

Commuting?

BEFORE YOU LEAVE HOME:

1. Are You Coming to Campus Today?

Proceed through this checklist before you enter campus.

2. Conduct a Daily Self-Check

1. Do you have two or more of these symptoms?
 - Fever or chills
 - Cough
 - Shortness of breath or difficulty breathing
 - New loss of taste or smell
 - Fatigue
 - Muscle or body aches
 - Headache
 - Sore throat, congestion or runny nose
 - Nausea, vomiting or diarrhea
2. Within the last 14 days, have you been in close contact with someone who has been diagnosed with COVID-19 or has been placed in isolation for COVID-19? If yes,
3. Have you had a COVID-19 test prescribed by a medical professional because you have recently had symptoms and you are currently waiting for the results?
4. Have you been asked to self-isolate or quarantine by a medical professional or a local public health official?

*If you answer yes to any of the above, please start self-isolation and reach out to Student Development at **740-477-7702** and they will guide you in navigating your next steps.*

3. Bring Your Cloth Face Covering

Be sure to bring and wear your university-provided or personal cloth face covering. Don't leave home without it! If you need to apply for a special accommodation, reach out to complianceofficer@ohiochristian.edu.

4. When You Get on Campus

At the entrance of the building for your first class, take a wipe, wipe off the thermometer, check your temperature, wipe of the thermometer again and return it to the station. If your temperature is under 100.0 degrees, proceed to class. If you have a fever that is at or above 100.0, leave the building and campus and contact Student Development at **740-477-7702**.

AND, be sure to practice the All-Together as Trailblazers guidelines.
