## ABOUT OCU

## MISSION STATEMENT

Ohio Christian University prepares students to serve effectively in the church and society by providing a holistic, Christ-centered, biblically integrated education in the Wesleyan tradition.

## UNIVERSITY OBJECTIVES

Upon graduation from Ohio Christian University the student should:

1. Articulate a Christian worldview predicated on a working knowledge of contrasting philosophies and religions.
2. Confirm an understanding of a saving and sanctifying knowledge of God through Jesus Christ as Savior and Lord.
3. Seek to reconcile the world to Christ in harmony with the Christian vocational mandate and each person's individual calling and occupational training.
4. Demonstrate God's love for humanity through a life of Christ-like service that seeks to benefit the spiritual, physical, intellectual and social needs of others.
5. Demonstrate scholarship in university-level disciplines inculcating continued intellectual and professional development.
6. Affirm the Bible as the only infallible guide for Christian faith and practice.

## CORE VALUES

## CHRIST CENTERED

Our community of interdependent students, faculty, and staff seeks to honor and obey Jesus Christ, who is present in Spirit and speaks in Scripture, and to advance God's purposes in the lives of every member.

## BIBLICALLY BASED

Our academic and student development programs cultivate a deep and enduring faith that affirms the authority of Scripture and embraces Christ as the authentic center of life.

## STUDENT ORIENTED

Our traditional undergraduate and adult curriculum integrates faith and learning in a scholarly environment that fosters critical and creative thinking, academic excellence, and professional competence.

## MINISTRY MOTIVATED

Our emphasis on ministry and missions extends beyond the classroom into real-world experiences that prepare students for a lifetime of service in ministry.

## LEADERSHIP FOCUSED

Our students experience and engage the world in ways that prepare leaders to serve and transform their professions, churches, and communities.

## ACADEMIC EXCELLENCE

## OUR DOCTRINE

- We believe in one God; self-existent in three Persons, coequal and co-eternal; Father, Son and Holy Spirit.
- We believe in the Bible, God's infallible Word, fully inspired by the Holy Spirit, the supreme authority for faith and practice.
- We believe in the deity of Jesus Christ, who became man, being conceived of the Holy Spirit and born of a virgin. He lived a sinless life and died a substitutionary death as a complete sacrifice for the sins of all mankind. He arose bodily from the dead and ascended to the right hand of the Father where He is now our interceding High Priest.
- We believe that the Holy Spirit is a Divine Person who reveals Christ, both in a ministry to the world by restraining evil and by convicting of sin, and in a ministry to the Church by indwelling, empowering, guiding, and teaching all Christians.
- We believe that man was made in the image and likeness of God and by transgression incurred guilt before God, depravity of soul, and spiritual death.
- We believe in the universal atonement Christ provided for all mankind and that they who do repent and believe on Him are justified and regenerated from the guilt and practice of sin.
- We believe in entire sanctification as a definite crisis experience subsequent to regeneration. It is wrought on the basis of faith and consecration through the infilling of the Holy Spirit by which the believer is cleansed from all sin and to which the Spirit testifies.
- We believe in the progressive growth in grace toward Christian maturity through a consistent Christian life of good works which springs from faith in God and obedience to His Word. This growth we believe to be a necessary complement to the above mentioned crisis experience.
- We believe in the true universal Church as the Body of Christ and Temple of the Holy Spirit. It is composed of all true believers in Christ. It was created by Him for worship and fellowship and is commissioned by Him to publish the Gospel to all the world.
- We believe in the personal return of Christ who shall come with power and great glory to gather the Church to Himself, to establish His millennial kingdom, and to judge the quick and the dead.
- We believe in the resurrection of the just, who shall enter into an actual eternal heaven, and the resurrection of the unjust, who shall go away into an actual and eternal hell.

## HISTORY

At the 1947 annual Council of the Churches of Christ in Christian Union, the foundation was laid for establishing a Christian college on the Mount of Praise Campground in Circleville, Ohio. Throughout the following year, preparations went forward and the college opened with its first class of students in September, 1948.
By the mid-sixties it became apparent the college could no longer fulfill its function if it remained on the Mount of Praise Campground. Plans were made to set aside a forty-acre tract of the church farm on Route 22 east of Circleville as a college campus.
The first building for the administration was completed in 1966. Building plans progressed rapidly after this time with the men's dormitory in 1967, the college chapel in 1968, and the academic building in 1969. By early 1970 the campus center was completed providing recreational and physical education facilities. In December of 1972, the women's dormitory was completed, thus completing the first phase of the new campus development. A four-plex housing complex was constructed in 1977, providing housing for four families.
In 1979, the 8000 square feet Maxwell Library was completed. In 1998-99, a 14,000 square feet addition was added to the Melvin \& Laura Maxwell Library, making room for nearly 120,000 volumes. The Library currently houses 54,000 volumes, the Stout Bible Collection of over 225 Bibles and Bible portions in a variety of editions from the 1660's to the present, an archives room, computer laboratories, faculty offices, and space for other learning activities.
The most recent four-plex townhouse was constructed in 1998 to provide housing for two families, a student involvement center and resident missions resource person.
The Conley Ministry Center, an addition to Johnson Hall, was completed in 2006. This addition houses the music department, classrooms, and the offices of the Vice President of Student Development. Renovations to the womens' dorm were made in 2006, turning the single rooms of the upstairs dormitory into suites with restroom facilities. The student center was also expanded in 2006.
In August of 2007, a new Leadership Center was completed, replacing the original campus center and providing expanded recreational and physical education facilities, a college bookstore, and expanded ministry opportunities (conferences, concerts, etc.). In the summer of 2007 , an additional dormitory building was completed.
Ohio Christian University is committed to promoting the academic, spiritual and social growth of its students. Because of this commitment, an emphasis is placed on developing spiritual maturity within its student body.

