# Important Information

## Transferring to OCUOnline Plus

- This form must be approved by each of the indicated offices before you will be enrolled in the new program.
- The program transfer fee is \$100 (unless otherwise waived).
- Leaving your current program and enrolling in OCUOnline Plus means you are withdrawing from your current program. Should you decide to return to your previous program, your current program requirements may be substantially different, or it may not be an available option.
- Students transferring to OCUOnline Plus forfeit all institutional scholarships.
- Some credits from your previous program may not apply toward your OCUOnline Plus degree program. We encourage you to find out before making this change how transferring affects your ability to graduate on time.
