricula so that it carries out our mission. The thrust of our mission is to prepare students to succeed in their ministries and careers, thus serving both the church and society. Our educational program is planned for students to be able to take with them significant learning experiences gained in the classrooms under the instruction of Christian professors and through spiritual experiences that become defining moments for their lives.

Finally, in concert with promoting learning, our students' spiritual life must also be developed. True learning that leads to wisdom is gained by balancing the cognitive discipline of learning with a growing relationship with Christ and acting on that knowledge and relationship.

We hope to prepare our students for life as well or better than any university.

Dr. Hank Kelly

ADVISING

Students are assigned an academic advisor upon entrance to the university based on their intended major and field of study. Advisors assist students in selecting courses that fulfill program requirements. It is the responsibility of students to see that graduation requirements are met.

GRADE APPEAL POLICY

A grade appeal involves those situations in which a student believes that an instructor (a) has not followed fair grading practice or (b) has not followed published grading policy. A student who wishes to appeal a final course grade based on one or both of these reasons must follow these procedures:

1. The student must first contact the instructor within four weeks of issuance of the grade for a full explanation of the grade given and the basis for assigning the grade. This should be a prearranged/scheduled meeting rather than an impromptu meeting. The instructor has two weeks to respond to the student.
2. If there is no satisfactory resolution, then the student should submit a grade appeal request form to the chair of the department in which the dispute occurred, within two weeks of the instructor's response to the student. Absent exceptional circumstances, the department chair has two weeks to render a written decision. If the faculty member involved in the grade appeal also is the department chair, then after step 1 the student should appeal to the Provost. If the faculty member involved in the grade appeal also is the Provost, then after step 1 the student should appeal directly to the Academic Committee.
3. The instructor may appeal the department chair's decision to the Provost, by submitting a formal request in writing within two weeks of issuance of the decision.
4. If still unsatisfied, within two weeks of the department chair's issuance of a written decision the student may submit a grade appeal request form and any supporting documents to the Provost. The decision of the Provost (or Academic Committee if the faculty member involved in the grade appeal also is the Provost) will be final and binding upon all parties.

ACADEMIC POLICY GRIEVANCE PROCESS

An academic policy grievance involves those situations in which a student believes that the university has not followed published policies (which are contained in the Academic Catalog) regarding an academic decision. A student who wishes to file an academic policy grievance must follow these procedures:

1. It is recommended that the student first contact the person who has made the decision for a full explanation of the policy and how the policy is followed.
2. The student may request that the matter be reviewed by the chair of the department (or equivalent) in which the dispute occurred by filing a formal request in writing. If the complaint involves the department chair, then the student should submit the complaint to the Provost. If the complaint involves the Provost, then the student should submit the complaint directly to the Academic Committee. The department chair (or, if applicable, the Provost or Academic Committee) will notify the student of the decision in writing. If a properly completed written request is not received by the university within 30 calendar days of the date on which the event that gave rise or the complaint occurs, then the student will forfeit any further right to appeal.
3. The student may appeal the department chair's decision to the Provost by submission of a written request. If the university does not receive a properly completed written request within 15 calendar days of the date on which the notice in step 2 was sent, then the student will forfeit any further right to appeal. The decision of the Provost (or the Academic Committee if the complaint involved the Provost) will be final and binding upon all parties.

HONORS

Academic excellence is promoted within the student body. A concerted effort is made to encourage students to succeed in their scholastic work and to experience affirmation in their college careers. There are several honors given to outstanding students.

Academics

DEAN'S LIST

Students enrolled in at least 12 semester hours who achieve a GPA of at least 3.50 are included on this list published following each fall and spring semester.

Additionally, during the semester in which the honor is awarded, students must:

- ❑ Have no incomplete grades
- ❑ Have no unsatisfactory or "F" grades, including courses that bear no academic credit, such as Christian Service and Spiritual Formation/Chapel.
- ❑ Be in good standing with the Community and Academic Integrity guidelines

GRADUATION HONORS

DELTA EPSILON CHI HONOR SOCIETY

The faculty may nominate up to 7% of the graduating class to the Delta Epsilon Chi Honor Society of the Association for Biblical Higher Education. To qualify for eligibility for nomination to this honor society, students must have a cumulative grade point average of 3.30 or above, 90 or more semester hours in residence, exhibit Christian character qualities, possess leadership ability, and be nominated by the faculty.

LATIN HONORS

The following honors are designed for bachelors graduates. Summer bachelor graduates are eligible for these honors, but cannot be recognized at the spring commencement because their grades for summer classes are not yet completed. Completers of associate and graduate programs are not eligible.

Students who have earned at least 60 credit hours in residency in course work which assign letter grades that affect the student's cumulative GPA must meet the following criteria:

- ❑ **Summa Cum Laude** (with highest honors): cumulative grade point average of 3.90 or above.
- ❑ **Magna Cum Laude** (with high honors): cumulative grade point average of 3.75-3.89.
- ❑ **Cum Laude** (with honors): cumulative grade point average of 3.50-3.74.

Students who have earned between 40 and 59.9 credit hours in residency in course work which assign letter grades that affect the student's cumulative GPA must meet the following criteria:

- ❑ **Summa Cum Laude** (with highest honors): cumulative grade point average of 3.95 or above.
- ❑ **Magna Cum Laude** (with high honors): cumulative grade point average of 3.80-3.94.
- ❑ **Cum Laude** (with honors): cumulative grade point average of 3.55-3.79.

Because of pending program requirements, summer graduates will not be recognized for these honors during the spring commencement. Summer graduates are eligible for these honors when graduation requirements are met.

CLASSIFICATION OF STUDENTS

Upon admission students are classified by the Registrar's Office. Students are reclassified after each semester. In the reclassification process, if a student is border line between two classifications, the Registrar may give the higher classification.

Freshmen: Students admitted to a regular course of study.

Sophomores: Students who have completed 30 semester hours. Students enrolled in the second year of the Associate of Arts program are classified as sophomores and are eligible to participate in all sophomore class activities. Participation in senior activities (Junior-Senior Banquet, incidental graduation events) is by invitation from the senior class.

Juniors: Students who have completed 60 semester hours.

Seniors: Students who have completed 90 semester hours. A student may participate in senior activities only once.

Unclassified Students: Includes students who are part-time (one to eleven hours) and not pursuing a degree or diploma program, in evening school only, or auditing.

ACADEMIC PROGRESS

To earn a degree from OCU, students must achieve a 2.0 grade point average.* Students who do not make satisfactory academic progress are placed on Warning, Probation, or Suspension status. This policy is designed to help students keep on track toward successful completion of their chosen degree program.

*Teacher Education programs and the dual-degree program with Ohio University - Chillicothe require a 3.0 grade point average.