## SPIRITUAL EMPHASIS

The development of your spiritual life is an important aspect of your time at Ohio Christian University. Students are encouraged to set aside time each day for private devotions and cultivate the development of their personal devotional lives. Chapel with worship, praise, singing, and message is held on Tuesdays, Wednesdays, and Fridays. Revival services are held at the beginning of each semester to establish a spiritual focus for the semester. Students are expected to regularly attend a church in the Circleville area unless they have a commitment to another church. Special missionary chapels and conferences give students a glimpse of several mission fields and help them develop a concern for other people.

## STUDENT ORGANIZATIONS

The Student Council is the official voice of the student body and is elected by the student body. It serves as a liaison between the student body and the administration to encourage a cooperative relationship among students, faculty and staff. The Student Council also works hard to offer activities and services that will benefit the entire student body.
Each class has its own class government organization with officers elected by members of the class, and a faculty advisor. The Student Missionary Organization, also known as S.H.I.N.E (Sharing Him In Nations Everywhere) seeks to create a vision for missions and promote an active interest in mission fields. The Ministerial Association is designed to enhance the training of those preparing for pastoral ministry.

## SOCIAL AND RECREATIONAL ACTIVITIES

Social activity is an important part of college life experience. A well-rounded program of social activities at Ohio Christian University provides students with opportunities to develop positive relationships with students, faculty and staff members. During the school year, students are able to take part in a number of planned events sponsored by various classes and organizations.
The University's close proximity to Columbus makes it possible for students to take advantage of many cultural events that are found in a university city. In addition, there are a number of cultural events held annually in Circleville. The University is also located within reasonable driving distance to Cincinnati. Several nearby state parks make it possible for students to join friends in informal outings and picnics.
A recreational program is provided for all students. Students are able to participate in intramural sports and to make use of such facilities as the gymnasium, game room, weight room, various lounge areas, basketball courts, sand volleyball court, and paintball course.
Ohio Christian University also offers intercollegiate sports in Women's Volleyball and Basketball and Men's Basketball and Baseball. The University is a member of the National Christian College Athletic Association and the Ohio Collegiate Athletic Conference.

## COMMUNITY ACTION DAY

Each year the University sponsors Community Action Day when all students, faculty, and staff are involved in community work projects in the Circleville area.

## CAMPUS HOUSING

Single students who are not commuting from home are required to live in the respective dormitories. All exceptions must be approved by the Vice President of Student Development prior to registration. Normally, to live in the dormitory, a student must be enrolled for a minimum of 9 semester hours unless fewer hours are needed to meet graduation requirements. If a student desires to remain in the dormitory during vacation periods or to live in the dorm while taking fewer than nine (9) hours, permission must be obtained from the Vice President of Student Development. Students are not permitted to reside in dorms during the summer break.
Dorm life can be an enjoyable learning experience. Each Residence Hall is supervised by Student Resident Assistants under the supervision of a Resident Director. Dorm staff members maintain an open door to student needs. The Vice President of Student Development oversees the dormitory staff.
You will find that dorm meetings, dorm prayer meetings, and dorm parties, in addition to helping you mature socially and spiritually, will help you feel a part of the University community.
Many married students live off campus. However, the University does provide limited housing for married students through the rental of apartments and mobile homes. Campus Court (located at the rear of the campus) also provides lots for those with mobile homes. Students are assisted as much as possible in finding satisfactory housing nearby. Further information can be obtained by contacting the office of the Director of Admissions.

## CAMPUS LIFESTYLE

Students of Ohio Christian University are expected to maintain a Christian standard of conduct that accords with Scripture and with the mission and purpose of the University. The Community Handbook gives specific information regarding requirements for conduct, dress, and other expectations regarding the lifestyle for students.
The Vice President of Student Development and other staff counselors are available to provide students counsel with personal problems. The Student Development staff is available to provide information and guidance in all areas of student life.

## ADMISSIONS

Admission is based on the completed application forms, transcripts of all academic work, ACT or SAT scores, personal references, and personal statements of faith. ## A MESSAGE FROM THE

## VICE PRESIDENT FOR ACADEMIC AFFAIRS

In the development of educational programs, Ohio Christian University is committed to three areas of excellence: learning environment, spiritual environment, and a curricular content. The faculty and university community share the belief that the Bible is a book of unparalleled truth and wisdom, and is the bedrock for all truth. We believe that its truth is enduring. Whatever questions future generations may bring to the Scriptures, its truth will be relevant, up-to-date, and will address the critical issues facing culture, pointing the way to truth and life. Consequently, a Bible major is integrated into every program.

We also strive for excellence in structuring our learning environment. Our finest and most modern campus facility is our library. Housed in our library are our computer labs. Adjacent to the library is our chapel in which services are held each school day. We believe that in order to prepare students for success in life and in their careers, their minds and study skills must be developed to their full potential. In concert with promoting learning, the spiritual life must also be developed. True learning that leads to wisdom is gained by balancing the cognitive discipline of learning with a growing relationship with Christ. Our educational goal is to prepare students to succeed in their careers as they answer the calling of God.

