

# 2021-2022 Independent Verification Worksheet

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at Ohio Christian University (OCU) will compare your FAFSA with the information on this worksheet, and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, then submit the form and other required documents to the OCU Financial Aid Office.

**C. Student Income Information**

Complete Section # 1 or # 2 below (**not both**) depending on your tax filing status.

**Section #1 TAX RETURN FILERS**—**Important Note:** If you filed, or will file, an amended 2019 IRS tax return, you must contact your financial aid administrator before completing this section.

**Instructions:** Complete this section if the student, and spouse if married, filed or will file a 2019 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at [FAFSA.gov](http://FAFSA.gov).* In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

**Check the box that applies:**

- The student has used or will use the IRS DRT in *FAFSA on the Web* to transfer 2019 IRS income tax return information into the student's FAFSA. *If the student and spouse filed separate 2019 IRS income tax returns, the IRS DRT cannot be used and the **2019 IRS Tax Return Transcript(s)** or a signed copy of the 2019 federal income tax return (1040) must be provided for each.* Your school will use the IRS information that was transferred in the verification process.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school with a **2019 IRS Tax Return Transcript(s)** or a signed copy of the 2019 1040 (first two pages) and schedules 1-3 (if applicable). All signatures must be handwritten and per the discretion of the financial aid office, additional documentation may be required. *If you are married, and you and your spouse filed separate 2019 tax returns, you must submit tax return transcripts for both you and your spouse.*

**Section #2 TAX RETURN NONFILERS**—Complete this section if you, the student, will not file and are not required to file a 2019 income tax return with the IRS.

**Check the box that applies:**

- The student and/or spouse was not employed and had no income earned from work in 2019. You will need to provide documentation from the IRS dated on or after October 1, 2020 that indicates a 2019 IRS income tax return was not filed with the IRS.
- The student/and or spouse was employed in 2019 and has listed below the names of all employers, the amount earned from each employer in 2019, and whether IRS W-2 forms are attached. Attach copies of **all** 2019 W-2 forms issued to you (and, if married, to your spouse) by employers. *List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and SSN at the top.*