Academics

GPA REQUIREMENTS

Students are placed on Academic Warning, Probation or Suspension based on the following guidelines:

Semester Hours Attempted <i>Including transfer hours</i>	Academic Warning <i>Cumulative GPA below</i>	Academic Probation <i>Cumulative GPA below</i>	Academic Suspension <i>Cumulative GPA below</i>
1-16	1.8	1.7	
17-32	1.9	1.8	1.7
33-48	2.0	1.9	1.8
49-69		2.0	1.9
60 and above	Semester GPA below 2.0		2.0

Academic Warning, Probation, and Suspension

- ❑ While on **Academic Warning** students may register for only 12 hours.
- ❑ **Academic Probation** is recorded on the student's transcript and students are required to register for PS097 Academic Success, and students may register for only 12 additional hours.
- ❑ **Academic Suspension** is recorded on the student's transcript, and the student is suspended for the next Fall or Spring Semester, and may not register for the summer term.
- ❑ Students who wish to appeal for reconsideration of the academic suspension may contact the Registrar's Office for instructions. If the appeal is granted the transcript will be marked Academic Probation with Granted Appeal.
- ❑ A student returning by appeal or after suspension will continue on Academic Probation until their GPA reaches the required level.
- ❑ The Academic Committee may impose additional restrictive and/or corrective measures it feels will help students overcome their grade point average deficiency.

PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

Students on academic probation are encouraged to minimize extracurricular activities such as intercollegiate athletic competition, and University-sponsored public relations groups.

A student who holds an elective office in a student organization will be asked to resign that position if their GPA falls below 2.0. Re-qualification to hold a student office requires achievement of a minimum 2.0 GPA for both semester and cumulative averages.

ACADEMIC HONESTY POLICY

Students are expected to be honest in all of their academic work and are responsible for their own work for course requirements. Scholastic dishonesty is a violation of both academic standards and Biblical teachings, and is an affront to other students and the faculty. Academic dishonesty includes the following:

- ❑ Cheating on assignments and tests.
- ❑ Plagiarism. When using secondary source material (both online and print) for written assignments and research papers, the student is responsible for knowing the fair and ethical treatment of these sources. Borrowed ideas, quotations, summaries, and paraphrases must be cited in accordance with APA documentation style, or another documentation style deemed appropriate by the class instructor.

Academics

- ❑ Submitting a paper or project in which part or the entirety was done by someone else. (This does not include designated group assignments in which the student participates).
- ❑ Providing work to another student to submit as his or her own.
- ❑ Submitting the same (or essentially the same) paper or project in more than one course without prior consent of the current instructor involved.
- ❑ Any act which violates the rights of other students from completing their academic assignments (e.g., deliberate withholding of necessary academic material, or willful harm to another student's work.)

All instances of academic dishonesty must be reported to the Provost's Office for recording in the student's permanent file. Students found guilty of academic dishonesty will be penalized by the instructor for the first offense. The penalty may include reduced credit or no credit on the assignment or test, additional assignments, or other measures deemed appropriate by the instructor. The second offense of academic dishonesty during the student's academic career will result in an automatic failure of the course. The third offense of academic dishonesty during the student's academic career will result in dismissal from the University. A student who has been suspended for academic reasons may petition for readmission after a semester. Returned students receiving another academic dishonesty offense will receive permanent expulsion. A student who feels a charge of academic dishonesty is unjust or the penalty is unfair may appeal through the Academic Policy Grievance Process.

IDENTITY FRAUD

Enrolled students must complete their own assignments and exams. Any enrolled student who retains a third party to complete assignments and/or exams on the enrolled student's behalf has committed identity fraud. Identity fraud will result in immediate expulsion.

CHRISTIAN SERVICE REQUIREMENTS

Christian Service is an integral part of the educational philosophy of Ohio Christian University. All students are required to engage in Christian Service during their enrollment at the University. An important part of Christian Service is to help students discover the diverse ways they can use their gifts and talents to benefit others in Christ's name. Christian Service offers the opportunity for students to apply classroom instruction and theory to practical church and community experiences.

Students who are seeking a four-year degree from Ohio Christian University are required to fulfill five units of service. Students seeking a two-year degree from Ohio Christian University are required to fulfill three units of service. The first of these units will be fulfilled in a class, CS070 (Christian Service Seminar), which explains the rationale, policies and procedures for Christian Service at Ohio Christian University. The remaining four units will be administered as independent studies (CS071) and will be fulfilled as the students document their service experiences at host venues of service. The detailed syllabus for CS071 will serve as the student's handbook for Christian Service.

The opportunities for service include, but are not limited to: churches, schools, correctional facilities, compassionate ministries and a variety of community organizations. Within the parameters set forth by the CS071 syllabus, students may create a venue of service in which these requirements can be fulfilled. The Christian Service Director and the Christian Service Secretary will assist students as they seek appropriate venues of service and will guide them in assessing their experiences.

College Credits	Christian Service Units Required
Incoming Freshmen up to 30 Credits	5
31-60	4
61-90	3
91 & Above	2

CLASS ATTENDANCE POLICY

Class attendance is an essential part of the learning process. Significant materials, insights, perspectives, and opinions are gained from class sessions, and students are expected to participate in class discussion.

The number of allowed absences is shown in the table below. If a student misses more than the allowed absences in a given course for any reason, the student automatically fails the course unless an appeal is approved. Forms for appealing a failure due to excessive absences may be obtained from the Provost's office or online at www.ohio-christian.edu/registrar. Appeals must be submitted by the last day of regular classes (before final exam week).

Weekly class meetings*	Allowed Absences
3-week summer class	3
1	3
2	6
3	9
4	12

*Hybrid classes with online or alternative meeting days will still count both meeting days into the attendance policy.

Academics

Any assignments in lieu of class meetings count as a weekly class meeting, and students who do not complete these assignments will be counted absent.

Tests and other work may be made up for absences beyond the student's control (e.g., University-sponsored field trips, athletics, or music or drama presentations; hospitalization; death or hospitalization of an immediate family member). However, all absences remain a part of the student's attendance record and count toward the total absences in a class.

If a team qualifies for post-season play (i.e., National Tournament), an exception will be made to the attendance rule while the team is engaged in tournament play. If a student in good academic standing must miss more than the allowed absences for university-sponsored events, the necessary absences will not be counted against them. Faculty members are asked to provide an alternative option to missed participation points.

In the event of an unannounced absence of the instructor, students are not required to wait longer than ten (10) minutes after the scheduled beginning time of a class unless students have been notified that the instructor will arrive late.

VETERAN ABSENCES

The Veterans' Administration places responsibility upon participating veterans to meet the University's established attendance policy.

It is the responsibility of the University to report to the Veterans' Administration veterans who are not progressing satisfactorily. This is especially true in the case of unofficial drop-outs or official withdrawals. Instructors must be prepared, upon request, to report the last day of attendance of any veteran student.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA), a Federal law, gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. *

With certain exceptions FERPA requires Ohio Christian University to obtain your written consent prior to the disclosure of personally identifiable information from your education records.

Directory Information

Directory information is generally not considered harmful or an invasion of privacy if released. However, if you do not want Ohio Christian University to disclose directory information from your education records without your prior written consent, you must notify us in writing by the first day that classes begin in each semester.