Finally, our faculty has carefully planned the curricula of the University so that it carries out our mission. The thrust of our mission is to prepare students to succeed in their ministries and careers. Our educational program is planned for students to be able to take with them significant learning experiences gained in the classrooms under the instruction of Christian professors, and spiritual experiences that become defining moments for their lives. Our goal as a University is to prepare our students for life as well as or better than any other college they may choose to attend.

Dr. Joe C. Brown
Vice President for Academic Affairs

It is also a policy that encourages the academic achievement of students. Students may appeal their first academic suspension with a formal petition to the Academic Committee. Conditions relating to such appeals appear later. The section on restrictions also demonstrates this same flexibility through the fact that even upperclassmen may either delay or jeopardize hope of graduation through poor academic performance regardless of overall GPA.
In keeping with current University policy, any student whose semester grade point average falls below 2.00 , and who holds an elective office in any student organization will be asked to resign that position. Re-qualification to hold a student office is contingent upon the achievement of a minimum 2.00 GPA for both semester and cumulative averages.
The Academic Committee may impose restrictive and/or corrective measures it feels are necessary and advisable to help students overcome their grade point average deficiency.

## ACADEMIC PROBATION POLICY

Each student's academic performance is evaluated at the end of each semester according to the schedule below:

1. The Student's First Semester (1-14 semester hours attempted)
a. If the cumulative GPA is 1.90-1.99, no action is recorded. Students are notified that they are expected to bring their cumulative GPA to a 2.00 level and required to take minimum semester loads.
b. If the cumulative GPA is $1.70-1.89$, academic warning is recorded on transcripts and students are notified of the action and required to take a minimum semester load.
c. If the cumulative GPA falls below 1.70 , academic probation is imposed and recorded on the student's transcript. The student is notified of such action and of any restrictive measures. No dismissals take place at this point, but all students with sub-standard grades are required to take minimum semester loads.
2. The Student's Second Semester (15-29 semester hours attempted)
a. If the cumulative GPA is 1.90-1.99, academic warning is recorded on transcripts and students are notified of the action and required to take minimum semester loads.
b. If the cumulative GPA is between 1.70-1.89 academic probation is imposed and recorded on transcripts. Students are notified of such action and of any restrictive measures. No dismissals take place at this point, but all students with sub-standard grades are required to take minimum semester loads.
c. If the cumulative GPA falls below 1.70 Academic suspension is imposed and recorded on the student's transcript. Students may appeal for reconsideration of the dismissal.
3. The Student's Third Semester (30-44 semester hours attempted)
a. If the cumulative GPA is between 1.90-1.99, academic probation is imposed and recorded on transcripts. Students are notified of such action and of any restrictive measures. No dismissals take place at this point, but all students with sub-standard grades are required to take minimum semester loads.
b. If the cumulative GPA is between $1.70-1.89$, academic suspension is imposed and recorded on transcripts. Academic suspension is for a minimum of one (1) semester. Students may appeal for reconsideration of the academic suspension.
c. If the cumulative GPA falls below 1.70 , the student is dismissed without further recourse.
4. The Student's Fourth Semester (45-59 semester hours attempted)
a. Students with a cumulative GPA below 2.0 are dismissed. However, students with a cumulative GPA between 1.90-1.99 may appeal for reconsideration and reinstatement for one (1) semester.
5. The Student's Fifth Semester
a. Upper level students whose semester GPA falls below 2.0 are placed on academic warning regardless of their cumulative GPA.
b. At the end of the fifth semester, students whose cumulative GPA is below 2.00 are dismissed without further recourse.

## ACADEMIC INELIGIBILITY

Students on academic probation are ineligible to participate in intercollegiate athletic competition, University sponsored public relations groups or other groups which represent the University to the public. Students on academic probation are ineligible to hold any appointed or elected office with student government or organizations.

## ACADEMIC DISHONESTY

Students are expected to be honest in all their academic work and are responsible for their own work for course requirements. Scholastic dishonesty is a violation of both academic standards and Biblical teachings, and is an affront to other students and the faculty. Academic dishonesty includes the following:

1. Cheating on assignments and tests.
2. Plagiarism. When using secondary source material (both online and print) for written assignments and research papers, the student is responsible for knowing the fair and ethical treatment of these sources. Borrowed ideas, quotations, summaries, and paraphrases must be cited in accordance with APA documentation style, or another documentational style deemed appropriate by the class instructor.
3. Submitting a paper or project in which part or the entirety was done by someone else. (This does not include designated group assignments in which the student participates).
4. Submitting the same (or essentially the same) paper or project in more than one course without prior consent of the instructors involved.
5. Any act which violates the rights of other students from completing their academic assignments (e.g. deliberate withholding of necessary academic material, or willful harm to another student's work.)
Students found guilty of academic dishonesty will be penalized by the instructor for the first offense. The penalty may include reduced credit or no credit on the assignment or test, additional assignments, or other measures deemed appropriate by the instructor. A student who feels the charge is unjust or the penalty is unfair may appeal to the Academic Committee. The second offense of academic dishonesty will result in an automatic failure of the course. The third offense of academic dishonesty will result in dismissal from the University.

## REGISTRATION RECOMMENDED COURSE LOAD

The normal course load is $14-16$ credit hours per semester. A student's academic advisor may approve a course load of 17-18 hours provided the student's cumulative GPA is 2.70 or higher. Students desiring a course load of 19-21 hours must have a cumulative GPA of 3.00 or higher and the permission of both his or her academic advisor and Vice President for Academic Affairs. Students are urged to work with their academic advisor in adjusting their course load according to the number of hours they work each week. The chart below is the recommended academic load.

| OUTSIDE WORK HOURS | CLASSROOM HOURS |
| :---: | :---: |
| 20 | 16 |
| 23 | 15 |
| 25 | 14 |
| 28 | 13 |
| 30 | 12 |
| 33 | 11 |
| 35 | 10 |
| 38 | 9 |
| 40 | 8 |

## ADDING A CLASS

A student may add a class during the first week of each semester by completing a Course Change form from the Registrar's Office.

## INDEPENDENT STUDY

In the case of a senior level student who needs two required courses that have a schedule conflict, a senior may enroll in an independent study course. Such situations rarely occur if the student has followed the properly prescribed schedule of courses through the previous semesters. Failure to pass a lower level course, or neglect in taking lower level courses at appropriate opportunities does not constitute legitimate grounds for requesting an independent study of a required course. Independent study may not be used to retake a course in which an " F " was previously earned. No course offered in a semester may be taken on a "no attendance" basis.
Due to the additional work and individualized attention that an independent study demands from the supervising faculty member, students are charged an independent study fee of $\$ 150.00$ per credit hour in addition to regular tuition charges. A "Proposal for Independent Study" form may be obtained from the Registrar's Office.

## DIRECTED STUDY

During the last three semesters of a four-year program, a student desiring to study a subject relevant to his or her bachelor's degree program, but not listed in the catalog, may request a directed study of that subject. The three major criteria for granting approval are: (1) the student's cumulative GPA must be 3.50 or above, (2) the course must be relevant to the program, and (3) the lack of an available course in the subject area. No course listed in the current catalog may be taken as a directed study course.
Due to the additional work and individualized attention that a directed study course demands from the supervising faculty member, students are assessed a directed study fee of $\$ 150.00$ per credit hour in addition to regular tuition charges. A "Proposal for Directed Study" form may be obtained from the Registrar's Office.

## WITHDRAWAL FROM A CLASS

A student may withdraw from a class by completing a course change form obtained from the Registrar's Office. Courses dropped during the first week of classes are not recorded on transcripts. Courses dropped between the second and sixth week of classes receive "W." Courses dropped after the sixth week of classes receive either a "WP" or "WF" grade.

## WITHDRAWAL FROM COLLEGE

Students who withdraw from college must obtain a Withdrawal Request form from the Registrar's Office. Failure to complete and return the Withdrawal Request form to the Registrar's Office may result in both an academic and financial penalty. The withdrawal refund policy is published in the Financial Section of the catalog.

## SEGMENTED TRANSCRIPT POLICY

A student who re-enrolls at Ohio Christian University after an absence of six or more years may petition the Academic Committee to have the transcript segmented. If the petition is approved, all courses will remain on the record, but the grades earned earlier will be removed temporarily from the cumulative grade-point average, while the hours earned will be carried forward. Subsequent gaps of six or more years will not, however, result in further segmentation of the student's transcript. The following provisions apply toward this policy:

1. A student must be re-enrolled and complete a minimum of 30 semester hours at Ohio Christian University before graduation.
2. The new grade point average will be used for determining academic probation and academic dismissal status.
3. All grades that had been temporarily removed by segmentation will be reinstated and included in determining the official grade point average for graduation. A cumulative GPA of 2.00 is required for graduation. All grades will appear on the transcript.
4. The grade point average used for consideration for entrance to academic programs and eligibility for scholarships and honor societies will be determined by the relevant officials or committees; they may at their discretion use both current and previous grade point averages or only the new grade point average.
A student receiving the benefit of segmentation must meet the qualifications found under Academic Honors in the catalog to be chosen as Valedictorian or Salutatorian.

## ADVANCED PLACEMENT ADVANCED PLACEMENT CREDITS

Students who have participated in the Advanced Placement Program sponsored by the College Entrance Examination Board (CEEB) while in high school will receive credit if they score 3, 4 , or 5 .

## COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

College credit may be obtained through the College Level Examination Program (CLEP) prepared by the American Council of Education. A score at or above the 50th percentile is required to receive credit. An examination fee of $\$ 70.00$ per test is charged, plus a $\$ 50$ fee payable to OCU for administering the exam.
A maximum of 30 credit hours may be earned by advanced placement programs. A transcript service fee of $\$ 50.00$ per credit hour is charged for awarding credit and posting it to the student's transcript. These fees are added to the student's bill in the Business Office.

## CHRISTIAN SERVICE REQUIREMENTS

Christian Service is an integral part of the educational philosophy of Ohio Christian University. All students are required to minister in some area of Christian Service during their enrollment at the University. An important part of Christian Service is to help students discover and develop their spiritual gifts and talents. Christian Service offers the opportunity for students to apply classroom instruction and theory to practical ministry experiences.
The Director of Christian Service assists students in providing opportunities for ministry which help them to develop skills needed to effectively minister in our world. The ministry involvement of each student is determined by the Christian Service Director in cooperation with his or her academic advisor. Several factors are taken into consideration in Christian Service assignments which include the following: academic load, hours of employment, the student's current schedule, and area of interest. As soon as a program choice is made by the student, a concerted effort is made to integrate Christian Service assignments with the student's vocational choice to provide maximum benefit to the student in his calling in life.
The choice of Christian ministry assignments at the University include the following: ministering in a local church by teaching or preaching, college travel teams, choir, community service, and compassionate ministries. Detailed information regarding Christian Service requirements is included in the Christian Service Handbook which is available in the Christian Service Office.