The freedom to publish directory information allows OCU to include you in our publications such as the yearbook, honor roll lists, graduation programs and sports news. If you place a hold on your directory information, you will have to sign a consent form each time your information is released. In accordance with FERPA guidelines, OCU has designated the following items as directory information:

- ❑ Name
- ❑ Current enrollment
- ❑ Local address as a student
- ❑ Permanent address as a student
- ❑ Local telephone number
- ❑ E-mail addresses
- ❑ Date
- ❑ Dates of attendance
- ❑ Class standing (e.g., sophomore)
- ❑ Schedule of classes
- ❑ Previous institution(s) attended
- ❑ Field(s) of study
- ❑ Awards and honors
- ❑ Degree(s) and date(s) conferred
- ❑ Full-time or part-time status
- ❑ Photographic or videotaped image
- ❑ Past and present participation in officially recognized sports and activities, and physical factors of athletes (e.g., height, weight).

Other Rights

The Family Educational Rights and Privacy Act (FERPA) affords you certain other rights with respect to your education records. These rights are:

- ❑ The right to inspect and review your education records within 45 days of the day the college receives a request for access. You may submit to the Office of the Registrar a written request identifying the record(s) you wish to inspect. The registrar will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the registrar, the registrar will advise you of the correct official to whom the request should be addressed.

Academics

- ❑ The right to request the amendment of your education records that you believe to be inaccurate or misleading. You may request that the university amend a record you believe is inaccurate or misleading. You should write the official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as you requested, you will be notified of the decision and advised of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided when you are notified of the right to a hearing.
- ❑ The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. FERPA allows disclosure without consent to school officials with legitimate educational interests in the information. A school official is a person employed by the university in an administrative, supervisory, academic, or support staff position (including security and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university also is permitted to disclose education records without consent to officials of another school in which a student seeks or intends to enroll.
- ❑ The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA.

The complete regulations and full definitions of terminology are at the FERPA page on the U.S. Department of Education website. If you have other questions about FERPA you may visit the website of the Family Policy Compliance Office or you may write to them:

MULTIPLE DEGREES, MAJORS, AND CONCENTRATIONS

OBTAINING A SECOND BACHELOR'S DEGREE

Students can obtain a second bachelor's degree. It is not generally in the best interest of students to do so as a master's degree will usually be more advantageous. The following conditions apply:

1. An earned baccalaureate degree from an institution that holds regional or ABHE accreditation.
2. Earn a minimum of thirty (30) credit hours beyond the first degree.
3. Complete all the requirements associated with the second bachelor's degree program at OCU.
4. Meet the residency requirement.
5. If the original bachelor's has already been conferred by OCU, must reapply for admission and enter under the respective catalog.

OBTAINING A SECOND MAJOR

Students can obtain a second major while completing their degree with their originally declared major. The following conditions apply:

1. Complete the specific requirements of the original major declared.
2. Complete the specific requirements of the second major program at OCU.
3. Meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

OBTAINING ADDITIONAL CONCENTRATIONS

Students can obtain additional concentrations while completing their degree with their originally declared major and concentration. Additional concentrations must be within the same major (e.g., Psychology major with concentrations in General Psychology as well as Research). The following conditions apply:

1. Complete the specific requirements of all concentrations declared.

Academics

- 2. Complete all of the courses within the additional concentrations at OCU.
- 3. Meet the residency requirement.
- 4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

GRADING SYSTEM

The University operates on a four-point grading system as defined below.

GRADE DEFINITIONS

- A **Superior Work.** Implies excellence in thinking and performance in a course. High-level work that is clear, precise, well-reasoned and insightful.
- B **Above Average.** Implies sound thinking and performance in a course. B-level work is clear, precise, well-reasoned but does not have the depth of insight that A-level work has.
- C **Average.** Implies mixed thinking and performance in a course. C-level work is inconsistently clear, precise, well-reasoned, and inconsistently demonstrates comprehension of basic concepts and principles.
- D **Inferior, but Passing.** Implies poor thinking and performance in a course. D-level work is inconsistently clear, precise, and well-reasoned. It does not display a depth of insight or consistent competence.
- F **Failure.** Implies an attempt to get through a course by rote recall and reflects a mistaken comprehension of basic concepts and principles.
- FA **Failure due to excessive absences.**
- WF **Withdrawal - Failing.**
- I **Incomplete Course.** This work must be completed by 6 weeks after the final day of the semester in which the incomplete was awarded. After that date the incomplete becomes an “F.”

ACADEMIC ALERTS

Academic Alerts are issued at midterm to students whose grade has fallen below a “C” in one or more classes. Students on midterm alerts are encouraged to take action to ensure a successful finish for the semester. Support services are available through the Tutoring Center. Additionally, a student may want to schedule an appointment with his or her academic advisor, or with the instructor for the course in which the student is underperforming.

GRADES

At midterm and the end of each semester, grades are posted in Sonis.

REPLACING LOW GRADES

Students may repeat a course in which a “D” or an “F” has been awarded. Previously-taken courses remain on the transcript but the higher grade is used to calculate the cumulative GPA. This is special value to students on academic warning or probation. It is strongly recommended that students repeat any “D” or “F” courses to raise the cumulative grade point average.

Academics

INCOMPLETES

The following policy is to be applied to all students in the University who receive an “I” for incomplete work in a course:

1. A temporary grade of incomplete may be granted for some assignments when the student is prevented from finishing course work on time by extenuating circumstances, such as military service, hospitalization, or death in the immediate family. The student should demonstrate that the majority of work has already been accomplished. Some work, such as participatory activities, team exercises, and online discussions, cannot be made up.
2. It is the student’s responsibility to request an “I” grade by submitting the Incomplete Grade Request form available online or in the Registrar’s Office. This form must be submitted to the instructor no later than the last week of the course. If the emergency occurs in the last week of the course, the request must be made no later than 14 days after the end of the course as noted in SONIS.
3. The student and instructor will be notified regarding approval or denial of the appeal.
4. Students approved for a temporary grade of incomplete will be required to turn in completed work to the instructor who taught the course. The deadline for submitting work is six weeks from the end date of the course as noted in SONIS.
5. Failure to submit the incomplete work by this deadline will result in an automatic failure of the course.

GRADUATION REQUIREMENTS

To graduate, students must achieve each of the following:

- ❑ Complete an approved program of study.
- ❑ Earn a 2.00 cumulative grade point average or above. Some programs require a higher grade point average in all or part of the program.
- ❑ Fulfill Spiritual Formation requirements.
- ❑ Fulfill Christian Service requirements.
- ❑ Complete the application for graduation.
- ❑ Satisfactory arrangements for all financial obligations to the University.
- ❑ Complete required testing.

To graduate from Ohio Christian University with a bachelor’s degree, candidates must have earned at least 30 semester hours in residence and have completed the final 24 hours at Ohio Christian University (or under the supervision of OCU faculty). For associate degree, 15 hours must be completed in residence, including the final 12 hours. Students applying to graduate with more than one major must satisfy the requirements of each of the degree programs.