## CLASS ATTENDANCE

Attendance of scheduled classes is regarded as being fundamentally essential to good learning. Class attendance is necessary for the learning process to provide optimum benefits. Significant materials, insights, perspectives, and opinions will be gained from class sessions. Students are expected to participate in class discussion. Consequently, if $20 \%$ or more of the classes are missed in any given course, the student automatically fails and is suspended from further class attendance.
Excused absences count toward the 20\%. Extensive absences for hospitalization or extreme emergencies will be handled by the Vice President for Academic Affairs in consultation with the instructor. Any appeals are considered by the Academic Committee.
Each instructor keeps accurate attendance records and makes decisions regarding excused or unexcused absences. An excused absence permits tests and other work missed to be made up. The absence is still recorded by the instructor. Grades may be lowered for excessive absences. The instructor's attendance policy and grading policy is included on each class syllabus.
In the event of an unannounced absence of the instructor, students are not required to wait longer than ten (10) minutes after the scheduled beginning time of a class unless students have been notified that the instructor will arrive late.

## VETERAN ABSENCES

The Veterans' Administration places responsibility upon participating veterans to meet the University's established attendance policy.
It is the responsibility of the University to report to the Veterans' Administration veterans who are not progressing satisfactorily. This is especially true in the case of unofficial drop-outs or official withdrawals. Instructors must be prepared, upon request, to report the last day of attendance of any veteran student.

## GRADES

Students whose grades are below a " C " at midterm are sent midterm alert reports at their local address during fall and spring semesters. Students receiving midterm alerts are required to schedule a meeting with the Vice President for Academic Affairs or their academic advisor. At the end of each semester, final grades are sent to the student's permanent address unless the student requests in writing to the Registrar's Office that their grades be sent elsewhere.

## GRADING SYSTEM

The University operates on a four-point grading system as defined below. Pluses and misses are used and assigned the corresponding values of + or -0.3 . Thus a " + " receives a +0.3 , and a " - " receives a -0.3 value.

## COMPUTING GRADE POINT AVERAGES (GPA)

Letter grades are assigned numerical values according to the chart below.

| "A" | 4.00 |
| :--- | :--- |
| "A-" | 3.70 |
| "B+" | 3.30 |
| "B" | 3.00 |
| "B-" | 2.70 |
| "C+" | 2.30 |
| "C" | 2.00 |
| "C-" | 1.70 |
| "D+" | 1.30 |
| "D" | 1.00 |
| "D-" | 0.07 |
| "F" | 0.00 |
| "I" | no grade point value assigned |
| "W" | no grade point value assigned |
| "WP" | no grade point value assigned |
| "WF" | 0.00 |
| "AU" | no grade point value assigned |
| "P" | no grade point value assigned |
| "NC" | no grade point value assigned |

## REMOVAL OF "D" <br> OR "F" GRADES

Students may repeat a course in which a "D" or an " F " is received for the purpose of earning a higher grade point average. When a course is repeated, the higher grade will supersede the lower grade in computing the cumulative GPA. Courses carrying a "D" or an "F" grade will remain on the transcript but the
cumulative GPA will be computed using only the higher grade. This procedure is of special value to students who are placed on academic warning or probation. It is strongly recommended that students retake " $D$ " or " F " courses to raise their cumulative grade point average.

## GRADE DEFINITIONS

"A" Superior Work. Implies excellence in thinking and performance in a course. High-level work that is clear, precise, well-reasoned and insightful.
"B" Above Average. Implies sound thinking and performance in a course. B-level work is clear, precise, well-reasoned but does not have the depth of insight that A-level work has.
Average. Implies mixed thinking and performance in a course. C-level work is inconsistently clear, precise, well reasoned, and inconsistently demonstrates comprehension of basic concepts and principles.
"D" Inferior, but Passing. Implies poor thinking and performance in a course. D-level work is inconsistently clear, precise, and well-reasoned. It does not display a depth of insight or consistent competence.
"F" Failure. Implies an attempt to get through a course by rote recall and reflects a mistaken comprehension of basic concepts and principles.
"I" Incomplete Courses for which an "I" grade has been recorded must be completed within 6 weeks after the final day of the semester in which it was received. After that date an "I" is assigned an "F."
"W" Withdrawal. This grade is not used in computing the student's GPA.
"WP" Withdrawal Passing. This grade is not used in computing student's GPA.
"WF" Withdrawal Failing. This grade is used in computing student's GPA.
"AU" Audit. No credit is earned. This grade is not used in computing the student's GPA.
" P " Passing. Credit given for a credit/no credit course. This grade is not used in computing the student's GPA.
"NC" No credit. No credit is given for a credit/no credit course. This grade is not used in computing the student's GPA.

## GRADUATION REQUIREMENTS APPLICATION FOR GRADUATION

Prior to enrolling for the final 24 hours, all students who expect to graduate must complete the Application for Graduation. The Application for Graduation form is available in the Registrar's Office. The form includes a list of remaining requirements for graduation and requires the signatures of the student's Advisor, the Christian Service Director, the Assessment Coordinator, the Registrar, and the Vice President for Academic Affairs.

## APPLICABLE CATALOG

Catalog requirements change with each edition of the catalog. The applicable catalog is either the current catalog or the catalog existing at the time of the student's enrollment in a bachelor's degree program, provided it has been no more than six years, or three years for students enrolled in an associate of arts program. The applicable catalog for students whose enrollments are disrupted is the existing catalog of the student's most recent enrollment.

## GRADUATION REQUIREMENTS

Students desiring to graduate must file a request for graduation with the Registrar's Office at the beginning of the student's final semester. In order to graduate all of the following requirements must have been met prior to graduation.

- Complete an approved program of study. Associate of Arts degrees require a minimum of 63 semester hours and Bachelor of Arts degrees a minimum of 124 semester hours, though some programs require more.
- Earn a minimum of a 2.00 cumulative grade point average. Some programs require a higher grade point average in all or part of the program.
- Satisfactory completion of chapel attendance requirements.
- Satisfactory completion of Christian Service requirements.
- Completion of application for graduation (during final year of program).
- Make satisfactory arrangements for all financial obligations to the University.
In order to graduate from Ohio Christian University with a bachelor's degree, candidates must have taken at least 30 semester hours in residence and have completed the final 24 hours at Ohio Christian University (or under the supervision of OCU faculty). For associate degree, 15 hours must be completed in residence, including the final 12 hours.

Graduation requirements are subject to change. Curriculum requirements serve as a guide to program planning and are also subject to change. Every effort will be made to communicate changes to all concerned students in a reasonable manner. Ohio Christian University reserves the right to deny graduation to any student whose character is contrary to the testimony, doctrine, and standards of the University.

## SUMMER GRADUATION

Students wishing to participate in Spring graduation ceremonies as "summer graduates" must: (1) lack no more than six semester hours to complete in summer school; (2) take all remaining course work in residence at Ohio Christian University; and (3) have all requirements completed by August 1. Summer graduation diplomas will be issued after August 15. Students who do not complete all requirements by August 1 will not be eligible to receive a diploma until the following May.

## FINANCE

At Ohio Christian University, we believe the benefits of a college education far outweigh the costs, but we do understand that getting money to pay for college may be one of a student's biggest challenges. The Ohio Christian University Financial Aid Department is prepared to help students meet their financial needs in any way possible.
The financial aid program at Ohio Christian University is designed to assist students in finding financial resources to cover the cost of college. The U.S. Department of Education and the University believe that a student's education is a family investment requiring realistic student, spousal, and parental support. The expenses associated with a Christ-centered, Bible-focused education are an excellent investment. A college degree opens doors, broadens horizons, and deepens understanding. At Ohio Christian University, students have the unique experience of integrating a Biblical worldview rooted in the Wesleyan tradition with their chosen academic major. This experience will enable students to have a true impact upon the church, the community and the world.
The Ohio Christian University Financial Aid Department recognizes that most students are unable to pay the entire cost of a college education. There are several sources of funding that allow students to help pay for these expenses, including scholarships, grants and loans.
The following is a list of fees for the 2009-2010 Academic Year. The fees are subject to revision at the start of each Academic Year. Each student should take into account approximately $\$ 500$ for personal expenses and $\$ 400$ for books each semester in addition to the fees listed below.

## WITHDRAWALS AND REFUNDS

Any student who receives financial aid (federal, state or institutional aid) and withdraws from classes during the semester is potentially subject to a review and recalculation of his or her financial aid eligibility. The impact on a student's financial aid awards will depend on:

- When the student withdrew from a class or classes.
- Whether the student withdrew from one or more classes but remained enrolled, or if the student completely withdrew from all classes.
- The type of financial aid awarded.
- Any changes to the charges on the student's account. Any student who is contemplating a withdrawal from one or more classes should seek advice from an OCU financial aid counselor as to the impact that a withdrawal will have on the student's financial aid eligibility.

## REFUND POLICY FOR ENROLLED STUDENTS

Refunds must be requested through, and approved by, the Financial Aid Department.
REFUND CHECKS WILL NOT BE WRITTEN UNTIL ALL FINANCIAL
AID HAS BEEN AWARDED AND RECEIVED.

## REFUND POLICY FOR WITHDRAWALS

The following information depicts the amount of tuition refund that a student may be eligible for when withdrawing from one or more classes during a given semester:

- First Calendar Week 100\%
- Second Calendar Week 75\%
- Third Calendar Week $50 \%$
- Fourth Calendar Week $25 \%$

If a student withdraws after the fourth calendar week, he or she is not eligible for a refund.

## TITLE IV RETURN OF FUNDS CALCULATION

Any student who receives federal Title IV financial aid (Pell Grant, FSEOG, or Stafford Loans) and completely withdraws from all classes during a given semester is subject to have his or her financial aid money recalculated per Department of Education regulations. This return of funds calculation does not apply to a student who withdraws from one or more classes but remains enrolled in at least one class.
The return of Title IV funds calculation is based on the number of calendar days in the term compared to the number of days elapsed when the withdrawal is completed. Based on the percentage of the term completed, the student is allowed to retain a similar percentage of federal Title IV financial aid. The remainder of the funds is to be returned to the Department of Education. The school will determine how much of the federal funds are to be returned to the government, and how much, if any, are to be returned to the student.
Funds will be returned in the following order if the student received money from the fund:

- Federal Unsubsidized Stafford Loan
- Federal Subsidized Stafford Loan
- Parent PLUS Loan
- Pell Grant
- Academic Competitiveness Grant
- National SMART Grant
- FSEOG