Graduation requirements are subject to change. Curriculum requirements serve as a guide to program planning and are also subject to change. Every effort will be made to communicate changes to all concerned students in a reasonable manner.

Ohio Christian University reserves the right to deny graduation to any student whose character is contrary to the testimony, doctrine, and standards of the University.

APPLICATION FOR GRADUATION

Before enrolling for the final 24 hours of a degree program, students must complete the Application for Graduation. The Application for Graduation form is available in the Registrar’s Office.

APPLICABLE CATALOG

When auditing students for graduation, the applicable catalog is usually the catalog current at the time of the student’s enrollment in the chosen program (provided it has been no more than six years for a bachelor’s degree program, or three years for an associate of arts program). When students change degree programs or re-enroll after an absence, the catalog current at that time will normally apply. Students may choose to graduate under a later catalog, in which case all requirements of that catalog must be met.

Academics

DEGREE CONFERRAL

Degrees are conferred in a rolling process to allow students who complete all program requirements to have their final transcript and diploma. Typically conferral happens monthly. Those with degrees already conferred are encouraged to participate in the annual commencement ceremony conducted each spring.

Students in a traditional undergraduate program who wish to participate in Spring graduation ceremonies as “summer graduates” must: (1) lack no more than six semester hours to complete in summer school; (2) take all remaining course work in residence at Ohio Christian University; and (3) have all requirements completed by August 1.

HONORS PROGRAM

Professional Staff: Dr. Matt Decker

The Honors Program at Ohio Christian University is designed to prepare students for graduate studies. The honors program enhances the undergraduate educational experience of students who have demonstrated high academic proficiency throughout high school or through their first year of college. The program consists of learning activities and curriculum that engages students in advanced levels of research that challenge them to explore new ideas and concepts. It provides an avenue for students to develop communication and writing skills, develop critical thinking skills, and improve their ability to integrate faith and learning in their professional field. The curriculum and activities are interrelated in nature and encourages conversation between liberal art classes, the Bible, and the student’s professional field.

All students graduating from the University’s Honors Program must complete 1 hour of honors credit for each semester in which they enrolled at Ohio Christian University as a traditional undergraduate student. Honors graduates are recognized at graduation and receive a special certificate and honors medallion. Completion of the Honors Program is also noted on transcripts.

The cost for the senior project is underwritten by the program including materials, copying, and binding of the project, or other associated costs.

HONORS SEMINARS REQUIREMENT

The Honors Program requires the completion of an honors seminar each semester in which the student is enrolled at OCU. Furthermore, each student is required to complete a senior project comprised of a project proposal, final paper, and final presentation.

HONORS PROPOSALS

At the beginning of their junior year, honors students are enrolled in a project proposal seminar. This seminar is planned to assist honors students with preparing their project proposals. Students must submit their project proposal at the end of the class.

SENIOR HONORS PROJECT

The honors capstone project may be completed during the junior or senior year. This project provides the scholar with the opportunity to explore a topic within his/her major field of study. Projects may be varied and include research, development, application, or creative works. Specific requirements with respect to the type of work, the format of the project report, and other details are determined by the student’s area of concentration and proposal. Each student, with assistance from a mentor professor, conducts research in his/her major or approved research field and communicates those findings in an honors project.

The Senior Honors Project is completed under the direction of a mentoring faculty member, and must include a substantial written report, similar to an undergraduate thesis. The Senior Honors Project contract requires the signatures of the student, mentoring faculty, and Honors Program Director.

HONORS PROGRAM ADMISSION REQUIREMENTS

Admission to the Honors Program in the First/Freshman Year

Students beginning their first full year of college are eligible for admission into the Honors Program. They must satisfy the following requirements:

- ❑ ACT composite score of 27 or above, or SAT composite score of 1820 or above.
- ❑ High School GPA of 3.4 or higher on a 4.0 scale.
- ❑ Two references in writing from persons familiar with the academic abilities of the applicant.
- ❑ Submission of a completed Honors Program Application form and 300-350 word essay.
- ❑ Interview with the Honors Program Committee.
- ❑ Students must complete all necessary application procedures prior to registration for classes at Ohio Christian University.

Academics

Admission to the Honors Program as a Transfer Student

Students transferring to Ohio Christian University at or before the start of their second/sophomore year may be admitted to the Honors Program if they satisfy the following requirements:

- ❑ 3.5 GPA in all undergraduate work completed.
- ❑ ACT composite score of 27 or above, or SAT composite score of 1210 or above.
- ❑ Letter of recommendation from two professors at the previously attended college or university.
- ❑ Submission of a completed Honors Program Application form and 300-350 word essay.
- ❑ Interview with the Honors Program Committee.

Continuation in the Honors Program

To continue in the program from year to year, the Honors Scholar must meet the following requirements:

- ❑ Maintain a 3.5 GPA or higher.
- ❑ Enroll in the fall and spring Honors Seminars.
- ❑ Progress toward completion of other Honors Program requirements, including the completion of an acceptable Senior Honors Project.

REGISTRATION

COURSE LOAD POLICY

The recommended course load for 4-year completion of most programs is 14-16 credit hours per semester. *A student may take up to 21 hours per semester for faster degree completion; however, a student should consult with his or her advisor regarding an appropriate load for the semester. To take more than 21 hours, a student must have a cumulative GPA of 3.0 or higher and must appeal for the overload. The appeal must be approved by both the student's academic advisor and the department chair or dean of the student's academic program. First-semester transfer students and freshmen without an OCU GPA are excluded from qualifying for a load over 18 credit hours. They must seek approval from their advising office.

Credits	Policy
14-18 credits	No approvals required if not on academic warning or probation
19-21 credits	GPA of 2.7 or higher*
Over 21 credits	GPA of 3.0 or higher with advisor's and department chair/dean's approval*

- ❑ **Recommended course load** (14-16 hours) for 4-year completion of most programs

- ❑ **Faster Completion:** A student may take up to 21 hours per semester for faster degree completion; however, a student should consult with his or her advisor regarding an appropriate load for the semester.
- ❑ **To take more than 21 hours,** a student must have a cumulative GPA of 3.0 or higher and must appeal for the overload. The appeal must be approved by both the student's academic advisor and the department chair or dean of the student's academic program.
- ❑ **Excluded:** First-semester transfer students and freshmen without an OCU GPA are excluded from qualifying for a load over 18 credit hours. They must seek approval from their advising office.

Directed Study

In the case of a senior level student who needs two required courses that have a schedule conflict, a senior may enroll in a directed study course. Such situations rarely occur if the student has followed the prescribed schedule of courses through the previous semesters. Failure to pass a lower level course or neglect in taking lower level courses at appropriate opportunities does not constitute legitimate grounds for requesting a directed study of a required course. Directed study may not be used to retake a course in which an "F" was previously earned. No course offered in a semester may be taken on a "no attendance" basis.