If the funds a student must repay need to be returned to the federal grant programs, the student will have to repay only $50 \%$ of the required grant. The student will be given 45 days to repay any grant monies owed. After 45 days, the student will be placed in a federal grant overpayment status and will be ineligible to
receive federal funds for any school until the grant is repaid. Loan monies owed will become subject to the regulations stated on the Master Promissory Note, which the student signs prior to receiving any loan money.
The following is an example of how a recalculation might work. If there are 100 calendar days in a particular term (excluding any breaks of five or more days) and a student withdraws on the 25 th day of the term, $25 \%$ of the term has elapsed. This means $75 \%$ of the federal funds must be returned. If the student received $\$ 5,000$ in federal Title IV aid, $\$ 3,750$ of the original $\$ 5,000$ must be returned. If the school retained all of the funds to pay for school charged expenses, the school will return all of the funds. If some of the funds were disbursed to the student in the form of a refund, the student may have to repay some of the funds also. Once the student has completed $60 \%$ of a given term, no Title IV return of funds calculation is necessary.

## FINANCIAL ASSISTANCE

## FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT

The FSEOG is intended to supplement the Pell Grant. It is a grant that is provided by the federal government to eligible full time or part time students based on need. The amount that each student may receive is in correspondence with his or her Pell Grant award.

## ACADEMIC COMPETITIVENESS GRANT

The Academic Competitiveness Grant is a federally funded grant that is offered to Pell eligible students who graduated from high school with a state honors diploma or comparable rigorous course work that meets the following standards: 4 years of high school English, 3 years of high school Math, Science and Social Studies, and 1 year of high school Foreign Language.

## FEDERAL AND SUPPLEMENTAL LOANS

## SUBSIDIZED FEDERAL STAFFORD LOAN

The Subsidized Federal Stafford Loan is available to students who demonstrate a financial need, and who are enrolled at least half time and are pursuing a degree. Subsidized loans are awarded in limited amounts, which correspond with a student's year in school. The interest of a Subsidized Federal Stafford Loan is paid by the Federal Government while a student is attending school.

## FEDERAL PLUS LOAN

The Federal PLUS Loan is available to all graduate students and parents of students. Students must be enrolled at least half time to quality for the PLUS loan. The PLUS loan does not have a specific monetary limit, but the amount is limited to the cost of education minus any financial aid that is offered.

## UNSUBSIDIZED FEDERAL STAFFORD LOAN

The Unsubsidized Federal Stafford Loan is available to students who are enrolled at least half time. There is no financial need taken into account for this loan; students of all income levels may take out an Unsubsidized Federal Stafford Loan. Students who are classified as Independent may request and accept an Unsubsidized Loan without having to apply for the PLUS loan. The Unsubsidized Federal Stafford Loan does have yearly monetary limitations that correspond with a student's year in school. The interest on an Unsubsidized Federal Stafford Loan will accumulate while a student is attending school.*
*In order for a dependent student to receive an Unsubsidized Federal Stafford Loan award, a parent must apply for and be denied for the PLUS loan. However, if a parent shows an Expected Family Contribution (EFC) that is equal to or greater than the remaining difference between financial aid awards offered and
the cost of education, a student may receive Unsubsidized funds in place of Subsidized funds without his or her parents having to apply for a PLUS Ioan.*

## PRIVATE LOANS

Private Loans are to supplement other financial aid awards that a student taking at least six credit hours (half-time enrollment) per semester may receive in order to cover the cost of education. Private loans may be applied for by the student alone, or the student may have a co-signer apply for the loan as well. If a co-signer applies with the student then the interest rate on the loan may decrease. Private Loans have a $\$ 500$ minimum loan requirement and interest accumulates while a student is attending school. Some private loan interest may need to be paid during enrollment in school.

## FEDERAL WORK STUDY

Students who show a financial need are eligible to take part in the Federal Work Study Program. Students who choose to participate may find work on campus or in a campus related activity approved by the Ohio Christian University Federal Work Study Coordinator. A student may use his or her earnings to help pay his or her school bill. Students who show an eligibility to participate in the Work Study Program are notified of their eligibility by the Federal Work Study Coordinator. Payment must be made in full by the first day of classes unless another payment option has already been selected.

## DISASTER MANAGEMENT

Disaster Management is an emerging field. This concentration seeks to prepare students to participate in and minister through relief efforts following natural or man-made disasters. Because it is an emerging field, precise and definitive guidelines are not established. Ohio Christian University's program provides an integrated approach that reflects current government-regulated instruction by FEMA with a Christian worldview and ideology. Our students are trained to serve human suffering and crises from immediate relief through community rebuilding and redevelopment.

## INTERDISCIPLINARY STUDIES: BACHELOR OF ARTS

The Interdisciplinary Studies program of study is composed of closely correlated coursework in two or more program majors. The program requires essentially the same Religion and General Education Cores as all other OCU degree programs. The unique feature of this option is the flexibility that allows the student to work with an advisor and several program faculty to build a customized interdisciplinary program that best suits his/her academic objectives and calling.
Upon completion of the Interdisciplinary Studies Program, the student will:

1. Demonstrate competency in the knowledge and application of Biblical/theological issues and principles.
2. Exhibit sufficient general education knowledge and skills to enhance intellectual understanding and effectively communicate in current society.
3. Affirm a specific calling or career goal in a written Statement of Purpose (due prior to completion of a third semester of study), which clearly articulates a plan for correlated programs of study.
4. Possess the ability to pursue further study or serve in a role in the church or society which draws upon the knowledge and skills of the correlated programs of study.