Due to the additional work and individualized attention that a directed study demands from the supervising faculty member, students are charged a directed study fee of \$150.00 per credit hour in addition to regular tuition charges. A "Proposal for Directed Study" form may be obtained from the Registrar's Office or online at <http://www.ohiochristian.edu/registrar/registrar-forms>.

Independent Study

During the last three semesters of a four-year program, a student desiring to study a subject relevant to his or her bachelor's degree program but not listed in the catalog may request an independent study of that subject. The three major criteria for granting approval are (1) the student's cumulative GPA must be 3.5 or above, (2) the course must be relevant to the program, and (3) the lack of an available course in the subject area. No course listed in the current catalog may be taken as an independent study course.

Due to the additional work and individualized attention that an independent study course demands from the supervising faculty member, students are assessed an independent study fee of \$150.00 per credit hour in addition to regular tuition charges. A "Proposal for Independent study" form may be obtained from the Registrar's Office or online at <http://www.ohiochristian.edu/registrar/registrar-forms>.

Academics

Change of Course Schedule

During the open registration period, students may make class schedule changes in Sonis. After Sonis online registration has closed, class schedule changes are made by completing the change of schedule form and submitting it to the Office of the Registrar. Schedule changes may affect the student's financial obligations for the semester. Forms are available from www.ohiochristian.edu/registrar.

ADDING OR DROPPING A COURSE

Students may add or remove courses during each semester's registration period. Once registration begins, class rolls remain open until 5:00 PM on the sixth class day of a semester. Courses dropped during this period will be removed from the student's academic record.

WITHDRAWAL FROM A CLASS

After course rolls have closed, students may still withdraw from courses by completing the change of schedule form and submitting it to the Registrar's Office. The last date to withdraw from a course is two weeks before the first day of final exams.

Withdrawn courses remain on the student's transcript. Between the second and sixth week of classes the grade "W" is assigned to withdrawn courses. After the sixth week of classes, instructors assign either a "WP" or "WF" grade. The "W" and "WP" grades have no effect on a student's GPA. A grade of "WF" has the same effect on a student's GPA as an "F."

WITHDRAWAL FROM COLLEGE

Students who withdraw from college must obtain a Withdrawal Request form from the Registrar's Office. Failure to complete and return the Withdrawal Request form to the Registrar's Office may result in both an academic and financial penalty. See "Refund Policy for Withdrawals."

ADVANCED PLACEMENT CREDITS

Students who have participated in the Advanced Placement Program sponsored by the College Entrance Examination Board (CEEB) while in high school will receive credit if they score 3, 4, or 5.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

College credit may be obtained through the College Level Examination Program (CLEP) prepared by the American Council of Education. A score at or above the 50th percentile is required to receive credit. Costs for the CLEP exam include an examination fee, payable to the College Board, and a fee of \$50, payable to OCU for administering the exam.

A maximum of 30 credit hours may be earned by advanced placement programs. A transcript service fee of \$50.00 per credit hour is charged for awarding credit and posting it to the student's transcript. These fees are added to the student's bill in the Business Office.

PRIOR LEARNING ASSESSMENT (PLA)

Students can earn credits through participation in a Prior Learning Assessment (PLA) process. PLA is a process by which you can earn university credit for various university-level learning experiences you have had in your professional or personal life. PLA gives students an opportunity to demonstrate the learning that they have gained outside the university classroom through a number of different sources, such as seminars, training sessions, workshops, non-credit courses, and work experiences. To initiate the PLA process, the students can talk to their advisor or Dr. Krista Stonerock, General Education Department Chair. There are two major areas through which students may pursue writing for university credit:

- ❑ Write a Sponsored Professional Training (SPT) paper, which encompasses all types of credentialed learning. Licenses, certified seminars or workshops, continuing education unit (CEU) programs, unaccredited university courses, institute learning and other training programs all have potential for earning university credit. Writing the SPT paper requires less length, but requires the professional training documentation, such as certificates, transcripts, or licenses.
- ❑ Write a Learning Application Essay (LAE), which allows students to demonstrate competency from significant life learning in which they do not have sponsored documentation to prove their time involvement. The LAE is a longer paper, since the student must demonstrate university-level competency in the selected topic. Additionally, each LAE must have some form of documentation as proof of the student's personal involvement in the activity or learning experience. Business cards, commendations, pictures, brochures, etc., all serve as acceptable documentation.

Academics

Traditional Students can earn between one 1 and 3 hours of general elective credit for each LAE PLA proposal. Students can also earn between 1 and 6 hours of general elective credit for each SPT PLA proposal. Traditional students can earn no more than 9 hours of PLA credit. Within those 9 hours, a maximum of 6 can be LAE credit. All earned PLA credit hours will count toward general elective hours. The hours will only count toward program requirement hours if a program advisor initiates and approves a course substitution request. Each proposal is considered an application for credit, which must be approved and granted just as students would pass a regular course. Students will be charged a fee to cover the paper evaluation (by an approved professor) and a transcript processing fee.

SEGMENTED TRANSCRIPT POLICY

A student who re-enrolls at Ohio Christian University after an absence of six or more years may petition the Academic Committee to have the transcript segmented. If the petition is approved, all courses will remain on the record, but the grades earned earlier will be removed temporarily from the cumulative grade-point average, while the hours earned will be carried forward. Subsequent gaps of six or more years will not, however, result in further segmentation of the student's transcript. The following provisions apply toward this policy:

A student must be re-enrolled and complete a minimum of 30 semester hours at Ohio Christian University before graduation.

The new grade point average will be used for determining academic probation and academic dismissal status.

All grades that had been temporarily removed by segmentation will be reinstated and included in determining the official grade point average for graduation. A cumulative GPA of 2.0 is required for graduation. All grades will appear on the transcript.

The grade point average used for consideration for entrance to academic programs and eligibility for scholarships and honor societies will be determined by the relevant officials or committees; they may at their discretion use both current and previous grade point averages or only the new grade point average.

ACCOMMODATION POLICY

Ohio Christian University is committed to its entire student body, including those who need accommodation for disabilities.

In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disability Act (ADA), the University will provide reasonable and appropriate accommodations for individuals with disabilities

on a case-by-case basis. Accommodations are made in relation to a documented disability. The University will collaborate through its 504 Compliance Officer with appropriate external agencies to provide some accommodations. The 504 Compliance Officer is responsible for coordinating OCU's efforts in complying with applicable Federal and State laws and regulations, including the University's duty to address any inquiries or complaints regarding discrimination or denial of equal access.

The student must complete a form provided by the 504 Compliance Officer with appropriate documentation of his/her disability. The documentation must be within three (3) years of first request to OCU, and must include information that diagnoses the disability, that indicates the severity and longevity of the condition, and that offers recommendations for necessary and appropriate auxiliary aids, or services, academic adjustments, or other accommodations. In addition to this form, a qualified professional must complete the *Verification of Disability* form provided at <http://www.ohiochristian.edu/about/nondiscriminatory-policy>.

complianceofficer@ohiochristian.edu At Ohio Christian University, we believe the benefits of a college education far outweigh the costs, but we do understand that getting money to pay for college may be one of a student's biggest challenges. The Financial Aid Department is prepared to help students meet their financial needs in any way possible.