## MUSIC

The music programs are designed to prepare students to engage in worship arts ministries or teach music on a preschool, elementary, and secondary level. The student may choose from one of two areas: vocal/choral or instrumental.
The music programs are designed to prepare students to be effective teachers, capable musicians, and lifelong learners. The programs allow opportunities for all college students to study voice or an instrument privately (applied lessons), participate in performance ensembles, and to enroll in music courses as part of their college experience. The Music Department sponsors community events including the public performances of its faculty and ensembles, as well as guest artists through the Performance Art Series.
Upon completion of the music program students should:

1. Possess the musical skills and knowledge necessary to serve as a music teacher or in worship arts ministries.
2. Be able to articulate a personal philosophy of music education or worship arts ministries.
3. Demonstrate a substantial command of the following areas of the music curriculum:
a. Music fundamentals.
b. Melodic and rhythmic dictation and sight singing.
c. Music literature
d. Functional piano skills
e. The ability to perform effectively in a musical ensemble.
4. Possess the skills and knowledge necessary to continue music studies.

## FACILITIES

The music department is located in the Conley Ministry Center. Ample classroom, private practice and rehearsal facilities allow students the opportunity to make music in an atmosphere conducive to learning.

## ADMISSION REQUIREMENTS

The following steps must be taken in order for a student to be accepted into the music program:

## AUDITION

Each student applying to the music program must successfully perform an audition for an audition committee consisting of at least three music faculty members including one from the student's applied area of music.

## PIANO AUDITION

The student shall demonstrate mastery of the intermediatelevel piano repertoire (for example: Bach Two-Part Inventions, Clement Sonatinas, and Schumann's Album for the Young). Auditioning students must perform two prepared selections from memory. The student must be able to play a four-part hymn (not arranged) with accuracy and at a suitable tempo. The student may be asked to sight read a short classical or sacred work at the audition. Copies of all the music played at the audition (a minimum of two selections) should be provided to the audition committee at the time of the audition.

## VOCAL AUDITION

The student should demonstrate mastery of the intermediatelevel vocal repertoire (folk songs, Italian art songs, songs from $\mathrm{A} \& \mathrm{~B}$ list for the solo adjudications, sacred songs, or an original composition). Auditioning students must perform two prepared selections from memory. The student may be asked to sight read a short classical or sacred work at the audition. Copies of all the music sung at the audition (a minimum of two prepared selections) should be provided to the audition committee at the time of the audition.

## INSTRUMENTAL AUDITION

The student should demonstrate mastery of the intermediate-level instrumental repertoire. Auditioning students must perform two prepared selections, a movement from a solo work (such as a concerto or sonata) and an etude. The student should also be prepared to play major, minor, and chromatic scales. The student may be asked to sight read a short classical or sacred work at the audition. Copies of all the music played at the audition (a minimum of two selections) should be provided to the audition committee at the time of the audition.

## THEORY PLACEMENT EXAM

Each student applying to one of the music programs must take the Theory Placement Exam. The results from this exam is used to determine the entry-level theory skills of the prospective student. The exam may be taken on the same day as the audition.

## REFERENCES

Each student applying to the music program must provide at least two letters of recommendation from individuals that are familiar with the applicant's musical skills, scholarship abilities, communication skills, and spiritual activities.

## ENSEMBLE PARTICIPATION

In accordance with the standards of NASM, students majoring in music are required to register for a performing ensemble each semester in which they are enrolled. The nature of the performing ensemble should correspond with the student's applied area.

## WORSHIP ARTS MINISTRIES

The Worship Arts Ministries major is designed to prepare the student to serve on staff at a local church as an Evangelist, Worship Leader, Music Minister, Instrumental Director, or Accompanist. Students will be exposed to a variety of musical styles and will be grounded soundly in music theory and other disciplines within the field. As students progress in the program they will learn how a music ministry fits as part of the overall work of the church. Through participation in the choir as well as other opportunities to perform and lead worship the student will gain the confidence needed to step right into a church setting upon graduation.

## PROGRAM GOALS

Upon completing the Worship Arts Ministries program students should:

1. Possess musical skills and knowledge necessary to serve in a variety of capacities;
2. Be able to articulate a philosophy concerning the place of music in the total church program;
3. Have knowledge of the organizational, administrative and technological aspects of a church music ministry;
4. Possess the skills and knowledge necessary to pursue graduate studies.
Some graduates use their musical training as part of their ministry through missions, pastoral or other avenues of service. The Worship Arts Ministries program will also prepare students to continue studies in music at the graduate level.

## BIBLICAL STUDIES CONCENTRATION

The Biblical Studies concentration is designed primarily for students desiring a career in teaching the Bible at the university level and, as such, it is predicated upon the student pursuing further graduate work after completion of the program. This degree will prepare the student for a variety of ministries in the church immediately after graduation, such as preaching, teaching and evangelistic work. It will not likely prepare the student for pastoral ordination in most denominations without first completing further study.

## OBJECTIVES

Upon completion of the Biblical Studies concentration the student should:

1. Have gained a deep appreciation for the place of the Bible in the Church's life and faith.
2. Have a firm grasp of biblical history and literature.
3. Be able to trace the development of the major themes through the Bible.
4. Be able to demonstrate the necessary skill for interpreting biblical literature.
5. Be able to communicate biblical truth through teaching and preaching.
6. Be prepared to do further graduate study.