The financial aid program at Ohio Christian University is designed to assist students in finding financial resources to cover the cost of college. The U.S. Department of Education and the University believe that a student's education is a family investment requiring realistic student, spousal, and parental support.

The expenses associated with a Christ-centered, Bible-focused education are an excellent investment. A college degree opens doors, broadens horizons, and deepens understanding. At Ohio Christian University, students have the unique experience of integrating a Biblical worldview rooted in the Wesleyan tradition with their chosen academic major. This experience will enable students to have a true impact upon the church, the community, and the world.

Finance

The Financial Aid Department recognizes that most students are unable to pay the entire cost of a college education. There are several sources of funding that allow students to help pay for these expenses, including scholarships, grants and loans.

The following is a list of fees for the 2016-2017 Academic Year. Each student should take into account approximately \$1000 for personal expenses and books each semester in addition to the fees listed on this page.

++ No credit is given for meals missed without administrative approval.

+ Additional charge per semester, if room is available.

^ Contact the Teacher Education Office to register for your OAE (Ohio Assessment for Educators) exams.

* Transcripts are issued only after a student has made satisfactory arrangements for full payment.

** \$50 Payable to OCU and \$80 payable to The College Board (CLEP) per test.

^^ Senior citizens, age 60 and older (proof required), may attend (audit) classes at no tuition charge providing there is space available and the professor gives permission. Book and material costs and course fees are the responsibility of the individual auditing the course. Registration is not required; no grade or credit will be recorded.

INSTITUTIONAL GRANTS

Ohio Christian University Need Based Grant

The Ohio Christian University Need Based Grant is used as a supplement to all other financial aid in order to reduce a student's out-of-pocket semester cost to correspond with the guaranteed payment categories as shown on the Expected Family Income (EFC) Based Guaranteed Payment Categories on the table below. Your EFC is the number that is used to determine a student's eligibility for federal student aid and can be found on the Free Application for Federal student Aid (FAFSA), which can be completed by visiting www.FAFSA.ed.gov.

The Sibling Grant is offered to all siblings who attend OCU at the same time and are both classified as dependent students.

ATHLETIC SCHOLARSHIPS

The Athletic Department awards scholarships in varying amounts to outstanding athletes who demonstrate a potential to significantly contribute to the athletic program of the University. To qualify, students must meet admission standards and NAIA requirements. Athletic scholarships are recommended by coaches and the Athletic Director of Ohio Christian University. ADDITIONAL INSTITUTIONAL SCHOLARSHIPS

Scholarship applications are made available each spring to students who will be returning for the coming fall semester. These institutional scholarships are formally awarded to continuing students each April. Criteria for these scholarships vary but are largely based on a student's community and ministry involvement as well as academic achievement.

FEDERAL AND STATE GRANTS

PELL GRANT

The Pell Grant is a federal grant that is provided to every part or full time student who shows exceptional financial need.

TEACH GRANT

The TEACH Grant is a federally awarded grant available to full-time students who commit to teaching in designated high need areas after graduation.

OHIO COLLEGE OPPORTUNITY GRANT

A need based grant for some Pell grant recipients who are Ohio residents.

FEDERAL WORK STUDY

Students who show a financial need are eligible to take part in the Federal Work Study Program. Students who choose to participate may find work on campus or in a campus related activity approved by the Ohio Christian University Federal Work Study Coordinator. A student may use his or her earnings to help pay his or her school bill.

FEDERAL LOANS

SUBSIDIZED FEDERAL DIRECT LOAN

The Subsidized Federal Direct Loan is available to students who demonstrate a financial need, who are enrolled at least half time and are pursuing a degree, and who have not exceeded the 150% program length. Subsidized loans are awarded in limited amounts, which correspond with a student's year in school. The interest of a Subsidized Federal Direct Loan is paid by the Federal Government while a student is attending school.

UNSUBSIDIZED FEDERAL DIRECT LOAN

The Unsubsidized Federal Direct Loan is available to students who are enrolled at least half time. There is no financial need taken into account for this loan; students of all income levels may take out an Unsubsidized Federal Direct Loan. Students who are classified as Independent may request and accept an Unsubsidized Loan without having to apply for the PLUS loan. The Unsubsidized

Finance

Federal Direct Loan does have yearly monetary limitations that correspond with a student's year in school. The interest on an Unsubsidized Federal Direct Loan will accumulate while a student is attending school.*

FEDERAL PLUS LOAN

The Federal PLUS Loan is available to all graduate students and parents of dependent students. Students must be enrolled at least half time to qualify for the PLUS loan. The PLUS loan does not have a specific monetary limit, but the amount is limited to the cost of education minus any financial aid that is offered.

In order for a dependent student to receive the independent level of Unsubsidized Federal Direct Loan award, a parent must apply for and be denied for the PLUS loan.

PRIVATE LOANS

Private Loans are credit-based and are meant to supplement other financial aid awards that a student enrolled at least half-time may receive in order to cover the cost of education. Private loans may be applied for by the student alone, or the student may have a cosigner apply for the loan as well. If a cosigner applies with the student, then the interest rate on the loan may decrease. Private Loans have a minimum loan requirement that varies depending on the lender the student chooses. Interest accumulates on private loans while a student is attending school. Some private loan interest may need to be paid during enrollment in school.

WITHDRAWALS AND REFUNDS

Any student who receives financial aid (federal, state or institutional aid) and withdraws from classes during the semester is potentially subject to a review and recalculation of his or her financial aid eligibility. The impact on a student's financial aid awards will depend on:

- ❑ When the student withdrew from a class or classes.
- ❑ Whether the student withdrew from one or more classes but remained enrolled, or if the student completely withdrew from all classes.
- ❑ The type of financial aid awarded.
- ❑ Any changes to the charges on the student's account.

Any student who is contemplating a withdrawal from one or more classes should seek advice from an OCU financial aid counselor as to the impact that a withdrawal will have on the student's financial aid eligibility.

FINANCIAL AID REFUND POLICY

Refunds must be requested through, and approved by, the Financial Aid Department. *Refunds will not be issued until all financial aid has been awarded and received.*

Refund Policy for Withdrawals

The following information depicts the amount of tuition refund that a student may be eligible for when withdrawing from one or more classes during a given semester:

- ❑ First Calendar Week 100%
- ❑ Second Calendar Week 75%
- ❑ Third Calendar Week 50%
- ❑ Fourth Calendar Week 25%

If a student withdraws after the fourth calendar week, he or she is not eligible for a refund.

TITLE IV RETURN OF FUNDS CALCULATION

Any student who receives federal Title IV financial aid (Pell Grant or Direct Loans) and completely withdraws from all classes during a given semester is subject to have his or her financial aid money recalculated per Department of Education regulations. This return of funds calculation does not apply to a student who withdraws from one or more classes but remains enrolled in at least one class.

The return of Title IV funds calculation is based on the number of calendar days in the term compared to the number of days elapsed when the withdrawal is completed. Based on the percentage of the term completed, the student is allowed to retain a similar percentage of federal Title IV financial aid. The remainder of the funds is to be returned to the Department of Education. The school will determine how much of the federal funds are to be returned to the government, and how much, if any, are to be returned to the student.

Funds will be returned in the following order if the student received money from the fund:

- ❑ Federal Unsubsidized Direct Loan
- ❑ Federal Subsidized Direct Loan
- ❑ Parent PLUS Loan
- ❑ Pell Grant
- ❑ FSEOG

If the funds a student must repay need to be returned to the federal grant programs, the student will have to repay only 50% of the required grant. The student will be given 45 days to repay any grant monies owed. After 45 days, the student will be placed in a federal grant overpayment status and will be ineligible to receive federal funds for any school until the grant is repaid. Loan monies owed will become subject to the regulations stated on the Master Promissory Note, which the student signs prior to receiving any loan money.

The following is an example of how a recalculation might work. If there are 100 calendar days in a particular term (excluding any breaks of five or more days) and a student withdraws on the 25th day of the term, 25% of the term has elapsed. This means 75% of the federal funds must be

Finance

returned. If the student received \$5,000 in federal Title IV aid, \$3,750 of the original \$5,000 must be returned. If the school retained all of the funds to pay for school charged expenses, the school will return all of the funds. If some of the funds were disbursed to the student in the form of a refund, the student may have to repay some of the funds also. Once the student has completed 60% of a given term, no Title IV return of funds calculation is necessary.

SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS FOR FINANCIAL AID

Students must make Satisfactory Academic Progress (SAP) towards earning a degree as stipulated below to receive financial aid at OCU from all federal and state student aid grants, Work Study, and loan programs. Some additional grants and scholarships may also use part or all of the SAP standards as minimum criteria for funding eligibility.

Residential Undergraduate Requirements for all programs other than Teacher Education				
Hours Earned	1-16	17-32	33-48	49 and up
GPA	1.7	1.8	1.9	2.0
Minimum Pass Rate Percentage of Total Hours Successfully Completed	50%	55%	62%	67%
Maximum Total Credit Hours or Time Allowed to Complete Current Primary Degree Requirements	150% of the specified degree program's published length.			

Residential Undergraduate Requirements for Teacher Education				
Hours Earned	1-16	17-32	33-48	49 and up
GPA	2.0	2.3	2.7	3.0
Minimum Pass Rate Percentage of Total Hours Successfully Completed	50%	55%	62%	67%
Maximum Total Credit Hours of Time Allowed to Complete Current Primary Degree Requirements	150% of the specified degree program's published length.			

DESIGNATION OF GRADE DEFINITION

1. Undergraduate Students
- Attempted credit hours and considered to be successful completion: A, B, C, and D.
 - Attempted credit hours and not considered to be successful completion: F, FA, WF, W grade with EN enrollment code, WP, and U.
 - Attempted credit hours not considered attempted: NC, AU, and W with a WD enrollment code.

2. All students
- The Financial Aid SAP committee will contact the registrar in the event of an I grade to determine if this will be moved to a different grade. If it will not be moved to a different grade, the I grade will be considered as attempted credit hours not successfully completed at the time of Financial Aid SAP annual review.

Financial Aid SAP will be measured annually. Students previously in good standing will be placed on Financial Aid suspension if the minimum SAP standards are not met. Aid eligibility will resume when the student raises his or her cumulative academic measurements to the required levels or has a Financial Aid SAP suspension appeal approved. Financial Aid suspension may be appealed if unusual and/or mitigating circumstances affected their academic progress. Such circumstances may include a severe illness or injury to the student or an immediate family member, the death of a student's relative, student activation into military service, or other circumstances as deemed appropriate for consideration by the Financial Aid SAP Appeals Committee.

To appeal, the student must submit a legible letter, a completed Financial Aid Appeal Form, and supporting documentation to the OCU Financial Aid Office. These must explain in detail why the student failed to meet the minimum academic standards, what unusual and/or mitigating circumstance contributed to the failure, and how the situation has changed to allow the student to meet Financial Aid SAP requirements by the next calculation. Appeals must be received by the Financial Aid Office no later than 15 business days before the end of the term for which reinstatement is desired. Early appeal submission is strongly encouraged. A committee will review the appeal and will notify the student in writing of their decision. If an appeal is approved, the student will temporarily regain financial aid eligibility. Continuation of eligibility will be contingent upon the student demonstrating improved academic merit achievement as outlined by the Financial Aid Appeals Committee through their Academic Plan.

Transfer students with no grade history at OCU will enter on Financial Aid SAP good standing. A Financial Aid SAP calculation, including transfer hours applicable to the current degree pursuit and OCU hours earned, will be run at the next scheduled increment.

Degrees Offered

Ohio Christian University offers traditional students the Associate of Arts and Bachelor of Arts. In addition to specific course requirements, programs leading to both degrees include Christian service requirements.

The University also offers programs for adult learners. The College of Adult and Graduate Studies provides Associate, Bachelor, and Master's degrees designed for busy adults. Students attend classes once a week in the evening or on Saturday. Programs are also available online. For more information, contact the College of Adult and Graduate Studies at 1-855-OCU-Grad or visit www.OCUonline.com.

The University has arranged its curriculum under one school: School of Business and Government, and five departments: General Studies, Music, Religion, Psychology, Teacher Education. Each department is chaired by a dean or department chair. This arrangement is for organizational purposes rather than to compartmentalize subject matter. WHY BUILD THESE OPTIONS?

- ❑ Each student has a unique set of callings and gifts.
- ❑ A few are called to full-time worship ministries.
- ❑ Many worship leaders are bi-vocational.
 - Two responsibilities in one full-time ministry position
 - A primary week-day job with a part-time commitment to a local church

WHO SHOULD CONSIDER EACH PROGRAM?

THE 50-HOUR MAJOR IN WORSHIP LEADERSHIP

This program is for the student whose gifts and worship leading experiences are exceptional, and has a desire to engage in full-time worship ministry.

DUAL EMPHASIS OPTIONS

THE 30- OR 34-HOUR MAJOR IN WORSHIP LEADERSHIP

Combined with the 30-hour Christian Ministry Major

Many full-time opportunities in local churches combine areas of responsibility. This program recognizes those who serve one congregation with a variety of gifts, in a variety of roles. This program is designed for the student who is gifted and called to worship leadership and other church ministries.

Combined with the 30-hour Business Major

Many churches need a part-time or volunteer person to fill the worship leadership role. This dual major is for the student who is gifted and called to worship leadership and envisions serving a local church in finance or administration, or working in a week-day business job, while serving a church in part-time worship ministry.

Combined with the 30-hour Psychology Major

Many churches need a part-time or volunteer person to fill the worship leadership role. This dual major is for the student who is gifted and called to worship leadership and envisions serving a local church in finance or administration, or working in a week-day business job, while serving a church in part-time worship ministry.

Combined with any Minor or AA degree offered by OCU

This program extends the options available in the dual-major programs, allowing worship leadership students to also prepare for callings as diverse as early childhood education, sports ministry, pastoral care, disaster management, and more!

THE MINOR OR ASSOCIATE OF ARTS PROGRAM IN WORSHIP LEADERSHIP

These options are available to the student who wants to earn a primary degree in another field and add preparation in Worship Leadership. These programs work well within the Interdisciplinary Studies programs.

THE WORSHIP MINISTRY CERTIFICATE

This 12-hour option is for students already engaged in ministry who wish to deepen their understanding of the worship leader's calling. The students take the core professional courses from the Worship Leadership program, along with electives. Many students a course in their current program that will fulfill the elective block in this certificate.

ENTRANCE REQUIREMENTS

Is this program for me? Am I ready to audition?

Our program is for both intermediate and advanced musicians. Most students who enter it will already have some experience in music ministry. Almost all will have areas where their skills need to grow before graduation. All will be challenged to become better leaders and musicians.

To graduate, each student must demonstrate musical and leadership skills for worship ministry: leadership that is confident and enjoyable, providing an atmosphere where others can follow in worship without distraction.

Admission to the program means we believe you have, or are ready to develop these skills.

CHECKLIST

- ☐ References
- ☐ Essay
- ☐ Music Theory Placement Exam
- ☐ Audition

REFERENCE(S)

Please provide a brief letter of recommendation (at least 1-2 paragraphs) from someone who has seen your heart for ministry and can comment on your Christian testimony. You may have one person speak to your musical skills and another to you walk with Christ if that works best for you. Send these letters to wl@ohiochristian.edu or to OCU, attention Music Department.

ESSAY

Please write your testimony, describing your personal faith in Christ and why you believe you are called to ministry. If you are exploring a calling, you may write about that, too. Send the essay to wl@ohiochristian.edu.

MUSIC THEORY PLACEMENT EXAM

This exam does not determine admission. It lets us know if you need Music Fundamentals before Music Theory I. It covers basic music concepts like notation, scales, chords and rhythm.

You will take this exam after your audition. Contact us for a study guide, if you want to prepare. You may choose to take Music Fundamentals instead of completing the exam.

AUDITION

The audition helps ensure you are ready to succeed in this program and calling. To enter a worship program, students must demonstrate musical skill in at least one instrument or in singing.

Audition: Voice Evaluation

Be prepared to sing for the audition.

You may accompany yourself, bring an accompanist, or sing with a sound track. We are interested in singers from a variety of backgrounds and musical styles. Singing music in a variety of styles is a plus.

If singing is not your best musical skill, please understand we are willing to help you grow in this area. Let us hear your audition and discuss your options with you. All worship students must have or be ready to develop this ability.

Audition: Keyboard or Guitar Evaluation

If you have skills in keyboard or guitar, be prepared to play for us, whether you are advanced or not. If you need to develop one of these instruments, and show readiness to learn, we will place you in preparatory classes.

Starting without much preparation in either keyboard or guitar will present a challenge, but it is a reachable goal, since the requirement focuses on functional skills. Depending on how quickly you progress, this could mean your program will take a little longer to complete.

INTERCULTURAL MINISTRIES: NURSING

Consortial Program with Ohio University-Chillicothe

Ohio Christian University offers a Nursing program in a consortial agreement with Ohio University-Chillicothe. This program is coordinated for students who plan to combine nursing skills with intercultural ministry work either in North America or overseas.

Students who successfully complete the program are qualified to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). The Nursing program is accredited by the National League for Nursing Accrediting Commission and the Higher Learning Commission of the NCA, and is approved by the Ohio Board of Nursing. Upon successful completion of the program, students are awarded an Associate of Arts degree from Ohio University-Chillicothe in nursing and a Bachelor of Arts degree from Ohio Christian University.

Admittance to this program by Ohio Christian University does not guarantee admittance to the corresponding program at Ohio University-Chillicothe. Upon admittance to the program by Ohio Christian University it is the responsibility of the student to apply for admittance

to Ohio University-Chillicothe and meet all prerequisites for matriculation in the corresponding program at Ohio University-Chillicothe. Academic counselors at Ohio Christian University will assist students with this process.

The curriculum at Ohio Christian University requires cores in Religion and General Education as well as a major area of study. These programs provide the student with the opportunity to concentrate in nursing in a two-year program, and to concentrate in religion in a four-year program. Because the program is a dual-degree program students may need to plan for an additional one or two semesters to complete requirements at both institutions.

In order to receive a recommendation from Ohio Christian University for admission to the Nursing program at Ohio University-Chillicothe, students must maintain a minimum GPA of 3.0 through all course work attempted.

Degree Requirements

Students enrolled in this consortial program should be able to graduate with an associate's degree in Nursing from Ohio University-Chillicothe prior to completing graduation requirements for a bachelor's degree at Ohio Christian University.

INTERCULTURAL MINISTRIES & EMERGENCY AND DISASTER MANAGEMENT

By combining Intercultural Ministries with an Emergency and Disaster Management major, the student will obtain the additional skills and knowledge necessary to manage an organization in the twenty-first century with the recognition that our work is our ministry. This dual program will prepare students to work in disaster/emergency vocations for the purpose of making an opening for the Good News of Jesus Christ within a diversity of cultures around the world. The combination of these programs has a storied tradition dating back to the early church. It has been a natural way for Christians to establish good influence in cultures which may otherwise be hostile to the Gospel message.

Objectives

Upon completion of this program, students should be able to:

- ❑ Appreciate the uniqueness of Christianity in relation to other religions and assess the cultural influences.
- ❑ Apply the basic principles of cross-cultural communication.
- ❑ Analyze adjustments needed to effectively engage with a culture different from one's own for the purpose of participating in emergency management and the ongoing ministry which can follow.
- ❑ Integrate a Christian worldview into critical thinking and decision making related to the fields of Emergency Management and Intercultural Ministries.
- ❑ Apply theoretical and practical knowledge of emergency management for saving lives and property from the impacts of crises, emergencies, and disasters.
- ❑ Analyze the existing and desired structure, climate, and culture of organizations whose focus is emergency management.

Teacher Education

Associate of Arts

EARLY CHILDHOOD DEVELOPMENT

The Associate of Arts Degree in Early Childhood Development requires a minimum of 61 semester hours distributed through the curriculum.

The goal of Ohio Christian University's Early Childhood Development program, leading to an Associate of Arts degree, is to graduate competent, caring, and qualified teachers for public and private child care settings. The program integrates a Christian worldview and constructivist philosophy of education. For those who desire to work with young children to an extent beyond babysitting, and yet do not desire a four year teacher education degree, this program is an excellent alternative. In the event that a four year degree is eventually sought, OCU's Early Childhood Development program can be applied to an OCU teacher education degree.
